consequences of the contract with God from the campaigns of Joshua in Canaan to the present manifestations of ideological Zionism He argues that the course of history has been in great part a consequence of the original Covenant and he charts the regrettable lineage of atrocities committed under the auspices of covenant fulfillment including the conquest of Canaan to the hegemony of Rome the rape of Northern India by the Muslim Sultans the Crusades European colonialism which considered the entire planet as the Promised Land Manifest Destiny and ideological Zionism Wars crimes against humanity and genocide have too often been the aftermath of the Covenant Will this woeful progression ever come to an end A Curse of Blood & Stone K.A.
