They chanted Release Mandela. But for three young individuals their motives are their own. During a London Anti Apartheid march the Daily Mirror reporter Harry meets the impassioned Petronella a communist activist. Alongside her is Josiah Makoni a man spearheading his own cause to free his people from colonial Rhodesia. A country threatening to declare unilateral independence from Britain. Enamoured after his brief encounter Harry wants more. Why is this woman so intriguing when her political agenda is in direct contrast to her family background? The granddaughter of an English magnate and daughter of a privileged white Rhodesian farmer. Playing with Harry it becomes clear that Petronella and Josiah are lovers driving Harry ever more to win her over. But for Josiah his desire and passion are for his land. To break free of white oppression. To recruit freedom fighters and take back the power of his country Zimbabwe. No matter the unthinkable. The Best of Times is the ninth episode in the Brigandshaw Chronicles. It's the best of times for some but the start of a bitter war to come. **Amazing Places** Jeff Probst, 2015-08-04

Britain is home to fifteen species of breeding birds of prey from the hedgerow hopping Sparrowhawk to the breathtaking White tailed Eagle. In this handsomely illustrated book acclaimed British filmmaker and naturalist David Cobham offers unique and deeply personal insights into Britain's birds of prey and how they are faring today. He delves into the history of these magnificent birds and talks in depth with the scientists and conservationists who are striving to safeguard them. In doing so he profiles the writers poets and filmmakers who have done so much to change the public's perception of birds of prey. There are success stories five birds of prey that were extinct have become reestablished with viable populations but persecution is still rife. Featuring drawings by famed wildlife artist Bruce Pearson this book reveals why we must cherish and celebrate our birds of prey and why we neglect them at our peril.

Looking for Trouble and other Mostly Yeoville Stories Colleen Higgs, 2012. Looking for Trouble is a collection of short stories set in Yeoville from the mid 1980s to the early 1990s. The stories capture with a dark humour the lives of young people trying to make a go of things given the constraints of the country and the volatile period. Most of the stories have been published in literary magazines or in collections in South Africa the UK and Uganda. **Liberty for All?** Joy Hakim, 2003

Adventure AQEEL AHMED,2024-04-07 Stella s Stellar Adventure Stella chooses to go on a space adventure because she finds the tail of a comet interesting As she looks into the comet s secrets she and her trusty robot companion have fun and make new friends Bio Stella has a bright personality and her eyes light up with thoughts of exploring space She has always been interested in the beautiful night sky which has driven her to learn new things and try new things from a young age Stella has a huge imagination bigger than the world itself She often looks up at the sky and wonders what s beyond the moon and stars She makes up her mind to go on a dangerous trip into space to find the answers This will fulfill her wish and start a fun new journey Stella goes on an exciting trip with her robot friend who stands for her imagination and friendship These dynamic pairs are exploring space in ways that have never been seen before They are the perfect mix of scientific wonder and human desire Stella s search turns into a deep journey of self discovery as they go through the universe and face both dangers and wonders She learns the value of friendship in the middle of being alone the value of being brave in the face of the unknown and the beauty of looking at the world with eyes full of wonder Stella s story is inspiring because it shows that we can learn about the universe s wonders if we are curious brave and ask our friends for help Page 9 of 25 In Summary Stella s Stellar Adventure is a sweet story about friendship discovery and wonder that takes kids on an amazing journey through space We meet Stella at the beginning of the story She is a little girl who is very interested in the night sky She sees

a comet cutting through the sky which changes her life in an exciting way Its mysterious beauty interests her Stella sets out on an epic trip to find out more about the comet Stella s loyal robot friend stays with her as she continues her journey through space Their trip is an ode to the universe s wonders and the desire to find new things In a secret valley on Mars they find mysteries On the Moon old whispers tell them stories about the universe On Mars they dance through an asteroid belt where each rock hums its own cosmic tune As the couple speeds through Saturn s rings they see how stars are formed in a beautiful cloud hear the comet they ve been following sing by itself and almost get sucked into an unimaginable black hole Stella learns new things and faces new challenges in each area which helps her grow and understand the world better Stella and her robot have their most important contact on a faraway planet where they learn from friendly aliens about how all living things are connected and different at the same time Like the other meetings this one stresses unity bravery and the insatiable human need to know and understand the unknown She comes back to Earth at the end of her trip through the galaxy full of amazing stories and lessons she learned while she was away Stella is still very interested in learning even though the trip is over After she gets back she sees the night sky not as a faraway work of art that she can t understand but as a call to endless journeys and chances Stella s Stellar Adventure tells kids to have big dreams value their relationships and always ask questions about the world they live in It s not just a story about going into space Stella thinks of the world as a beautiful interesting and never ending place to learn This makes her think of the journey that people who are brave enough to look beyond will go on Page 10 of 25 Chapter 1 Comet s Night Stella was amazed as she looked up at the sky on a clear quiet night The stars were shining like tiny lanterns and the sky was a deep dark blue On this particular night she saw something very beautiful The sky was filled with a comet that was as bright as the moon Its tail flashed with colors Stella had never seen before leaving a bright path of color behind it As it moved through space the comet left behind a sparkling path where red blue green and purple colors mixed Stella felt a spark of excitement ignite inside her She was full of wonder and couldn t stop asking questions She said I have to find out where it s going She thought the comet was calling to her luring her to go on an exciting journey with its mysterious beauty and hypnotic path Stella knew that this was a unique chance to see something in the universe She was very interested in following the comet figuring out what it was and figuring out its path Stella saw the comet going through asteroid belts and cosmic clouds above planets and stars and deeper into the unknown with each second that went by With its rainbow of colors the comet s tail looked like a map of the universe s secrets and undiscovered wonders Each glimmer could help us figure out one of the secrets that lie beyond Stella was excited about the idea of going on a space journey to follow the comet and learn about the stories it might hold Stella made a choice that would change her life because she liked to try new things and was eager to learn She wouldn t just watch the comet from her garden she would go after it going into space to follow its tail and find out where it was going Stella stuck to her promise even though the idea was controversial and might be dangerous She was ready to go on an amazing trip to find new places

and learn about the universe's great mysteries After she made her choice Stella's mind was full of plans and thoughts How could she find the comet What secrets would she find along the way Without a doubt the trip would be hard and full of both pleasures and difficulties Stella on the other hand showed no fear She liked to try new things and was very interested in the universe so she was ready to take on anything it had to offer On the night of the comet she felt like she wanted to learn more about the world and figure out its mysteries again She was about to start her trip through space

Page 11 of 25 Chapter 2 A Friend in the Loft Stella was amazed as she looked up at the sky on a clear quiet night The stars were shining like tiny lanterns and the sky was a deep dark blue On this particular night she saw something very beautiful The sky was filled with a comet that was as bright as the moon Its tail flashed with colors Stella had never seen before leaving a bright path of color behind it As it moved through space the comet left behind a sparkling path where red blue green and purple colors mixed Stella felt a spark of excitement ignite inside her She was full of wonder and couldn't stop asking questions She said I have to find out where it's going She thought the comet was calling to her luring her to go on an exciting journey with its mysterious beauty and hypnotic path Stella knew that this was a unique chance to see something in the universe She was very interested in following the comet figuring out what it was and figuring out its path Stella saw the comet going through asteroid belts and cosmic clouds above planets and stars and deeper into the unknown with each second that went by With its rainbow of colors the comet's tail looked like a map of the universe's secrets and undiscovered wonders Each glimmer could help us figure out one of the secrets that lie beyond Stella was excited about the idea of going on a space journey to follow the comet and learn about the stories it might hold Stella made a choice that would change her life because she liked to try new things and was eager to learn She wouldn't just watch the comet from her garden she would go after it going into space to follow its tail and find out where it was going Stella stuck to her promise even though the idea was controversial and might be dangerous She was ready to go on an amazing trip to find new places and learn about the universe's great mysteries After she made her choice Stella's mind was full of plans and thoughts How could she find the comet What secrets would she find along the way Without a doubt the trip would be hard and full of both pleasures and difficulties Stella on the other hand showed no fear She liked to try new things and was very interested in the universe so she was ready to take on anything it had to offer On the night of the comet she felt like she wanted to learn more about the world and figure out its mysteries again She was about to start her trip through space
