Seeing Beyond The Circle:

Seeing Beyond the Circle Swami Vivekananda, Swami Brahma vidyananda, 2005 There has always been an ongoing dispute between the realists and the idealists as to what is ultimate and fundamental The realists see matter as absolute whereas the idealists see mind as absolute Swami Vivekananda sees both mind and matter as aspects of a larger reality The human soul is not separate from other souls but is an expression of one singular spiritual Ocean out of which the whole of creation arises Our problem is that we are clinging to the waves rather than opening out and resting in the Ocean or Source Itself This is all explained in the ancient Sankhyan model of perception and evolution which Swami Vivekananda empowers with the philosophy of non dualism Among other things Vivekananda puts the traditional Sankhyan idea of the gunas into a familiar psychological context tamas being attraction rajas being aversion and sattva being balance Almost a century earlier Georg Wilhelm Friedrich Hegel the German philosopher framed this dynamic as thesis or status quo tamas antithesis or breaking free rajas and synthesis or ongoing levels of integration sattva In light of Swami Vivekananda's message the Vedic position gives this process a higher evolutionary direction that direction being an experience of a spiritual Reality that is omnipresent and ever free

Rise of the Mystics (Beyond the Circle Book #2) Ted Dekker, 2018-10-02 Some say the great mystery of how one can live in two worlds at once died with Thomas Hunter many years ago Still others that the gateway to that greater reality was and is only the stuff of dreams They are all wrong Rachelle Matthews who grew up in the small town of Eden Utah discovered just how wrong when she dreamed and awoke in another world There she learned that she was the 49th Mystic the prophesied one tasked with finding five ancient seals before powerful enemies destroy her If Rachelle succeeds in her quest peace will reign If she fails the world will forever be locked in darkness In The 49th Mystic Rachelle found the first three of those five seals through great peril and mind altering adventure But two seals remain hidden and the fate of both worlds hangs in their balance As Rachelle Matthews sits deep in a dungeon Vlad Smith is just getting started Thomas Hunter's world is about to be turned inside out The mystics say that there is no defense against the Fifth Seal but finding it will cost Rachelle everything So begins the final volume of high stakes in one girl's quest to find an ancient path that will save humanity The clock is ticking the end rushes forward Ready Set Dream

Gideon E. Henderson, Matthew Parkinson, 1922 *Bluestockings Now!* Deborah Heller, 2016-03-03 Bringing together top specialists in the field this edited volume challenges the theory that the eighteenth century British intellectual women known as the Bluestockings were an isolated phenomenon spanning the period from the 1750s through the 1790s On the contrary the contributors suggest the Bluestockings can be conceptualized as belonging to a chain of interconnected networks taking their origin at a threshold moment in print media and communications development and extending into the present The collection begins with a definition of the Bluestockings as a social role rather than a fixed group a movement rather than a static phenomenon an evolving dynamic reaching into our late modern era Essays include a rare transcript of a Bluestocking conversation new previously unknown Bluestockings brought to light for the first time and descriptions of Bluestocking activity in the realms of natural history arts and crafts theatre industry travel and international connections The concluding essay argues that the Blues reimagined and practiced women's work in ways that adapted to and altered the course of modernity decisively putting a female imprint on economic social and cultural modernization Demonstrating how the role of the Bluestocking has evolved through different historical configurations yet has structurally remained the same the collection traces the influence of the Blues on the Romantic Period through the nineteenth century and proposes the reinvention of Bluestocking practice in the present **The Sorcerer's Circle** Michael Siverling, 2013-12-10 Michael Siverling's *The Sorcerer's Circle* offers another exciting private eye novel filled with the unique characters and stellar writing of his debut

Jason Wilder was wounded in his last encounter with the bad guys but he's back on the job and ready for another run in. He's just about to close up the private investigation office owned by his mother Victoria for the night when an elderly man enters. His name is Elijah Messenger and he says someone is trying to kill him. Jason gives him a polite brush off but the next morning he learns that the old man has indeed been murdered. It's a morning full of trouble. The mayor arrives asking Victoria for help. His daughter has become involved with a group of devil worshippers and he wants her pried loose. When Mom learns that the group was from Messenger's church she turns the case over to Jason but as always keeps out a maternal eye. Investigating the case forces Jason to juggle two relationships: a loving one with a beautiful single mother and a less than civil one with Police Officer Lori Banks, also referred to as the Beast. If he can do that and avoid any more knife wounds he'll be in good shape.
