A SOCIAL AND POLITICAL HISTORY

Ralph LaRossa

Modernization Of Fatherhood A Social And Political History

Ralph LaRossa

Modernization Of Fatherhood A Social And Political History:

The Modernization of Fatherhood Ralph LaRossa, 1997 The period between World War I and World War II was an important time in the history of gender relations and of American fatherhood Revealing the surprising extent to which some of yesterday s fathers were involved with their children The Modernization of Fatherhood recounts how fatherhood was reshaped during the Machine Age into the configuration we know today LaRossa explains that during the interwar period the image of the father as economic provider pal and male role model all in one became institutionalized Using personal letters and popular magazine and newspaper sources he explores how the social and economic conditions of the Roaring Twenties and the Great Depression a period of technical innovation as well as economic hardship fused these expectations into a cultural ideal With chapters on the U S Children s Bureau the fathercraft movement the magazine industry and the development of Parent s Magazine and the creation of Father s Day this book is a major addition to the growing literature on masculinity and fatherhood

Fatherhood in Late Modernity Mechtild Oechsle, Ursula Müller, Sabine Hess, 2012-08-09 Changes in Fatherhood How do structural changes in the welfare state in gender relations and work affect concepts and realities of fatherhood The authors analyse cultural images and representations of fatherhood varieties of fatherhood in relation to social backgrounds organisational influences as well as the impact of political and legal interventions on configurations of fatherhood With an interdisciplinary approach this book s contributions investigate the sometimes contradictory relationship between cultural representations and social practices of fatherhood They contextualise diverse fatherhoods in various social backgrounds ethnicities ages and different national contexts Reflecting methodological challenges is crucial to the volume s approach Which parameters are used to quantify change Which links and interactions between cultural individual organizational and societal dimensions do exist regarding the development of new social configurations of fatherhood How can the complex interaction between structural constraints and agency be analysed Can certain agents of change be identified How can social change be conceptualized This volume links to international comparative research and shows how fruitful it can be to break disciplinary boundaries

The Social History of the American Family Marilyn J. Coleman, Lawrence H. Ganong, 2014-09-02 The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s The four volumes of The Social History of the American Family explore the vital role of the family as the fundamental social unit across the span of American history Experiences of family life shape so much of an individual s development and identity yet the patterns of family structure family life and family transition vary across time space and socioeconomic contexts Both the definition of who or what counts as family and representations of the ideal family have changed over time Available in both digital and print formats this carefully balanced academic work chronicles the social cultural economic and political aspects of American families from the colonial period to the present Key themes include families and culture including mass media families and religion families and the economy

families and social issues families and social stratification and conflict family structures including marriage and divorce gender roles parenting and children and mixed and non modal family forms and family law and policy Features Approximately 600 articles richly illustrated with historical photographs and color photos in the digital edition provide historical context for students A collection of primary source documents demonstrate themes across time The signed articles with cross references and Further Readings are accompanied by a Reader s Guide Chronology of American Families Resource Guide Glossary and thorough index The Social History of the American Family is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions Key Themes Families and Culture Families and Experts Families and Religion Families and Social Change Families and Social Issues Problems Crises Families and Social Media Families and Social Stratification Social Class Families and Technology Families and the Economy Families in America Families in Mass Media Families Family Life Social Identities Family Advocates and Organizations Family Law and Family Policy Family Theories History of American Families

Family Men Laura King,2020-01-09 Fathers are often neglected in histories of family life in Britain Family Men provides the first academic study of fathers and families in the period from the First World War to the end of the 1950s It takes a thematic approach examining different aspects of fatherhood from the duties it encompassed to the ways in which it related to men s identities The historical approach is socio cultural each chapter examines a wide range of historical source materials in order to analyse both cultural representations of fatherhood and related social norms as well as exploring the practices and experiences of individuals and families It uncovers the debates surrounding parenting and family life and tells the stories of men and their children While many historians have examined men s relationship to the home and family in histories of gender family life domestic spaces and class cultures more generally few have specifically examined fathers as crucial family members as historical actors and as emotional individuals The history of fatherhood is extremely significant to contemporary debate assumptions about fatherhood in the past are constantly used to support arguments about the state of fatherhood today and the need for change or otherwise in the future Laura King charts men s changing experiences of fatherhood suggesting that although the roles and responsibilities fulfilled by men did not shift rapidly their relationships position in the family and identities underwent significant change between the start of the First World War and the 1960s

Gender in History Merry E. Wiesner-Hanks,2021-10-20 A concise yet comprehensive account of the roles and influences of gender over the millennia featuring new and updated content throughout Gender in History Global Perspectives Third Edition explores the construction and evolution of gender in many of the world s cultures from the Paleolithic era to the COVID pandemic of the twenty first century Broad in geographic and topical scope this comprehensive volume discusses the ways families religions social hierarchies politics work education art sexuality and other issues are linked to various conceptions of gender Now organized chronologically rather than topically this extensively revised edition presents a wealth of up to date

information based on the scholarship of the last decade New and expanded chapters offer insights on the connections between gender and key events and trends in world history including domestication and the development of agriculture the growth of cities and larger scale political structures the spread of world religions changing ideas of race class and sexuality colonialism and imperialism capitalism wars revolutions and more Written by a distinguished scholar in the field of women's and gender history this third edition of *Gender in History* Examines how gender roles were shaped by family life religious traditions various other institutions and how the institutions were influenced by gender Considers why gender variations developed in different cultures and in diverse social ethnic and racial groups within a single culture Addresses ideas in different cultures that shaped both informal societal norms and formalized laws Explores debates about the origins of patriarchy the development of complex gender hierarchies and contemporary movements for social change Discusses the gender implications of modern issues including the global pandemic and ongoing cultural and economic shifts Includes an accessible introduction to key theoretical and methodological issues and an instructor's website site with visual and written original sources *Gender in History Global Perspectives Third Edition* is essential reading for undergraduate and graduate students in courses such as those on women's history women in world history and gender in world history and a valuable supplement for general survey courses within History and Women's and Gender Studies programs

Child and Youth Care Alan Pence, Jennifer White, 2011-07-01 Critical and postmodern perspectives have been largely underexplored in the field of child and youth care This book addresses the gap showcasing cutting edge approaches to policy pedagogy and practice from diverse perspectives and professional settings The authors of *Child and Youth Care* challenge deep seated assumptions about child and youth care by reinterpreting core concepts such as ethics and outcomes and raising questions about underlying goals and premises Can the ends of practice be separated from the means For whose benefit are interventions designed By recognizing a range of social and political influences on children and youth this volume bears witness to exciting developments in child and youth care

Modern Motherhood Jodi Vandenberg-Daves, 2014-05-26 How did mothers transform from parents of secondary importance in the colonies to having their multiple and complex roles connected to the well being of the nation In the first comprehensive history of motherhood in the United States Jodi Vandenberg Daves explores how tensions over the maternal role have been part and parcel of the development of American society *Modern Motherhood* travels through redefinitions of motherhood over time as mothers encountered a growing cadre of medical and psychological experts increased their labor force participation gained the right to vote agitated for more resources to perform their maternal duties and demonstrated their vast resourcefulness in providing for and nurturing their families Navigating rigid gender role prescriptions and a crescendo of mother blame by the middle of the twentieth century mothers continued to innovate new ways to combine labor force participation and domestic responsibilities By the 1960s they were poised to challenge male expertise in areas ranging from welfare and abortion rights to childbirth practices and the

confinement of women to maternal roles In the twenty first century Americans continue to struggle with maternal contradictions as we pit an idealized role for mothers in children s development against the social and economic realities of privatized caregiving a paltry public policy structure and mothers extensive employment outside the home Building on decades of scholarship and spanning a wide range of topics Vandenberg Daves tells an inclusive tale of African American Native American Asian American working class rural and other hitherto ignored families exploring sources ranging from sermons medical advice diaries and letters to the speeches of impassioned maternal activists Chapter topics include inventing a new role for mothers contradictions of moral motherhood medicalizing the maternal body science expertise and advice to mothers uplifting and controlling mothers modern reproduction mothers resilience and adaptation the middle class wife and mother mother power and mother angst and mothers changing lives and continuous caregiving While the discussion has been part of all eras of American history the discussion of the meaning of modern motherhood is far from over

Canadian Men and Masculinities Wayne Martino, Christopher John Greig, 2012 *Canadian Men and Masculinities Historical and Contemporary Perspectives* is a provocative new volume that examines men and masculinity across Canadian history and culture and sets it against the broader context of neoliberal globalization This edited collection adopts a multi perspective social inquiry and interdisciplinary approach and takes into careful consideration the intersections of the social and historical construction of gender with race social class sexuality bodily abilities and other social justice factors The chief aim of this book is to examine from historical and contemporary perspectives the production and performance of men boys and embodied masculinity within the Canadian context Within this framework *Canadian Men and Masculinities* explores a range of issues including modern fatherhood black male athleticism indigenous masculinities wrestling and body building This volume will be a valuable resource for general readers and professionals in sociology history education and social and gender studies

War and Family Life Shelley MacDermid Wadsworth, David S. Riggs, 2015-12-16 This unique resource provides findings and insights regarding the multiple impacts of military duty on service members and veterans specifically from a family standpoint Broad areas of coverage include marital and family relationships parenting issues family effects of war injuries and family concerns of single service members The book s diverse contents highlight understudied populations and topics gaining wider interest while examining the immediate and long term impact of service on family functioning In addition to raising awareness of issues chapters point to potential solutions including science based pre and post deployment programs more responsive training for practitioners and more focused research and policy directions Among the topics covered Deployment and divorce an in depth analysis by relevant demographic and military characteristics Military couples and posttraumatic stress interpersonally based behaviors and cognitions as mechanisms of individual and couple distress Warfare and parent care armed conflict and the social logic of child and national protection Understanding the experiences of women and LGBT veterans in Department of Veterans Affairs care Risk and resilience factors in combat military health

care providers Tangible instrumental and emotional support among homeless veterans War and Family Life offers up to date understanding for mental health professionals who serve military families both in the U S and abroad *America's Favorite Holidays* Richard T. Stanley,2013-10-30 Many of America s favorite holidays including Christmas Easter Halloween and Valentines Day originated far beyond our shores and long before our Founding Fathers were born Some holidays including Thanksgiving Day the Fourth of July Flag Day Labor Day Lincolns Birthday Martin Luther King Jr Day Memorial Day Presidents Day Veterans Day and Washingtons Birthday were uniquely grounded in Americas past New Years Day has become a feast of college football bowl games Still others such as Cinco de Mayo Columbus Day and St Patricks Day are largely the products of Americas rich ethnic and cultural diversity over time And some have a very personal and specific purpose such as Mother s Day and Father s Day Americas favorite holidays provide us with much more than opportunities to simply goof off or spend money Celebration commemoration contemplation and remembrance are powerful forces that stimulate us to become better people to enjoy life more and to be more productive over time Therefore Happy Holidays everyone *Encyclopedia of Diversity in Education* James A. Banks,2012-05-17 The diversity education literature both nationally and internationally is broad and diffuse Consequently there needs to be a systematic and logical way to organize and present the state of research for students and professionals American citizens need to understand the dynamics of their increasingly diverse communities and institutions and the global world in which we live work and lead With continually evolving information on diversity policies practices and programs it is important to have one place where students scholars teachers and policymakers can examine and explore research policy and practice issues and find answers to important questions about how diversity in U S education enriched with theories research and practices in other nations are explained and communicated and how they affect institutional change at both the K 12 and postsecondary levels With about 700 signed entries with cross references and recommended readings the Encyclopedia of Diversity in Education 4 volumes in both print and electronic formats will present research and statistics case studies and best practices policies and programs at pre and postsecondary levels Diversity is a worldwide phenomenon and while most of the entries in the Encyclopedia will focus on the United States diversity issues and developments in nations around the world including the United States are intricately connected Consequently to illuminate the many aspects of diversity this volume will contain entries from different nations in the world in order to illuminate the myriad aspects of diversity From A to Z this Encyclopedia will cover the full spectrum of diversity issues including race class gender religion language exceptionality and the global dimensions of diversity as they relate to education This four volume reference work will be the definitive reference for diversity issues in education in the United States and the world **Food in Wartime Britain** Natacha Chevalier,2020-04-28 Based on deep analysis of Mass Observation wartime diaries Food in Wartime Britain explores the food experience of the British middle classes in their own words throughout the course of the Second World War It reveals that while the food practices of the population were

modified by rationing and food scarcity social class and personal circumstances were key dimensions of the wartime food experience that demand to be taken into account in the historical narrative of the Home Front

American Masculinities: A Historical Encyclopedia Bret Carroll, 2003-10-14 This is a highly recommended purchase for undergraduate medium sized and large public libraries wishing to provide a substantial introduction to the field of men s studies Reference User Services Quarterly Pleasing layout and good cross references make Carroll s compendium a welcome addition to collections serving readers of all ages Highly recommended CHOICE An excellent index well chosen photographs and illustrations and an extensive bibliography add further value American Masculinities is well worth what would otherwise be too hefty a price for many libraries because no other encyclopedia comes close to covering this growing field so well American Reference Books Annual American Masculinities A Historical Encyclopedia is a first of its kind reference detailing developments in the growing field of men s studies This up to date analytical review serves as a marker of how the field has evolved over the last decade especially since the 1993 publication of Anthony Rotundo s American Manhood This seminal book opened new vistas for exploration and research into American History society and culture Weaving the fabric of American history American Masculinities illustrates how American political leaders have often used the rhetoric of manliness to underscore the presumed moral righteousness and ostensibly protective purposes of their policies Seeing U S history in terms of gender archetypes readers will gain a richer and deeper understanding of America s democratic political system domestic and foreign policies and capitalist economic system as well as the private sphere of the home and domestic life The contributors to American Masculinities share the assumption that men s lives have been grounded fundamentally in gender that is in their awareness of themselves as males Their approach goes beyond scholarship which traditionally looks at men and women in terms of what they do and how they have influenced a given field or era Rather this important work delves into the psychological core of manhood which is shaped not only by biology but also by history society and culture Encapsulating the current state of scholarly interpretation within the field of Men s Studies American Masculinities A Historical Encyclopedia is designed to help students and scholars advance their studies develop new questions for research and stimulate new ways of exploring the history of American life Key Features Reader s Guide facilitates browsing by topic and easy access to information Extensive name place and concept index gives users an additional means of locating topics of interest More than 250 entries each with suggestions for further reading Cross references direct users to related information Comprehensive bibliography includes a list of sources organized by categories in the field Topics Covered Arts Literature and Popular Culture Body Health and Sexuality Class Ethnic Racial and Religious Identities Concepts and Theories Family and Fatherhood General History Icons and Symbols Leisure and Work Movements and Organizations People Political and Social Issues About the Editor Bret E Carroll is Associate Professor of History at California State University Stanislaus He received his Ph D from Cornell University in 1991 He is author of The Routledge Historical Atlas of Religion in America 1997

Spiritualism in Antebellum America 1997 and several articles on nineteenth century masculinity *Situated Fathering* William Marsiglio, Kevin Roy, Greer Litton Fox, 2005-07-28 When men act as parents they do so in diverse physical and social spaces imbued with symbolic meaning They father in the military overseas on the farm in dilapidated inner cities immersed in ethnic neighborhoods navigating idealized places of leisure where families go as stepfathers in spaces where physical dimensions and family meanings intersect as nonresident fathers managing less than ideal conditions rolling across the interstate as long haul truckers playing catch alongside the house managing precious family time in prison work release programs as participants in community fatherhood initiatives etc Until now family scholars had not explicitly theorized and focused on how physical space shapes fathers lives A distinct volume of theoretical and empirical research *Situated Fathering* addresses this oversight by proposing a new framework for studying how various contingencies of physical space in conjunction with social symbolic issues affect men s identities as fathers and their involvement with children Consistent with public interest in men s efforts to be there as providers and caregivers this book explores issues associated with the barriers and supports to involvement that are part of the physical and social environment Written largely for family scholars and students it emphasizes a future oriented perspective by outlining directions for theoretically guided research in specific often gendered fathering sites Handbook of Studies on Men and Masculinities Michael S. Kimmel, Jeff Hearn, Robert W. Connell, 2004-07-20 In the past research in the field of gender has mainly addressed issues about women and has for the most part been developed by women Recently the study of gender has rapidly expanded and there has been a growing interest in men s and boys identities conduct and problems The *Handbook of Studies on Men and Masculinities* is an interdisciplinary and international culmination of the growth of men s studies that also offers insight about future directions for the field The *Handbook* provides a broad view of masculinities primarily across the social sciences with the inclusion of important debates in some areas of the humanities and natural sciences The various approaches presented in this *Handbook* range across different disciplines theoretical perspectives methodologies and conceptualizations in relation to the topic of men Editors Michael S Kimmel Jeff Hearn and Robert W Connell have assembled an esteemed group of contributors who are among the best known experts in their particular fields The *Handbook of Studies on Men and Masculinities* examines the construction of masculinities in four different frames the social organization of masculinities in their global and regional iterations the institutional reproduction and articulation of masculinities the ways in which masculinities are organized and practiced within a context of gender relations and the ways in which individual men express and understand their gendered identities The *Handbook* is organized in a way that moves from the larger global and institutional articulations of masculinities to the more intimate and personal expressions The *Handbook of Studies on Men and Masculinities* provides scholars researchers and students with the most current incisive scholarship available for the men s studies area of gender studies It is a vital resource for those interested in the practical or cultural issues about men boys and gender as well as an excellent addition to

any academic library **The Dominion of Youth** Cynthia Comacchio, 2008-10-08 Adolescence like childhood is more than a biologically defined life stage it is also a sociohistorical construction The meaning and experience of adolescence are reformulated according to societal needs evolving scientific precepts and national aspirations relative to historic conditions Although adolescence was by no means a discovery of the early twentieth century it did assume an identifiably modern form during the years between the Great War and 1950 The Dominion of Youth Adolescence and the Making of Modern Canada 1920 to 1950 captures what it meant for young Canadians to inhabit this liminal stage of life within the context of a young nation caught up in the self formation and historic transformation that would make modern Canada Because the young at this time were seen paradoxically as both the hope of the nation and the source of its possible degeneration new policies and institutions were developed to deal with the problem of youth This history considers how young Canadians made the transition to adulthood during a period that was developmental both for youth and for a nation also working toward individuation During the years considered here those who occupied this dominion of youth would see their experiences more clearly demarcated by generation and culture than ever before With this book Cynthia Comacchio offers the first detailed study of adolescence in early twentieth century Canada and demonstrates how young Canadians of the period became the nation's first modern teenagers **Gender and Families** Scott Coltrane, Michele Adams, 2008-05-21 Gender and Families uses cultural events from our everyday lives to explore how families and gender are mutually produced and inseparably linked In this updated second edition Coltrane and Adams continue to demystify the complexities of gender and family with discussions of **Renegotiating First World War Memory** Ashley Garber, 2021-06-29 First World War based ex servicemen's organisations found themselves facing an existential crisis with the onset of the Second World War This book examines how two such groups the British and American Legions adapted cognitively to the emergence of yet another world war and its veterans in the years 1938 through 1946 With collective identities and socio political programmes based in First World War memory both Legions renegotiated existing narratives of that war and the lessons they derived from those narratives as they responded to the unfolding Second World War in real time Using the previous war as a learning experience for the new one privileged certain understandings of that conflict over others inflecting its meaning for each Legion moving forward Breaking the Second World War down into its constituent events to trace the evolution of First World War memory through everyday invocations this unprecedented comparison of the British and American Legions illuminates the ways in which differing international national and organisational contexts intersected to shape this process as well as the common factors affecting it in both groups The book will appeal most to researchers of the ex service movement First World War memory and the cultural history of the Second World War **Spaces of Masculinities** Kathrin Hörschelmann, Bettina van Hoven, 2013-03-07 Changing circumstances in Western and global societies have introduced new constraints and opportunities for men and the formation of male identities Meanwhile the emerging diversity of atypical identities atypical

when compared with traditional conceptions of middle class white heterosexual men poses new challenges for the production and use of spaces Spaces of Masculinities provides a comprehensive introduction to the innovative and diverse research on spaces of masculinity Drawing on a variety of geographical research projects the central concern of the book is to highlight the significance of research on masculinity in sociological and geographical work dealing with constructions of gender

Superdads Gayle Kaufman, 2013-06 Look There in the playground with the stroller and diaper bag It s Superdad Yes it s Superdad the most involved fathers in American history And with this careful compassionate and also critical group portrait Gayle Kaufman has finally told their story If you think men aren t changing or if you think they somehow get neutered if they are changing you need to read this book Michael Kimmel author of Guyland In an age when fathers are spending more time with their children than at any other point in the past men are also facing unprecedented levels of work family conflict How do fathers balance their two most important roles that of father and that of worker In Superdads Gayle Kaufman captures the real voices of fathers themselves as they talk about their struggles with balancing work and family life Through in depth interviews with a diverse group of men Kaufman introduces the concept of superdads a group of fathers who stand out by making significant changes to their work lives in order to accommodate their families They are nothing like their fathers old dads who focus on their traditional role as breadwinner or even some of their peers so called new dads who work around the increasing demands of their paternal roles without really bucking the system In taking their family life in a completely new direction these superdads challenge the way we think about long held assumptions about men s role in the family unit Thought provoking and heartfelt Superdads provides an overview of an emerging trend in fatherhood and the policy solutions that may help support its growth pointing the way toward a future society with a more feasible approach to the work family divide
