Matthews, 2013-03-25 This cutting edge Companion is a comprehensive resource for the study of the modern American novel Published at a time when literary modernism is being thoroughly reassessed it reflects current investigations into the origins and character of the movement as a whole Brings together 28 original essays from leading scholars Allows readers to orient individual works and authors in their principal cultural and social contexts Contributes to efforts to recover minority voices such as those of African American novelists and popular subgenres such as detective fiction Directs students to major relevant scholarship for further inquiry Suggests the many ways that modern American and fiction carry new meanings in the twenty first century

Sounds of the Citizens Anne M. Galvin, 2014-06-30 Dancehall it s simultaneously a source of raucous energy in the streets of Kingston Jamaica a way of life for a group of professional artists and music professionals and a force of stability and tension within the community Electronically influenced relevant to urban Jamaicans and highly danceable dancehall music and culture forms a core of popular entertainment in the nation As Anne Galvin reveals in *Sounds of the Citizens* the rhythms of dancehall music reverberate in complicated ways throughout the lives of countless Jamaicans Galvin highlights the unique alliance between

the dancehall industry and community development efforts As the central role of the state in supporting communities has diminished the rise of private efforts such as dancehall becomes all the more crucial The tension however between those involved in the industry and those within the neighborhoods is palpable and often dangerous Amidst all this individual Jamaicans interact with the dancehall industry and its culture to find their own paths of employment social identity and sexual mores As *Sounds of the Citizens* illustrates the world of entertainment in Jamaica is serious business and uniquely positioned as a powerful force within the community *Liquor Store Theatre* Maya Stovall,2020-10-09 For six years Maya Stovall staged *Liquor Store Theatre* a conceptual art and anthropology video project included in the Whitney Biennial in 2017 in which she danced near the liquor stores in her Detroit neighborhood as a way to start conversations with her neighbors In this book of the same name Stovall uses the project as a point of departure for understanding everyday life in Detroit and the possibilities for ethnographic research art and knowledge creation Her conversations with her neighbors which touch on everything from economics aesthetics and sex to the political and economic racism that undergirds Detroit s history bring to light rarely acknowledged experiences of longtime Detroiters In these exchanges Stovall enacts an innovative form of ethnographic engagement that offers new modes of integrating the social sciences with the arts in ways that exceed what either approach can achieve alone *Vibes Up* Sabia McCoy-Torres,2024-08-13 This book focuses on reggae dancehall culture and West Indian historic and contemporary migration to Costa Rica and Brooklyn It centers an analysis of migration diaspora queerness Blackness affect and Caribbean cultural subjectivity using reggae dancehall culture as an ethnographic lens The author unveils underexplored forms of resistance negotiations of gender and sexuality and creation of informal cultural institutions with transnational ties *Hemispheric Blackface* Danielle Roper,2025-04-18 In *Hemispheric Blackface* Danielle Roper examines blackface performance and its relationship to twentieth and twenty first century nationalist fictions of mestizaje creole nationalism and other versions of postracialism in the Americas Challenging both the dominance of the US minstrel tradition and the focus on the nation in blackface studies Roper maps a hemispheric network of racial impersonation in Peru Bolivia Colombia Jamaica Cuba and Miami She analyzes blackface performance in the aftermath of the turn to multiculturalism in Latin America the emergence of modern blackness in Jamaica and the rise of Barack Obama in the United States showing how blackface remains embedded in cultural entertainment Contending that the Americas are linked by repeating nationalist fictions of postracialism colorblindness and myths of racial democracy Roper assesses how acts of impersonation mediate the ongoing power of these narratives and enable people to comprehend advancements and reversals in racial equality Rather than simply framing blackface as liberatory or oppressive Roper traces its emergence from a shared history of slavery and the varied politics of racial enjoyment throughout the hemisphere **The Psychology of Skin Bleaching** Christopher A.D.
