The Gold Standard in Evidence Based Gynecologic Health Care

Gynecologic Health Care With an Introduction to Prenatal and Postpartum Care continues to set the standard for evidence based gynecologic health care and well being in an extensively updated fourth edition As in prior editions the text presents gynecologic health care using a holistic and person centered approach Encompassing both health promotion and management of gynecologic conditions it provides clinicians and students with a strong foundation in gynecologic care and the knowledge necessary to apply it in clinical practice With an emphasis on the importance of respecting the normalcy of physiology it is an essential reference for all midwives nurse practitioners physician assistants and other clinicians who provide gynecologic health care Written by award winning clinicians and educators Gynecologic Health Care covers the topics clinicians and students need to know Additional chapters provide an overview of prenatal and postpartum care including anatomic and physiologic adaptations of normal pregnancy and common complications of pregnancy The Fourth Edition features three new chapters Racism and Health Disparities Male Sexual and Reproductive Health and Preconception Care All chapters have been thoroughly revised and updated to reflect current standards of care Promotes a holistic approach that considers each patient s well being within the context of their life rather than focusing only on diagnosis and treatment Expanded content supports the provision of gender inclusive health care New chapters provide a foundation to help clinicians address racism and race associated health disparities provide sexual and reproductive health care to men and ensure a comprehensive approach to preconception health promotion Contributors and reviewers are expert clinicians educators and scientists who recognize the importance of evidence based practice Instructor resources include Powerpoint Lecture Slides and a Test Bank Reproductive and Women s Health Advanced Health Assessment of Women Primary Care Women Sexual and Reproductive Health Women s Health II Diagnosis Mgmt In Advanced Nursing Practice Family Health Nursing III Health and Illness in Women Primary Health Care II Women Health Promotion and Reproductive Health Clinical Management Theory II Seminars in Advanced Women s Health 2022 500 pages **Every Third Woman in America: How Legal Abortion Transformed Our Nation** David A. Grimes, MD, Linda G. Brandon, 2014-12-16

Every Third Woman in America How Legal Abortion Transformed Our Nation tells the forgotten story of the transition from the back alley to safe care after Roe v Wade was enacted in 1973 The legalization of abortion resulted in prompt and dramatic health improvements for women children and families but an entire generation of Americans has grown up unaware of the harsh and unnecessary tragedies of back alley abortions Current attacks on safe legal abortion at the state level are designed to return women to those desperate dangerous days before abortion was legalized One of the world s leading abortion scholars

Dr Grimes chronicles the public health story of legal abortion in America and the harms women face at the mercy of state laws restricting access to care He shares the stories of his patients seeking abortion and how they and their families benefited
