Recipes from Mom Gaye Lynne Knott, 2025-08-08 Recipes from Mom Alzheimer's through the Eyes of a Daughter is a true story of how one woman witnesses the decline of her mother as Alzheimer's disease steals her mom little by little. The one thing that Alzheimer's could not steal was the recipes of the heart which she learned from her strong and beautiful mother. Giving her the strength to endure, these recipes provided her with each ingredient needed when searching for spiritual wisdom, helping her to persevere and pull through each battle. She recalls the simple moments spent with her mom, reflecting on their conversations and the life choices her mom made. She did not realize that these moments would one day be their saving grace. Over the years, Gaye began to realize this fight would become a war; therefore, she equips herself with the only vice that can win any war, and that is God's word. Gaye journaled, prayed, and learned to listen, enabling her to piece together this emotional journey. This nonfiction narrative illustrates the incredible way in which the light of faith can pierce through the most difficult seasons of darkness by choosing faith over fear and God over self. A true testament to how the sweetest things can arise even when all hope is lost.

An Alzheimer's Love Story Robert John McAllister, 2012-05 Two years after his wife Jane was diagnosed with Alzheimer's, Robert McAllister began a journal closely documenting the course of Jane's illness and all that transpired between them. He wrote faithfully for Jane's sake and for his own, always committed to deepening his understanding of the disease and to talking openly with Jane about what was happening. He promised not only to be her sole caretaker till the end but always to be at her side to help her sort out Alzheimer's devastating consequences from the essential Jane who was the love of his life and complete companion for over fifty years. Robert was 92 at the time of Jane's death and the completion of his journal. His graceful writing, emotional honesty, and ability to convey the transformative power of their love and their abiding faith in God makes this book stand as one of the most powerful additions to the Alzheimer's literature.
