Onibere,M.P. Adogbo,2010-04-01 This volume presents comprehensive case studies on various topics in Religious Studies It aims at bringing about the dynamics of change and innovations that characterise the study of religions in contemporary Nigerian society The work focusses on Biblical Studies Church History Islamic Studies and African Traditional Religions      **Demystifying Islam** Harris Zafar,2023-06-14 A welcome correction to the politically tortured conceptions of Islam so prevalent today An important original new examination of Islam Kirkus Reviews Despite heightened interest in the study of the Muslim faith for many people Islam remains shrouded in mystery and confusion What really is Shariah law How is a Muslim to understand Jihad Does Islam oppose Western values such as free speech or freedom of religion What place do women have according to Islam Understanding that this confusion has as much to do with the behavior and words of Muslims as it does with allegations made by anti Islam activists Demystifying Islam offers refreshingly bold answers to provocative questions about Islam today Author Harris Zafar lecturer

writer teacher and national spokesperson for Ahmadiyya Muslim Community USA is forthright about issues where Muslims disagree and he digs into history through vast research and scholarship to track the origins of differing beliefs From the burqa to the role of Jesus in Islam Demystifying Islam is an essential resource and concise guide to understanding the fastest growing religion in the world This book is less of a spiritual introduction than it is a cultural one and an excellent starting point for people navigating interfaith relationships or working to improve understanding and representation in organizations and public discussion Publishers Weekly A significant contribution to the global conversation on peace freedom and justice in a world mystified and threatened by geopolitical and religious tensions Paul Louis Metzger author of Connecting Christ

**The Chosen Peoples' Challenge: Biblical Love Boundaries** Mohamed Moussa Ghounem, 2025-06-20 The Chosen Peoples Challenge Biblical Love Boundaries What does it truly mean to be chosen Is it a title of privilege or a call to service For millennia Jews Christians and Muslims have each claimed a divine covenant But today with rising violence political manipulation and religious confusion are we honoring the sacred trust of chosenness or distorting it The Chosen Peoples Challenge Biblical Love Boundaries boldly redefines the conversation Written in accessible yet scholarly prose this groundbreaking work invites Jews Christians and Muslims to confront the theological truths behind their shared heritage With historical precision and compassionate interfaith dialogue the author unpacks over 40 evictions from the Bible where God's favor was lost not due to race or religion but disobedience Drawing on deep scriptural insight including Torah Gospel Qur'an and the Talmud this book shows how divine selection is not about birthright but about behavior At its core is a new theological framework Triune Covenant Theology a fresh interfaith alternative to the widely known Dual Covenant Theology Where Dual Covenant Theology suggests Jews and Christians can each be saved without fully believing in the other's revelation thus promoting parallel paths of disbelief Triune Covenant Theology asserts the opposite that God's enduring covenant is built on three pillars of unity Moses's law Jesus's mercy and Muhammad's monotheism Rather than negating each other these three messengers confirm one another calling humanity back to God's oneness lawfulness and love This book fearlessly challenges myths that have clouded the path to peace like the ideas of a land without a people or unconditional chosenness It addresses the misuse of sacred texts to justify apartheid settler violence and religious supremacy offering instead a vision rooted in justice humility and universal accountability Across twelve dynamic chapters and three rich appendices including a simulated AI debate between a Rabbi a Catholic priest and an Imam you'll encounter A powerful comparison of Biblical vs Qur'anic visions of statehood sovereignty and moral law A theological and historical case for why Muslims now bear the mantle of Greater Israel not politically but spiritually A glossary of critical interfaith terms from Mishpat to Supersessionism to empower deeper understanding A Top 20 list of Zionist myths gently debunked with sacred texts and historical facts Far from a work of religious superiority this book is a spiritual blueprint for accountability coexistence and the revival of divine ethics It invites readers of all faiths or none to see that being chosen is not about

domination but about devotion Not about privilege but purpose With a tone that is simultaneously scholarly and compassionate bold yet bridge building this book is already being hailed as a landmark work in comparative theology Whether you re a student of scripture a faith leader a peace advocate or simply someone searching for spiritual clarity in a fractured world The Chosen Peoples Challenge offers the depth honesty and inspiration needed to help re light the world s spiritual lamp beginning at Jerusalem and shining outward Join the challenge Reclaim the covenant Share the light **The Chosen Messengers: Stories of the 25 Prophets in Islam** Ariesta Ucky,2025-02-03 From Prophet Adam AS the first human to Prophet Muhammad PBUH the final messenger this book takes you on a journey through time reliving the struggles miracles and unwavering faith of the 25 prophets mentioned in the Quran Each chapter brings to life the trials they faced the wisdom they shared and the faith that carried them through hardship offering timeless lessons for modern readers How did Nuh AS build the Ark while facing years of rejection Why was Musa AS chosen to stand against Pharaoh How did Yusuf AS rise from a prisoner to a ruler What made Muhammad PBUH the most influential man in history With rich storytelling authentic references from the Quran and Hadith and powerful lessons for everyday life this book is perfect for Muslims seeking a deeper connection to their faith New converts wanting to understand prophetic history Anyone curious about Islam s divine messengers Includes The key du as supplications of the prophets Powerful lessons from each story A storytelling format that makes history come alive Step into the lives of the greatest humans to ever walk the earth and let their faith inspire yours **Tafsir - The Key to the Quran** Sebastiano Vottari, A Theological Revolution That Shakes Up 14 Centuries of Tradition What if everything you ve been taught about Islam is based on a fundamental misunderstanding For the first time in your language a systematic and courageous analysis that demonstrates verse by verse how the Quran itself proclaims its complete self sufficiency without the need for external sources to be understood and practiced REVOLUTIONARY DISCOVERIES THAT WILL CHANGE YOUR VIEW OF ISLAM The Hidden Proof 1 The Isolated Letters Alif Lam Mim Why is there not a single authentic narration in which the Prophet explains their meaning This book reveals how their mystery is actually their message a divine seal that no human tradition can replicate or counterfeit and a silent proof of what the Prophet transmitted and what he did not transmit The Hidden Proof 2 The Missing Basmala Surah At Tawbah Not a mistake not an oversight Discover how this unique anomaly in the sacred text is a deliberate act a time bomb The incredible hidden prophecy The Quran predicts with surgical precision how its own community would marginalize it even using the exact term hadith 45 6 The paradox of the Sunnah How truly following the Prophet s example means doing exactly what he did following ONLY the Quran The hendiadys decoded For the first time a linguistic analysis reveals how key expressions Book and Wisdom Allah and His Messenger have been systematically misinterpreted to justify extra Quran sources The divine firewall breached The discovery of the prophetic command Write nothing from me except the Quran and its devastating implications for tradition EXTRAORDINARY CONSEQUENCES IMMEDIATE SPIRITUAL LIBERATION No more anxiety about
