IN SEARCH OF LOST TIME - Complete 7 Book Collection (Modern Classics Series) Marcel Proust, 2023-12-11

Marcel Proust's monumental work *In Search of Lost Time* explores the intricacies of memory, time, and human experience across its seven-volume collection. Written in a distinctive introspective style characterized by lengthy and intricately structured sentences, Proust immerses readers in the narrative tapestry of his characters' lives. The work encapsulates the essence of the modernist literary movement, delving into themes of self-reflection, social dynamics, and the often elusive nature of happiness, all set against the backdrop of early 20th-century French society. Each volume intricately layers Proust's rich prose with philosophical inquiries, creating a profound exploration of consciousness and the passage of time.

Marcel Proust (1871-1922), a French author and critic, was deeply influenced by his own experiences with love, loss, and the social stratifications of his time. Proust's bourgeois upbringing, coupled with his keen observation of the Parisian elite, informs the depth and authenticity of the novel's characters and settings. His multifaceted exploration of these themes reflects his own struggles with illness and the fleeting nature of personal reflections, prompting his desire to encapsulate fleeting moments and memories through literature. *In Search of Lost Time* is a literary odyssey that transcends mere storytelling; it invites readers into the depths of human consciousness. Ideal for those who appreciate profound literary exploration or wish to gain insight into the complexities of memory and identity, this complete collection stands as one of the most significant achievements in literary history.

The Complete Novels of George MacDonald (Illustrated) George MacDonald, 2024-01-09

The Complete Novels of George MacDonald Illustrated is an anthology that compiles the complete works of one of the most influential figures in Victorian literature. MacDonald's novels exhibit a rich tapestry of fantasy and realism, blending deep theological reflections with enchanting narratives that explore themes of love, redemption, and the nuances of the human experience. The elegant prose is imbued with allegorical depth, inviting readers to delve into the mystical realms and moral landscapes of his imagination. Enhanced by illustrations, this collection underscores the imaginative worlds he conjured, reflecting both the period's aesthetic sensibilities and his commitment to the transformative power of storytelling.

George MacDonald (1824-1905) was a Scottish author, poet, and theologian whose literary career was significantly influenced by his own struggles with faith and spirituality. His works often stemmed from a desire to integrate morality with creative expression, shaped by his friendships with contemporaries such as Lewis Carroll and the Pre-Raphaelite Brotherhood. Tolkien, with whom he shares a commitment to infusing spirituality into their narratives.
