Practicing Christian Education Mark A. Maddix,James Riley Jr. Estep,2017-07-18 This accessible introduction to the broad scope of Christian education focuses on its practice in the local church Two leading experts argue that Christian education encompasses all of the intentional practices of the local church including worship mission sacraments and teaching They explore Christian education not only as a field of study but as a vital congregational ministry showing how congregations can engage in discipleship and formation for spiritual growth The book features exercises and other pedagogical devices and includes reflection questions and suggestions for further reading **Cross-Cultural Servanthood** Duane Elmer,2009-08-20 With careful biblical exposition and keen cross cultural awareness Duane Elmer offers principles and guidance for avoiding misunderstandings and building relationships in ways that honor people in other cultures

Practicing Servant-Leadership Larry C. Spears,Michele Lawrence,2016-10-26 Practicing Servant Leadership brings together a group of exceptional thinkers who offer a compendium of thought on the topic of bringing servant leadership into the daily lives of leaders Each contributor focuses on his or her area of expertise exploring how servant leadership works in the real world using examples from a variety of organizations such as businesses nonprofits churches schools foundations and leadership organizations Highlights of the book s twelve essays include information on how the idealistic vision of the servant as leader works even in the competitive world of business encouraging leaders to begin by looking at what they themselves want to become and then to bring this knowledge into their daily leadership how the principles of servant leadership can enhance our understanding and practice of philanthropy examining the board chairperson s especially vital role as a servant leader exploring what leaders learn from being followers Order your copy today **Robert K. Greenleaf** Don M. Frick,2004-06-13 Greenleaf s surviving children authorized this biography on their father whose work influenced everything from management training and education to corporate ethics and religious missions **Coaching Ministry Teams** Kenneth O. Gangel,2006-10-18 In competitive sports we prize teamwork We know that a mature team will usually beat an astounding collection of individual players The burden of creating such esprit de corps falls to the coach and the team of leaders he has assembled After all a team without a coach cannot win But what happens when the coach himself does not understand the dynamics of teamwork In a similar manner every leader of every church is a coach of sorts with a ministry team responsible for the life of the church The question put to you as a pastor is this Are you a team player Even more to the point Whose team are you building Too many church leaders writes author Kenn Gangel have fallen into the trap of personal kingdom building a focused concern on one s own and present ministry without a wider recognition of kingdom participation

The net effect of this condition has led to narrow vision stunted church growth and frustrated relationships within the body of Christ In contrast Gangel explores broad and penetrating support throughout the Word of God for team based inclusive cooperative leadership From Jethro s advice to Moses all the way to Jesus s approach to discipleship biblical leadership is viewed as a tool to be shared a model of servanthood mentoring and the mutual interdependence of gifts Along the way Gangel explores the character attributes of successful biblical leadership common things like humility patience and quiet dignity From there he reveals how these qualities open an authentic leader up to the wide and thrilling possibilities of working hand in hand with others in the Lord s work together *Handbook of Workplace Spirituality and Organizational Performance* Giacalone,2015-05-18 An explanation of how and why the economic downturn of 2007 became the Great Recession of 2008 and 2009 It explores the root causes of the cycle of boom and bust of the economy It describes social equity in terms of its arguments and claims in political economic and social circumstances Principles and Practice of Islamic Leadership Mahazan Abdul Mutalib,Ahmad Rafiki,Wan Mohd Fazrul Azdi Wan Razali,2022-03-31 This book elaborates the fundamental principles and practices of Islamic leadership and management by highlighting its underlying philosophies key concepts and sources The book closely examines the relationship of Islamic leadership with spiritual leadership and how it shapes the concept of leadership The book also compares Islamic Leadership with other related spiritual leadership concepts such as the Servant Leadership religiosity and other conventional leadership perspectives based on Islamic framework The chapters within the book delve into Islamic teachings and values from Al Qur an and Hadith that can be applied when governing an organization using several case studies This insightful and thorough discussion on Islamic leadership will be useful as a reference for academic courses on leadership and current and aspiring business leaders

Remaking the Godly Marriage John P. Bartkowski,2001 In Remaking the Godly Marriage John Bartkowski studies evangelical Protestants and their views on marriage and gender relations and how they are lived within individual families The author compares elite evangelical prescriptions for godly family living with the day to day practices in conservative Protestant households He asks How serious are the debates over gender and the family that are manifested within contemporary evangelicalism What are the values that underlie this debate Have these internecine disputes been altered by the emergence of new evangelical movements such as biblical feminism and the Promise Keepers And given the fact that leading evangelicals advance competing visions of godly family life how do conservative religious spouses make sense of their own family relationships and gender identities **Cases on Servant Leadership and Equity** Thomas, Ursula,2022-10-14 Due to the increasing importance of leadership the study of servant leadership and its relationship with equity is vital for community educators teacher leaders public administrators and more It is important to investigate the complex relationship between organizations and leadership structure in an effort to examine the intersection of how we can best improve our organizations and the populations that they serve Cases on Servant Leadership and Equity uncovers the nuances and

challenges of servant leadership experienced by diverse servant leaders It explores how servant leaders of diverse backgrounds navigate challenges that are unique to the organizations in which they lead Through a critical lens servant leadership is unpacked through the eyes of leaders that are filtered by race class ethnicity and gender as well as geopolitical spaces Covering topics such as emotional intelligence rural teachers and employee engagement this case book is an indispensable reference for managers executives sociologists government officials politicians policymakers human resource managers faculty and administrators in K 12 and higher education pre service teachers community leaders librarians researchers and academicians

Leading the Congregation Norman Shawchuck, Roger Heuser, 2010-10-01 Leading the Congregation is a complete and definitive guide to the practice of church leadership The book describes essential paradigms for the leader that integrate spiritual integrity and service within a systems view of the congregation and its ministry This revised and updated version focuses on the challenges of congregational leadership in a culture that has fewer ties to Christian faith The authors lay out the dual contexts in which church leaders must function within the congregation and as the congregation's representative to the community and they explain the very different skill sets required to flourish in each Underlying the revised edition is an insistence on the congregational leader's call from God and cultivation of her or his relationship with God Leadership is not the same thing as charisma they explain it is rather a set of attitudes and practices that each of us can and must master if we are to be worthy servants of Christ
