David Gere

Looking Out For Lindy:

Looking Out David Gere, 1995 *Looking Out* is the first collection of writings to address the impact of multiculturalism on the dance world. It is unique in offering various perspectives enlisting leading dance critics, performers, choreographers, and academics in a wide-ranging discussion of how dance from around the world can be better understood. Inspired by a groundbreaking 1990 conference of the Dance Critics Association, the book consists of a series of essays each addressing a different facet of the problems and possibilities of multiculturalism.

Just Girls Rachel Gold, 2014-09-08 Jess Tucker sticks her neck out for a stranger; the buzz is someone in the dorm is a trans girl. So Tucker says it's her even though it's not to stop the finger pointing. She was an out lesbian in high school and she figures she can stare down whatever gets thrown her way in college. It can't be that bad. Ella Ramsey is making new friends at Freytag University, playing with on-campus gamers and enjoying her first year, but she's rocked by the sight of a slur painted on someone else's door. A slur clearly meant for her if they'd only known. New rules, old prejudices, personal courage, private fear. In this stunning follow-up to the groundbreaking *Being Emily*, Rachel Gold explores the brave, changing landscape where young women try to be Just Girls.

Humacabra D K Alvey, 2021-10-29 Have you ever wondered what people who live in small towns do? At first glance, *Watering Hole* is a quaint little settlement like most in Middle America. A single main street runs through it. There are a handful of well-kept older houses and lawns, friendly neighbors, folks who are always willing to help their neighbor in need, and kids that say "Yes ma'am. No ma'am, and Yes sir. No sir." But something isn't quite as it seems on the surface. Something is really quite different and not so quaint about *Watering Hole*. What is lurking below the surface? Come along with the author as she spins her nightmare into the world.

The Rene Gutteridge Suspense Collection: Listen / Possession / Misery Loves Company Rene Gutteridge, 2019-11-05 This collection bundles three of Rene Gutteridge's suspense novels into one e-book for a great value.

Listen Nothing ever happens in the small town of Marlo until the residents begin seeing their private conversations posted online for everyone to read. Then it's neighbor against neighbor, friend against friend, as paranoia and violence escalate. The police scramble to identify the person responsible for the posts and pull the plug on the Website before it destroys the town. But what responsibility do the people of the town have for the words they say when they think no one is listening? Life and death are in the power of the tongue.

Possession In the aftermath of investigating the D.C. sniper case, police detective Vance Graegan is burned out on life and love. Hoping to save his marriage, he quits the force and moves his wife and son to the other side of the country. But when the movers decide to hold his belongings for ransom, Vance is determined to ensure that his family's new beginning is not ruined. Soon, though, losing his possessions becomes the least of his problems as everything they are fighting for begins to unravel in the hands of Vance's past. In an unforgettable climax, a little boy's innocent faith brings a group of desperate people to their knees. What is at stake counts for everything, but nothing can prepare Vance for who is behind it.

Misery Loves Company Don't tell me it's terrifying. Terrify me. Filled with grief, Jules Bellenore rarely leaves the house.

since her husband's death while on duty as a police officer Other than the reviews Jules writes on her blog she has little contact with the outside world But one day when she ventures out to the local grocery store Jules bumps into a fellow customer and recognizes him as her favorite author Patrick Reagan Jules gushes and thoroughly embarrasses herself before Reagan graciously talks with her And that's the last thing she remembers until she wakes up in a strange room with a splitting headache She's been kidnapped And what she discovers will change everything she believed about her husband's death her career and her faith *The Hidden Sovereign 1* Ethan,2024-12-24 *Conspiracy in Yellowstone* L.
