world has been shaped by a process of secularization heavily based on reason and progress in science technology economics urbanism etc modern people seek relevant answers to their deep existential questions that can be explained rationally In his quest to foster relevant and meaningful answers for today s world Schillebeeckx changed the traditional metaphysical content of Christian theology into explanations that radically reinterpret traditional Christian doctrines Primarily the supernatural essence of Christianity is given up as irrelevant and is replaced by a natural perspective on the world In Schillebeeckx s thoroughly historical and truly immanent theology God is man s terrestrial future Christ the symbol of universal human values and the Church is identified with the world as those communities which share these universal human values Schillebeeckx is convinced that these explanations emptied of metaphysical content can help today s people understand their existence in a new relevant and meaningful way

Materialistic Spirituality Dr. Ashwin Drummond,2023-09-01 The book examines the popular trend of material wealth sweeping the globe Many today use Jesus as a bulldozer to get material prosperity which is not according to the Scriptures Materialistic Spirituality as a hybrid concept does not find a place in the Bible Double standards and sailing in two boats do not get us our heavenly crown The prosperity gospel does more harm than good It leads us on the wrong path and takes us to doom While there are many rich people in the scriptures they have placed the Lord in the priority slot The riches that they have is a result of the blessing provided by the Lord Even in instances where they have lost their wealth they have simply said The Lord had given the Lord has taken The concept of materialistic spirituality serving two masters and earthly and heavenly treasures has been explained in detail Spirituality and materialism have also been explained separately in detail How to tread the highway to hell and enter the doorway to heaven has also been highlighted The misnomer about the prosperity gospel and the blessings of the lord finds a special mention
