

WHAT IS MODERNISM?

Modernism was a cultural and artistic movement that emerged in the late 19th and early 20th century.

It rejected traditional values and sought to create new forms of expression.

Modernist artists and writers experimented with new techniques and styles, breaking away from the conventions of the past.

They aimed to capture the complexities of the modern world and explore the inner workings of the human mind. Modernism was characterized by its focus on individualism, self-expression, and a rejection of the old ways of thinking.
