Looking Back At The June 1967 War

Mitchell B. Lerner

Looking Back At The June 1967 War:

Looking Back at the June 1967 War Haim Gordon, 1999-07-30 This collection of essays by Israeli Palestinian and American scholars and activists examines the impact of the June 1967 War on Palestinians and Israelis alike in the thirty years following the war Israel became an occupying power in 1967 ruling more than one million Palestinians in territories it had captured Using military strength with the tacit agreement and support of the United States and other Western democracies Israel exploited and oppressed the Palestinians brutally suppressing their civil human and political rights This book evaluates and examines the injustices done to the Palestinians during this period In this first attempt to look back at those thirty years and assess what has happened to Israeli and Palestinian society the contributing scholars provide a critique of the prevailing Realpolitik in the Middle East and indeed the world today Bound to be controversial the collection will be of great interest to scholars and policy makers as well as concerned citizens interested in the contemporary Middle East

Looking Back at LBJ Mitchell B. Lerner, 2005 Lyndon Baines Johnson ascended to the presidency in the wake of tragedy to lead the United States through one of its most violent and divisive decades His troubled presidency was marked by endless controversies over civil rights the Vietnam War foreign policy and law and order issues among others Nearly four decades later it is now possible to reexamine those controversies to illuminate as never before the achievements and failures of one of the nation's most misunderstood presidents Drawing upon a wealth of new sources including recently released phone conversations these authors shine a bright and probing light on LBJ's beleaguered White House tenure Collectively they reinforce the image of Johnson as a highly complex president whose very real achievements have been overshadowed by character flaws and events well beyond his control Four chapters focus on LBJ's foreign policies including a positive appraisal of his handling of the 1964 Panama Crisis but less favorable assessments regarding the downhill slide into Vietnam the Six Day War and policies toward the communist bloc Yet the authors generally depict a president who contrary to conventional views did not allow his domestic agenda to overshadow his efforts as chief architect of foreign policy Five other chapters focus on aspects of LBJ's domestic policies that have been largely neglected women's rights Native Americans agriculture civil disorder and fiscal policy Whether responding to urban riots or balancing different versions of the 1964 Farm Bill Johnson emerges as a president who never lost sight of the political ramifications of his actions and whose legacy is often more complicated than is usually recognized All of these writings attest to the complexities of Lyndon Johnson a larger than life leader whose guiding principles can't always be reduced to the catch phrases he himself and others have employed The new perspectives and revelations they provide point students scholars and presidential buffs alike toward a much more enlightened view of this fascinating figure

A History of Modern Palestine Ilan Pappé, 2006-07-31 An update of the history of Palestine since the 1800s which includes recent dramatic events

Exploring Intelligence Archives R. Gerald Hughes, Peter Jackson, Len Scott, 2008-03-11 This edited volume brings together many of the world's leading scholars of

intelligence with a number of former senior practitioners to facilitate a wide ranging dialogue on the central challenges confronting students of intelligence The book presents a series of documents nearly all of which are published here for the first time accompanied by both overview and commentary sections The central objectives of this collection are twofold First it seeks to build on existing scholarship on intelligence in deepening our understanding of its impact on a series of key events in the international history of the past century Further it aims to explore the different ways in which intelligence can be studied by bringing together both scholarly and practical expertise to examine a range of primary material relevant to the history of intelligence since the early twentieth century This book will be of great interest to students of intelligence strategic and security studies foreign policy and international history

Elie Wiesel and the Politics of Moral Leadership Mark Chmiel, 2001 Chmiel also critically engages Wiesel's long standing defense of the State of Israel as well as his confrontations and collaborations with the U S government including the birth of the U S Holocaust Memorial Museum the 1985 Bitburg affair with President Reagan and U S intervention in the Balkans

BOOK JACKET Middle East Illusions Noam Chomsky, 2003 Discusses the history of the ongoing conflict between Israel and Palestine the involvement of the United States in the peace process and the changing face of terrorism in the twenty first century

Look Back in Hope Keith W. Clements, 2017-07-07 A child of China missionary parents Keith Clements looks back on a life rich in diverse experiences in many parts of the world as pastor theologian writer and servant of the ecumenical movement In so doing he finds hope for the creation of true community in the world of people among themselves with God and with creation That is what the gospel of Christ is all about what the church is about and indeed what God who lives and loves as three in one is all about He recalls instances of grace in which even amid conflict and tragedy people churches and communities discover the possibilities of new life together It is both a very human story of personal faith and an insider's account of ecumenical Christianity's quest for a more visibly united church and a world of peace and justice Famous influences like Dietrich Bonhoeffer and present day leaders such as Desmond Tutu figure prominently but so do so called ordinary people he has met over the years whether in an English village in communist East Germany or in a South African squatter camp who have shown by the way they live that another world and another kind of church is possible

Encyclopedia of the Palestinians Philip Mattar, 2005 Presents the history of modern Palestine and biographies of important Palestinians

Exile and Return Ann M. Lesch, Ian S. Lustick, 2008-10-28 The Israeli Palestinian and American contributors to this volume consider the catastrophic failure of the Oslo peace process and the years of bloody violence that ensued

The US, Israel, and Egypt Yehuda U. Banga, 2019-11-21 This book deals with the diplomatic triangle of Israel the United States and Egypt during the War of Attrition along the Suez Canal in 1969 1970 Considering the Egyptian president's political positions and outlooks on the Arab Israeli conflict and the pan Arab sphere relations with the United States the study reviews the internal disagreements between the State Department and Henry Kissinger the national security adviser in the White House The study demonstrates that the United

States and Egypt worked together to thaw their relations after the severance of ties in June 1967 motivated by a desire to protect and advance their interests in the Middle East The book is based chiefly on textual analysis of political and historical events in the domain of international relations but with the same attention to internal policy as well In addition the research draws chiefly on primary sources that have only recently been released to the general public and that have not yet been the subject of serious analysis The lion s share of the work is based on qualitative content analysis of documents from the National Archives in Washington and especially of the US State Department Providing a reading that is new comprehensive and complete both with regard to the scope of the sources as well as the analysis of developments in the relations between Egypt and the United States this book is a key resource for students and scholars interested in the Arab Israeli conflict political science and diplomacy Israeli studies and the Middle East
