1930-1941 Derek Watson, 1996 *Soviet Russia and the Crisis* Vyacheslav Mikhaylovich Molotov, 1939 Molotov Remembers V. M. Molotov, Felix Chuev, 2007-09-25 In conversations with the poet biographer Felix Chuev Molotov offers an incomparable view of the politics of Soviet society and the nature of Kremlin leadership under communism Filled with startling insights and indelible portraits the book is an historical source of the first order A mesmerizing and chilling chronicle Kirkus Reviews Stalin's Letters to Molotov Josef Stalin, 1995-01-01 Between 1925 and 1936 Josef Stalin wrote frequently to his trusted friend and political colleague Viacheslav Molotov The more than 85 letters collected in this volume constitute a unique historical record of Stalin's thinking both personal and political and throw valuable light on the way he controlled the government plotted the overthrow of his enemies and imagined the future Illustrations Selected Secret Documents From Soviet Archives 1919-1941 Erdogan A, 2021-02-06 Selected Secret Documents from Soviet Foreign Policy Archives 1919 1942 concentrated on 1st and 2nd WW

British Intelligence and Hitler's Empire in the Soviet Union, 1941-1945 Ben Wheatley, 2017-01-26 This is the first detailed study of Britain's open source intelligence OSINT operations during the Second World War showing how accurate and influential OSINT could be and ultimately how those who analysed this intelligence would shape British post war policy towards the Soviet Union Following the Nazi invasion of the Soviet Union in June 1941 the enemy and neutral press covering the German occupation of the Baltic states offered the British government a vital stream of OSINT covering the entire German East OSINT was the only form of intelligence available to the British from the Nazi occupied Soviet Union due to the Foreign Office suspension of all covert intelligence gathering inside the Soviet Union The risk of jeopardising the fragile Anglo Soviet alliance was considered too great to continue covert intelligence operations In this book Wheatley primarily examines OSINT acquired by the Stockholm Press Reading Bureau SPRB in Sweden and analysed and despatched to the British government by the Foreign Research and Press Service FRPS Baltic States Section and its successor the Foreign Office Research Department FORD Shedding light on a neglected area of

Second World War intelligence and employing useful case studies of the FRPS FORD Baltic States Section's Intelligence British Intelligence and Hitler's Empire in the Soviet Union 1941-1945 makes a new and important argument which will be of great value to students and scholars of British intelligence history and the Second World War *Yugoslavia and the Soviet Union in the Early Cold War* Svetozar Rajak, 2010-10-18 This book provides a comprehensive insight into one of the key episodes of the Cold War the process of reconciliation between Yugoslavia and the Soviet Union At the time this process had shocked the World as much as the violent break up of their relations did in 1948 This book provides an explanation for the collapse of the process of normalization of Yugoslav Soviet that occurred at the end of 1956 and the renewal of their ideological confrontation It also explain the motives that guided the two main protagonists Josip Broz Tito of Yugoslavia and the Soviet leader Nikita Sergeevich Khrushchev Based on Yugoslav and Soviet archival documents this book establishes several innovative theories about this period Firstly that the significance of the Yugoslav Soviet reconciliation went beyond their bilateral relationship It had ramifications for relations in the Eastern Bloc the global Communist movement and on the dynamics of the Cold War world at its crucial juncture Secondly that the Yugoslav Soviet reconciliation brought forward the process of de Stalinization in the USSR and in the Peoples Democracies Thirdly it enabled Khrushchev to win the post Stalin leadership contest Lastly the book argues that the process of Yugoslav Soviet reconciliation permitted Tito to embark together with Nehru of India and Nasser of Egypt upon creating the new entity in the bi polar Cold War world the Non aligned movement This book will be of interest to students of Cold War History diplomatic history European history and International Relations in general Svetozar Rajak is a lecturer at the London School of Economics and Political Science He is the Managing Director of the LSE Cold War Studies Centre and is a member of the Editorial Board of the journal Cold War History

The Soviet Union and Communist China 1945-1950: The Arduous Road to the Alliance Dieter Heinzig, 2015-06-18 Drawing on a wealth of new sources this work documents the evolving relationship between Moscow and Peking in the twentieth century Using newly available Russian and Chinese archival documents memoirs written in the 1980s and 1990s and interviews with high ranking Soviet and Chinese eyewitnesses the book provides the basis for a new interpretation of this relationship and a glimpse of

previously unknown events that shaped the Sino Soviet alliance An appendix contains translated Chinese and Soviet documents many of which are being published for the first time The book focuses mainly on Communist China s relationship with Moscow after the conclusion of the treaty between the Soviet Union and Kuomintang China in 1945 up until the signing of the treaty between Moscow and the Chinese Communist Party in 1950 It also looks at China s relationship with Moscow from 1920 to 1945 as well as developments from 1950 to the present The author reevaluates existing sources and literature on the topic and demonstrates that the alliance was reached despite disagreements and distrust on both sides and was not an inevitable conclusion He also shows that the relationship between the two Communist parties was based on national interest politics and not on similar ideological convictions *Soviet Peace Policy* Vyacheslav Mikhaylovich Molotov,1941 The Soviet Union and Europe in the Cold War, 1943-53 Francesca Gori,Silvio Pons,1997-08-12 After the Cold War its history must be reassessed as the opening of Soviet archives allows a much fuller understanding of the Russian dimension These essays on the classic period of the Cold War 1945-53 use Soviet and Western sources to shed new light on Stalin s aims objectives and actions on Moscow s relations with both the Soviet Bloc and the West European Communist Parties and on the diplomatic relations of Britain France and Italy with the USSR The contributors are prominent European Russian and American specialists **Turkey and the Soviet Union During World War II** Onur Isci,2019-11-28 Based on newly accessible Turkish archival documents Onur Isci s study details the deterioration of diplomatic relations between Turkey and the Soviet Union during World War II Turkish Russian relations have a long history of conflict Under Ataturk relations improved he was a master balancer of the great powers During the Second World War however relations between Turkey and the Soviet Union plunged to several degrees below zero as Ottoman era Russophobia began to take hold in Turkish elite circles For the Russians hostility was based on long term apathy stemming from the enormous German investment in the Ottoman Empire for the Turks on the fear of Russian territorial ambitions This book offers a new interpretation of how Russian foreign policy drove Turkey into a peculiar neutrality in the Second World War and eventually into NATO Onur Isci argues that this was a great reversal of Ataturk era policies and that it was the burden of history not realpolitik that caused the move to the west during the Second World War *War and Diplomacy* Oleg A. Rzeshevsky,2013-10-31 First Published in 1996 The value of this collection of Soviet documents edited by Professor Rzeshevsky is that it enables us more fully than before to understand in detail for the period 1941-42 what were the tensions which threatened cooperation and how nonetheless sufficient agreement was maintained to keep the alliance from falling apart **Molotov** Geoffrey Roberts,2012-01-01 More than a top Soviet bureaucrat Digest of International Law Marjorie Millace Whiteman,1964 *Documents on German Foreign Policy, 1918-1945: The war years, March 18-June 22, 1940* Germany.
