learned the techniques that took him all the way to the White House Painstakingly over decades he has created a world in this exclusive tropical enclave and favorite haunt of billionaires where he is not just president but a king The vehicle for his triumph is Mar A Lago one of the greatest mansions ever built in the United States The inside story of how he became King of Palm Beach and how Palm Beach continues to be his spiritual home even as president is rollicking troubling and told with unrivaled access and understanding by Laurence Leamer In Mar A Lago the reader will learn How Donald Trump bought a property now valued by some at as much as 500 000 000 for less than three thousand dollars of his own money Why Trump was blackballed by the WASP grandees of the island and how he got his revenge How Trump joined forces with the National Enquirer which was headquartered nearby and engineered his own divorce How by turning Mar A Lago into a private club Trump was the unlikely man to integrate Palm Beach's restricted country club scene and what his real motives were What transpires behind the gates of today's Mar A Lago during the season when President Trump and assorted D C power players fly down each weekend In addition to copious interviews and reporting from inside Mar A Lago Laurence Leamer brings an acute and unparalleled understanding of the society of Palm Beach where he has lived for twenty five years He has written an essential book for understanding Donald Trump's inner character Frank & Ava John Brady,2015-10-13 If I had to go back in Hollywood history and name two people who were most desperately and passionately in love with each other I would say Frank Sinatra and Ava Gardner were It Liz Smith It began in Hollywood's golden age when Ava was emerging as a movie star But she fell in and out of love too easily Mickey Rooney married her because he wanted another conquest Artie Shaw treated her like a dumb brunette giving her a reading list on their honeymoon Neither marriage lasted a year Then after being courted by Howard Hughes and numerous others along came Frank Sinatra His passion for Ava destroyed his marriage and brought him close to ruin Their wild affair broke all the rules of the prudish era as Frank left his wife and children and pursued Ava on an international stage They became romantic renegades with the press following them from location to location Oh God Frank Sinatra could be the sweetest most charming man in the world when he was in the mood said Ava They married but then came the quarrels separations infidelities and reconciliations Eventually there was a divorce and they thought it was over It wasn't Through all of the tortured years of separation and splintered affairs with others they maintained a secretive relationship known only to those who recognized that this was the love of a lifetime Over the years they attempted to reconcile romanced and nurtured each other right to the end The love story of Frank and Ava has never been fully explored or explained until now John Brady's Frank Ava delves deeply into the lives of these two iconic stars and their turbulent lifelong relationship More than anything else this is the story of a romance lived out under battlefield conditions A Hundred or More Hidden Things Mark Griffin,2010-03-09 He was the acclaimed director of such cinematic classics as Meet Me in St Louis An American in Paris and Gigi and equally well known for his tumultuous marriage to the legendary Judy Garland But to say that Vincente Minnelli's conflicted personal life informed his films would be an

understatement As Mark Griffin persuasively demonstrates in this definitive biography of the Academy Award winning director Minnelli was not only building a remarkable Hollywood legacy but also creating an intriguing autobiography in code Drawing on more than 100 interviews with such icons as Kirk Douglas Angela Lansbury Lauren Bacall Tony Curtis and George Hamilton Griffin turns the spotlight on the enigmatic elegant director revealing long kept secrets at the heart of Minnelli s genius
