heritage has influenced nine major Scottish writers of this century Hugh MacDiarmid Lewis Grassie Gibbon Neil Gunn John Buchan Naomi Mitchison David Lindsay Eric Linklater Edwin Muir and George Mackay Brown throwing new light on aspects of Scottish identity and literary trends especially in the period of the Scottish Renaissance 1920 50 Scottish Skalds and Sagamen provides a new and stimulating contribution to the ongoing debate on the nature and sources of modern Scottish identity and Scottish literature 4 me de couverture **Modern Scottish Literature** Saltire Society, James Macarthur Reid, 1945 **Beyond Identity** Attila Dósa, 2009 In *Beyond Identity* thirteen of Scotland's best known poets reflect upon the theoretical practical and political considerations involved in the act of writing They furnish a unique guide to contemporary Scottish poetry discussing a range of issues that include nationhood education language religion landscape translation and identity John Burnside Robert Crawford Douglas Dunn Kathleen Jamie Edwin Morgan Kenneth White and others together with such noted experimentalists as Frank Kuppner Tom Leonard and Richard Price explore questions about the relationship between social economic and ecological realities and their poetic transformation These interviews are set within the altered political context that followed from the re-establishment of a Scottish Parliament in 1999 and the potential of a renewed engagement with wider European culture Attila Dosa is Senior Lecturer at the Department of English at the University of Miskolc in northern Hungary *The Edinburgh Companion to Contemporary Scottish Literature* Berthold Schoene-Harwood, 2007 This title examines the ways in which the cultural and political role of Scottish writing has changed since the country's successful referendum on national self rule in 1997 Scottish Literature Since 1707 Marshall Walker, 2017-07-12 Marshall Walker's lively and readable account of the highs and lows of Scottish literature from this important date to the present addresses the important themes of democracy power and nationhood Disposing of stereotypical ideas about Scotland and the Scots this fresh approach to Scottish literature provides a critical interpretation of its distinctive style and presents the reader with an informative introduction to Scottish culture Coverage includes the Scottish enlightenment and the world of Boswell and David Hume to the Scottish Renaissance associated with Hugh MacDiarmid Developments in the contemporary literary scene include John McGrath's theatre Company and the fiction and poetry of Alastair Gray and Ian Crichton Smith Particular attention is given to the work of Scottish women writers such as Lady Grizel Baillie and Liz Lochhead who have been much neglected in previous literature *The Literary Culture of Early Modern Scotland* Sebastiaan Verweij, 2016-03-24 This study presents a history of the literary culture of early modern Scotland 1560 1625 based on extensive study of the literary manuscript It argues for the importance of three key places of production of such manuscripts the royal court burghs and towns and regional houses stately homes but also minor lairdly and non aristocratic households This attention to place facilitates a discussion of respectively courtly urban or civic and regional literary cultures Sebastiaan Verweij's methodology stems from bibliographical scholarship and the study of the History of the Book and more specifically from a school of manuscript research that has invigorated early modern English literary criticism

over the last few decades The Literary Culture of Early Modern Scotland will also intersect with a programme of reassessment of early modern Scottish culture that is currently underway in Scottish studies Traditional narratives of literary history have often regarded the Reformation of 1560 as heralding a terminal cultural decline and the Union of Crowns of 1603 with the departure of king and court was thought to have brought the briefest of renaissances in the 1580s and 1590s to an early end This book purposefully straddles the Union in order to make possible the rediscovery of Scotland's refined and sophisticated renaissance culture

Ethically Speaking, 2006-01-01 As politics and cultures interact within an increasingly diverse Scotland and differences in values become more evident across generations the need for clear understanding and cooperation within and between communities becomes a pressing issue This relates both to local and larger concerns language violence morality gender and sexuality education ethnicity truth and lies The chapters gathered here focus on significant Scottish writers of the late twentieth and early twenty first centuries Edwin Morgan A L Kennedy Liz Lochhead John Burnside Jackie Kay Robin Jenkins Muriel Spark William McIlvanney Ali Smith James Kelman and others and the communities described are certainly Scottish but the issues raised are universal Questions are asked about the relationship of the individual to others and therefore on a larger scale about the means through which any community is both constructed and sustained linguistically spiritually ethically If their multiple voices evoke a zigzag of contradictions it is at any rate a creative zigzag which discovers or uncovers many contradictory aspects of life in modern Scotland that should particularly be brought to light in a re emergent nation Ethically speaking Scottish writers point out the need to attend to many different narratives and retellings in order that Scots might live more honestly and clear sightedly with themselves and with the wider world
