Modern U. S. Navy Submarines - ECS Robert Genat Robin Genat, Color views torpedo and sonar rooms control centers and training facilities plus the details of life on board during months long missions **Vision, Presence, Power** United States. Navy Department,2004 **Vision, Presence, Power** United States. Department of the Navy,2004 **Subnotes** ,1988 Books in Print ,1991 *Defense & Diplomacy* ,1991 *Journal of Defense & Diplomacy* ,1989 *Underwater Domain Awareness* Prakash Panneerselvam,Rajaram Nagappa,R Ganesh,2022-05-09 This book presents a comprehensive analysis of the emerging underwater challenges facing India in the Indian Ocean region With major economic powers like China the United States and Russia modernising their submarine fleets and building advanced unmanned underwater vessels to enhance surveillance capabilities the competition in the Indo Pacific underwater domain has intensified The book Focuses on the issues of detecting tracking and classifying submarines underwater drones in the Indian Ocean Examines the Indian Navy s present anti submarine warfare ASW capabilities in combating underwater threats and discusses the scope for inter agency inter departmental cooperation framework to monitor the undersea activity in the region Studies the naval composition and strengths of India and other countries in the neighbourhood and reviews maritime domain awareness practices employed by leading navies including NATO for submarine detection Assesses the technology development efforts to deal with these challenges and brings out recommendations An expert study of undersea surveillance this book will be indispensable to students and researchers of military and strategic studies defence studies critical security conflict resolution intelligence studies and security studies It will also be of interest to governments naval establishments think tanks and public policy institutes **Fighting the Great War at Sea** Norman Friedman,2014-10-22 The overriding image of the First World War is the bloody stalemate of the Western Front but although much of the action did occur on land the overall shape of the war _ even the inevitability of British participation _ arose out of its maritime character It was essentially a struggle about access to worldwide resources most clearly seen in the desperate German attempts to deal with the American industrial threat which ultimately levered the United States into the war and thus a consequence of British sea control rn This radical new book concentrates on the way in which each side tried to use or deny the sea to the other and in so doing it describes rapid wartime changes not only in ship and weapon technology but also in the way naval warfare was envisaged and fought Combat produced many surprises some like the impact of the mine and torpedo are familiar but this book also brings to light many previously unexplored subjects like creative new tactical practices and improved command and control rn The contrast between expectation and reality had enormous consequences not only for the course of the war but also for the way navies developed afterwards This book melds strategic technical and tactical aspects to reveal the First World War from a fresh perspective but also demonstrates how its perceived lessons dominated the way navies prepared for the Second
