left the Toiyabe National Forest to go on active duty in the Navy That was twenty six years ago Should I be doing this Sure I answered my own question I d started out in the old Forest Service where everybody did everything I d done this many times before in the days before fire shirts and Nomex britches and fire shelters I d had five fire seasons on the Toiyabe been on a couple big fires I knew this business I knew how to keep out of trouble About the time I resolved that little issue I was at the fire     Hiking Washington Oliver Lazenby,2020-06-01 Lace up your boots and sample more than fifty hikes in spectacular Washington with its densely forested trails abundant wildlife lush foliage and hundreds of miles of cascading streams Inside this new edition you ll find up to date trail information detailed maps and clear directions from major access points as well as information on nearby lodging restaurants and events Whether you re a day tripper or long distance hiker old hand or novice you ll find trails suited to every ability and interest throughout Washington state Look inside to find Hikes suited to every ability Mile by mile directional cues Difficulty ratings trail contacts fees permits and best hiking seasons An index of hikes by category including easy day hikes and hikes to waterfalls Invaluable trip planning information including local lodging and campgrounds Full color photos throughout     *The Mountaineer* ,1981     **The Publishers Weekly** ,1981     National Woodlands ,1982     **American Bookseller** ,1981     **Appalachia** ,1986
