The Brain ,2009 **Consciousness and Action Control** T. Andrew Poehlman,Ezequiel Morsella,2014-11-03 The basic nuts and bolts underlying human behavior remain mysterious from a scientific point of view Everyday acts naming an

object suppressing the urge to say something or grabbing a waiter's attention with a cappuccino please remain difficult to understand from a mechanistic standpoint. Despite these challenges, research has begun to illuminate not only the basic processes underlying human action production but the role of conscious processing in the control of behavior. This Research Topic, Consciousness and the Control of Action, is devoted to surveying and synthesizing these developments from disparate fields of study.

The Concise New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2014-11-27

The Concise New Partridge Dictionary of Slang and Unconventional English presents all the slang terms from The New Partridge Dictionary of Slang and Unconventional English in a single volume. Containing over 60,000 entries, this concise new edition of the authoritative work details the slang and unconventional English of from around the English speaking world since 1945 and through the first decade of the new millennium with the same thorough, intense and lively scholarship that characterized Partridge's own work. Unique, exciting and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland and the Caribbean, emphasis on post World War II slang and unconventional English, dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this second edition, a new preface noting slang trends of the last eight years, over 1,000 new entries from the US, UK and Australia reflecting important developments in language and culture, new terms from the language of social networking from a range of digital communities including texting, blogs, Facebook, Twitter and online forums, many entries now revised to include new dating and new glosses ensuring maximum accuracy of content. The Concise New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning; it's rude, it's delightful and it's a prize for anyone with a love of language.
