Seeking Doing Theology With Girls:

Seeking Janet Claussen, Julia Ann Keller, 2003 *Seeking Doing Theology with Girls* is an introduction to theological methods and reflection with an emphasis on actively engaging girls in making connections between their experience and the wisdom of the Scriptures and Tradition. The overriding theme of this manual is that the life experience of women brings richness and balance to the academic discipline of theology. Topics covered include images of God, gospel feminism, women theologians, morality, sexual integrity, ecofeminism, and personal and global justice grounded in a theology of life. *The Faith of Girls* Anne Phillips, 2016-03-03 Exploring the spirituality and faith of girls on the verge of adolescence, this book presents fresh insights into children's spirituality and their transition to adulthood. Phillips has listened to girls' voices speaking in depth on the themes of self, God, church, and world, and reflected on their experiences and understandings in the light of current psychological, philosophical, and sociological thinking, all placed into dialogue with a feminist approach to contemporary theology and bible. Phillips offers 'wombing' as a metaphor for their transition to young adulthood and suggests strategies faith communities might adopt to companion girls more effectively through the fragility of puberty. This book will appeal to all those exploring areas of youth ministry, pastoral care, Christian education, nurture, and childhood studies, psychology, and theology.
