Lord Given Lovers The Holy Union Of David And Jonathan:

Lord Given Lovers Christopher Hubble, 2003-10 The Holy Union of David and Jonathan is a provocative biblical story of passion and political intrigue LGBT readers will discover a story that will help them find self acceptance and constructively challenge the prejudice of religious homophobes David and Jonathan formed a magnificent and beautiful partnership that they apparently intended to last for a lifetime Theirs was a loving and committed relationship The failure of our culture to recognize the intrinsic divinity of homosexuality and the sanctity of our relationships is the central dilemma challenging lesbian gay bisexual and transgendered people Our society s civil morality is informed by the religious mores of our culture A redefined cultural and societal understanding of same sex love derived from and supported by the Bible a widespread knowledge of the holy union of David and Jonathan will have a profound impact on the long term success of our justice movement

The Love of David and Jonathan James E. Harding, 2016-04-08 Were David and Jonathan gay lovers This very modern question lies behind the recent explosion of studies of the David and Jonathan narrative Interpreters differ in their assessment of whether 1 and 2 Samuel offer a positive portrayal of a homosexual relationship Beneath the conflict of interpretations lies an ambiguous biblical text which has drawn generations of readers from the redactors of the Hebrew text and the early translators to modern biblical scholars to the task of resolving its possible meanings What has not yet been fully explored is the place of David and Jonathan in the evolution of modern Western understandings of same sex relationships in particular how the story of their relationship was read alongside classical narratives such as those of Achilles and Patroclus or Orestes and Pylades The Love of David and Jonathan explores this context in detail to argue that the story of David and Jonathan was part of the process by which the modern idea of homosexuality itself emerged

 The entire Holy Bible rewritten as parody The history poetry gospels prophets of the Old Testament letters of the New Testament the entire thing rewritten to make you laugh as it points out the lunacy immorality and horror of the good book Audacious sacrilegious blasphemous scandalous but most of all hilarious as long as you are not one who takes this book of mythology seriously You may learn more about the Bible by reading this version than by reading the original Treatise on the Love of God Saint Francis de Sales,Aeterna Press,2017-05-28 THE following Treatise presents at first sight considerable difficulties They do not arise from any defect in the Saint s mode of expression but are inherent in his subject and manner of treatment going deep down into the roots of the Love of God Thus he speaks in his Preface and continues The first four books and some chapters of the others might doubtless have been omitted without disadvantage to such souls as seek only the practice of holy love I have been forced to say many things which will appear more obscure than they are The depths of science are always somewhat hard to sound But he tells us that the state of the minds of his age required this deeper treatment and whatever may be thought as to the best way of presenting modern religious teaching to an age so ignorant so shallow and so unthinking as is our own with regard to spiritual truths there can be no question that this masterpiece of the chief doctor of ascetic theology must not be brought down to our level but that we must raise ourselves towards it Aeterna Press **Falling in Love with God** ,2007-06 An Adaptation of the Introduction to the Devout Life for Young People French Oblate of St Francis de Sales Michel Tournade writing originally in his native French has ADOPTED the personal approach of his mentor and spiritual director St Francis de Sales in writing to today s young adults He follows the thoughts of DeSales classic writing Introduction to the Devout Life which has never been out of print since its first publication in 1609 Francis de Sales 1567 1622 a contemporary of William Shakespeare Galileo and St Robert Bellarmine was Jesuit educated with a doctorate in both civil and church law At the age of 35 he became the Bishop of Geneva and spent 20 years reforming clergy and parishes advocating education and the call to holiness for everyone especially the laity There is reason to believe that Francis wrote more than 10 000 letters of spiritual direction to men women lay and religious 2500 of which we have access to today In both his Introduction to the Devout Life and Treatise on the Love of God he writes so personally as if addressing a friend It is exactly this style that Fr Tournade brings to Falling in Love with God allowing Francis to once again speak to today s young audience **The Church of England Pulpit, and Ecclesiastical Review** ,1897 The Holy Court ...
