Modeste Mignon, a young provincial woman of romantic temperament, imagines herself to be in love with the famous Parisian poet Melchior de Canalis, whose works have filled her with passion. She corresponds with him, but he is unmoved by her attentions. Canalis invites his secretary Ernest de la Brière to deal with the matter. Ernest replies to Modeste in Canalis' name; a dangerous intrigue ensues which sees Ernest appear in Modeste's home town disguised as Canalis.

Modeste Mignon by Honoré de Balzac
Honoré de Balzac was born into a family which through its industry and efforts aspired to achieve respectability.
4 His father, born Bernard François Balssa, was one of eleven children from an artisan family in Tarn, a region in the south of France. In 1760, he set off for Paris with only a Louis coin in his pocket, intent on improving his social standing. By 1776, he had become Secretary to the King's Council and a Freemason; he had also changed his name to the more noble-sounding Balzac, his son later adding, without official recognition, the nobiliary particle de.
6 After the Reign of Terror, 1793-94, François Balzac was despatched to Tours to coordinate supplies for the Army. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience.
