In this engaging text, the authors take readers beyond watching movies and demonstrate how to read films sociologically. In the process, students are exposed to major substantive areas of sociology and encouraged to critically think about their social world. The book's 27 essays from expert scholars in sociology and cultural studies explore the ways social life is presented, distorted, magnified, or politicized in popular film *Walking Them Home* Derrick Nearing, 2019-12-18 In July of 1994, Leading Seaman Derrick Nearing, a military medic, is urgently deployed to Rwanda, a country he has never heard of, sent on a mission halfway around the world that will colour the rest of his life. In the previous months, Rwanda has lost forty percent of its seven million people, either murdered or fleeing for their lives to neighboring countries to escape the Interahamwe genocide. The mission for Derrick and his fellow soldiers is simple: to help the reconnaissance team secure the ground vehicles and materials needed to establish a hospital facility. Once this is accomplished, 247 soldiers will join them from Canada on a humanitarian mission to assist the people of Rwanda in the wake of the genocide. The mission, dubbed Operation Passage, will help refugees walk back from Goma, Zaire, to return to their towns, villages, farms, and cities all over Rwanda. The Canadians will set up rest, water, and food points and medical aid stations along the major highway into the country. As the Rwandans return, the Canadian men and women will come to witness the horrific aftermath of a genocide and an abysmal stain on the United Nations and the nations of the world that didn't act when it was so desperately needed. Based on Nearing's daily journal entries, *Walking Them Home: A Soldier's Journey to Post War Rwanda* is an intimate view of one soldier's journey from initial optimism and excitement at being sent to help in a faraway land to a slow descent into PTSD and depression from the nightmarish memories he cannot escape ***The Long Walk Home***, 2003 **New York Magazine**, 1991-04-29 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country.
