Thinking Like a River Franz Krause, 2023-06-02 The Kemi River is the major watercourse in the Finnish province of Lapland and the stream of life for the inhabitants of its banks. Franz Krause examines fishing transport and hydropower on the Kemi River and analyses the profoundly rhythmic patterns in the river dwellers' activities and the river's dynamics. The course of the seasons and weekly and daily rhythms of discharge temperature work and other patterns make the river dwellers' world an ever transforming phenomenon. The flows of life and the frictions of everyday encounters continually remake the river and its inhabitants negotiating national strategies economic power people's ingenuity and the currents of the Kemi River.

Soul Like a River J. B. Morton, 2023-05-26 The year is 1959 and the winds of change rip through the bucolic river town of Jordan South Carolina. On the cusp of the civil rights movement in America ethnic tensions reach a boiling point within a cauldron of clashing ideologies and faiths. A devout family one intimately connected to the land awaits the homecoming of the eldest son from up north. He has been away at the seminary for some six years. In a highly anticipated event he arrives home with none other than the Reverend Martin Luther King Jr himself. In the tumultuous weekend that follows the mighty King electrifies Jordon with the gospel of freedom and integration. But amidst the larger social conflict another contrasting mindset intervenes that embodied by the fiery young protagonist Jimmy. A product of the mean streets of an urban ghetto the precocious intruder is steeped in the militant ethos of Malcolm X and his worldview amounts to a bombshell within this isolated genteel community a potent source of moral confusion that will wreak havoc threatening to rip little Jordon asunder.

The Blood Runs Like a River Through My Dreams . Nasdijj, 2001-09-17 THE BLOOD RUNS LIKE A RIVER THROUGH MY DREAMS transports readers to the majestic landscapes and hard Native American lives of the desert Southwest and into the embrace of a way of looking at the world that seems almost like revelation. Born to a storytelling Native mother and a roughneck song singing cowboy father Nasdijj has lived on the jagged edged margins of American society yet hardship and isolation have only brought him greater clarity and a gift for language that is nothing short of breathtaking. Nasdijj tells of his adopted son Tommy. Nothing Fancy of the young boy's struggle with fetal alcohol syndrome.

and of their last fishing trip together It is a heartbreaking story written with great power and a diamondlike poetry But whether Nasdijj is telling us about his son about the chaotic alternately harrowing and comical life he led with his own parents or about the vitality and beauty of Native American culture his voice is always one of searching honesty wry humor and a nearly cosmic compassion While Nasdijj struggles with his impossible status as someone of two separate cultures he also remains a contradiction in a larger sense he cares for those who often shun him he teaches hope though he often has none for himself and he comes home to the land he then must leave THE BLOOD RUNS LIKE A RIVER THROUGH MY DREAMS is the memoir of a man who has survived a hard life with grace who has taken the past experience of pain and transformed it into a determination to care for the most vulnerable among us and who has found an almost unspeakable beauty where others would find only sadness This is a book that will touch your soul Like a River Granger

Reading the River John Hildebrand,2009-07-30 John Hildebrand sets out in a canoe to explore the great riverway of

northwestern Canada and Alaska The geography is closely rendered and the characters especially sharply drawn The country is filled with mad dropouts at river fish camps good hearted girls in the towns sullen natives in tumbledown villages cranky old timers terrible drunks and worse moralizers who live off the wild landscape and its abundant resources This is a fine work and Hildebrand is a fine writer Charles E Little Wilderness *The River's Gift* AQEEL AHMED,2024-04-14 The River s Gift Tilly learns that being nice makes life the most fun as she takes care of a thirsty birds Summary In The River s Gift a beautiful story readers meet Tilly a lively and curious young girl who sees a thirsty bird in her backyard and goes on an unexpected trip of empathy and self discovery The story does a great job of teaching lessons about the value of being kind persistent and appreciating the beauty around us through Tilly s adventures Tilly s journey through the book is driven by her finding the thirsty bird at the beginning Even though her path isn t easy she is motivated to get water because she knows what the bird needs Her journey takes her through the garden over organic barriers and to listen to the river and an old tree for wisdom It is also emotional and spiritual showing her how important it is to connect with others and understand their feelings Tilly reads each part of The River s Gift because she wants to know how big of an effect small acts of kindness can have From the moment she sees that the bird s water bowl is empty until it sings its thanks Tilly changes and learns She faces many problems along the way but she keeps going because she is determined and has learned to value nature s wisdom The wise old tree and the river teach Tilly and her readers about the flow of kindness and how it can keep lives going and make them better When Tilly gives the bird water to quench its thirst at the end of the story it represents the satisfaction of a deeper emotional need as well as the desire to give and receive kindness Just as the bird s sweet thank you song fills the air Tilly realizes that the real gifts are the happiness and understanding she gets from being kind not the water itself The story The River s Gift is beautifully written and has a strong message about how important it is to be kind even though the plot is simple Giving things away instead of keeping them can make you happy and small acts of kindness can make a big difference in the world Young readers can learn from Tilly s story that helping others can bring a lot of happiness This makes The River s Gift a timeless story of kindness and generosity Chapter 1 How Tilly was found Tilly was a little girl whose heart was as big as her mind She lived in a sunny part of a backyard full of flowers of every color you can think of and the sounds of nature filled the air There was a scene that stopped Tilly in her tracks as she walked around this small haven Her eyes were wide with wonder at everything she saw Hidden under a green plant was a small bird Tilly had never seen this kind of bird before It was happy flying from tree to tree It didn t have bright shiny feathers instead they were frayed and dirty It also didn t make much noise not even a happy song Its voice was so soft that if you weren t paying close attention you might have missed it Because Tilly was interested and cared about it she got down next to the bird and stared at it softly Its small chest heaved hard and she saw that its beak got longer like it was looking for something Tilly knew right away that the bird needed water more than anything else She was so determined that it made her heart grow She was aware of what she had to do That

wasn't the only reason she wanted to help she thought it was her duty to make sure this young bird that had gotten into her garden got the care it needed When Tilly found out this it was the start of an unbelievable trip She made up her mind right away to go look for some water for the thirsty bird Tilly's garden which was a place of fun and discovery was the starting point for a wonderful trip No longer was it enough to just play and make up stories the goal was to make a difference in the world no matter how small Tilly learned that small things could mean a lot to someone else In this case it was a little bird that was thirsty and needed help Tilly worked on the project with as much drive as the sky is blue She made herself into a hero in one of her stories on a quest for something much more important than fame or money the chance to be nice and make the world a little better She had never been so happy and felt like she had a purpose in life as when she thought about helping the bird It looks like she found out a secret the best way to be happy is to give rather than receive Tilly learned something new from what she found in her backyard that she thought she already knew She learned that we could find things to do and chances to do good right in our own neighborhoods All you need is a lot of heart and a little insight This bird with its dead feathers and weak voice was about to take Tilly on an adventure she could never have imagined This trip will not only change the bird's life but it will also teach Tilly how important it is to care about other people and how fun it is to help them Thoughts of excitement and fear filled Tilly's heart as she got ready to go find water She had no idea where the search would lead her or what problems she would have to deal with She was determined to get the bird's water back This quest began when the thirsty bird was found It was the start of an amazing and interesting adventure One where a little girl's heart showed the way and kindness won out This was the beginning of Tilly's journey which showed her and everyone who heard her story how small acts of kindness can make a big difference in the world Chapter 2 The Empty Space In the middle of her new mission to save the thirsty bird Tilly noticed something simple but important that would change the course of her journey the bird's water bowl was empty Still Tilly saw this as more than just an empty plate She saw it as a small but important plea for help When she realized this she felt like she had more responsibilities To be kind she learned one must first pay attention and look beyond what people say to find the needs that are hidden in the world's quiet places Tilly saw more than just the broken and dry bottom of the bowl when she looked inside She saw an image of what it meant to be human The dust that had built up there suggested that it had been missed rather than being deliberately ignored For Tilly it was a wake up call that people who need help don't always know how to ask for it They suffer in silence hoping that someone will notice care and do something Tilly's first lesson in kindness was taught in this empty bowl a small unimportant part of the backyard The lesson stressed how important it is to think about other people especially those whose words aren't loud enough to be heard This lesson wasn't just about putting water in a bowl it was about meeting a need and understanding that all living things have basic needs that must be met before we can be kind to them Tilly felt like she had a reason for living She saw that there were lots of chances to make the world a better place a world she thought she knew The empty bowl

represented more than just thirst it also showed how much we need to care and act in a world that ignores even the smallest calls for help far too often The dry sandy area came to stand for Tilly's goal Truthfully being kind is more than just words and thoughts it made her remember that She learned that being kind isn't just an emotion but also a choice and a set of acts that come from having a strong sense of empathy and compassion She would use what she learned not only when she tried to help the bird but also whenever she talked to other people Tilly learned that she needed to listen with her whole being watch with her eyes and really want to help the people around her in order to meet their needs It was a turning point for Tilly when she stood in front of the empty water bowl Now she was able to step outside of her own life and see herself through the eyes of someone else She felt connected to the bird like they both knew what was important even though they were different The empty bowl made her feel connected which pushed her forward It made her want to do more than just fill the bowl It made her want to connect with others in a more caring and understanding way
