## **Modern Arabic Poetry An Anthology With E:**

*Modern Arabic Poetry* Salma Khadra Jayyusi, 1987 After centuries of oppressive Ottoman rule the Arab world began to find new vitality and freedom in the twentieth century The accompanying resurgence of creative expression is splendidly reflected in this definitive anthology of contemporary Arabic poetry which spans the modern Arab world from the turn of the century to the present from the Arab Gulf to Morocco The editor Salma Khadra Jayyusi a renowned expert on modern Arabic literature presents a thorough introduction to the works of more than ninety Arab poets To create the best possible English translation each selection has been translated first by a bilingual expert and then by an English language poet who creatively renders it into idiomatic English *An Anthology of Modern Arabic Poetry* Mounah A. Khouri, Hamid Algar, 2023-11-10 This bilingual anthology is the first attempt to present a substantial collection of contemporary Arabic poetry in the English language It acquaints the English speaking reader with the modern development of one of the world's major poetic traditions and affords insight into the contemporary cultural situation of the Arab peoples English translations of Arabic poetry have suffered from aspirations to geographic completeness of representation and excessive concern with the Neo Classicist school The present anthology regards poetic quality as the primary criterion of selection and displays an emphatic interest in the poets of free verse It presents three successive generations the Syro Americans the Egyptian modernist and the poets of free verse movement linked together by a progressive shift from emphasis on form to emphasis on content and form a relatively detached portrayal of the outside world to a concern with the expression of individual experience Numerous contemporary poets make their first appearance in English some of them having written pieces specially for this anthology It is hoped that the bilingual character of the anthology will suit it for use by students of Arabic literature At the same time the book is intended for a wider readership with general poetic and literary interests An important criterion in composing the anthology was the viability of a poem in its English translation as a piece of literature as well as the excellence of its Arabic original if the translators have been successful in applying this criterion the anthology should afford much aesthetic pleasure The work should be of considerable interest also to students of comparative literature as it demonstrates the influence on modern Arab letters of several Western poets notably Eliot Yeats and Pound This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1974 **Modern Arabic Poetry**, 1967 **Modern Arabic Literature** Paul Starkey, 2014-03-11 An introduction to Modern Arabic Literature from the beginning of the nineteenth century to the present *The Princeton Encyclopedia of Poetry and Poetics* Roland Greene, Stephen Cushman, Clare Cavanagh, Jahan Ramazani, Paul Rouzer, Harris Feinsod, David Marno, Alexandra Slessarev, 2012-08-26 Rev ed of The Princeton encyclopedia of poetry and poetics Alex Preminger and T V F Brogan co
