Mom And The Polkadot Booboo:

Parenting through Cancer Leonor Rodriguez, 2022-09-22 Experiencing a parent or guardian with cancer is extremely difficult for children and adolescents with healthcare professionals and cancer support centres often lacking the specialised knowledge needed to also support these individuals This practical guide provides a comprehensive and current understanding of the impact of parental cancer on children young people and families It offers a longitudinal account of the impact of cancer through the different stages of the illness and explores the impact of culture and international contexts on how families experience parental cancer The book also crucially focuses on how to support children young people and families by examining existing interventions Important chapters on death and bereavement and on self care for practitioners also supplement the book A valuable handbook for healthcare practitioners from a range of specialities working with patients and families affected by cancer including clinical psychology counselling nursing oncology palliative care and social work

Mama's Year with Cancer Nancy Churnin, Shayna Vincent, 2023-09-28 This tender story explores the impact of a parent's cancer diagnosis on a child's daily life while offering kids ways to help loved ones on their recovery journey This poignant story follows a child who watches her mother go through the pain and distress of hospital stays surgery and chemotherapy She helps her mother by sharing jokes crafting get well cards and giving hugs and she tries to be understanding when they can't do all the things they used to do Finally after a year of treatment her mother gets to ring the bell that means she is better *Mom and the Polka-dot Boo-boo* Eileen Sutherland, 2007 Explaining breast cancer to a young child

Beauty without the Breast Felicia Marie Knaul, 2013-01-14 Knaul documents the personal and professional sides of her experience with breast cancer She contrasts her own journey with that of women throughout the world who face stigma discrimination and lack of access to health care and also shares striking epidemiological data about breast cancer a leading killer of young women in developing countries *Sunny Side Upbringing* Maria Dismondy, 2020-02-01 Sunny Side Upbringing is a simple parenting toolkit designed to make your life easier and more fulfilled by keeping your family values on the forefront of daily life Parent educator Maria Dismondy took her greatest advice research ideas activities and educational resources from over the last 20 years and put them down on paper for us all to benefit from The result is a month by month parenting resource kind of like a parent's best friend that's loaded with enriching content that fosters creative parent child interactions rooted in the values that matter most to you With all the research done for you all you have to do is open the page and jump into the fun of parenting with purpose *This is Cancer* Laura Holmes Haddad, 2016-11-08 Cancer is indiscriminate It cares little for class creed or color Its patients are literally everywhere When Laura Holmes Haddad was diagnosed she discovered shelf upon shelf of overly earnest somber gray survival books and knew there had to be a better way This Is Cancer is the thoughtful informative fabulous looking result for those who prefer their pathos with equal parts humor and reality and a touch of flair A what to expect when you're expecting book for the diagnosis you don't want but are stuck with This Is Cancer

is the book that patients keep in their heading to the hospital bag because it s the only one that tells them what s going on and keeps them company Including such useful snippets as There is no limit to what you will put yourself through when told it might save your life Stay away from the Internet And don t let anyone tell you what they looked up about your diagnosis You ll be surrounded by people but you ll feel lonely and alone sometimes Lexapro is Tylenol for the soul If you don t like your doctor s find new ones You will feel somewhat at the mercy of them like they hold the key to your mortality but in fact more than one doctor can potentially save you and some are nice and some are mean Whether you or your loved ones want a primer full of useful information in an easy to reference format or a friendly and comforting read the honest grave and mordantly funny stories and tips from young survivors will bring you the real intel and advice that you need most during this tremendously difficult time

What Helped Get Me Through Julie K. Silver,2009 Offers cancer patients practical advice inspiration and medical guidance to help them cope with their diagnosis and make the right choices about their treatment with first hand stories from survivors who have faced the same challenges
