

Prayer over the Offerings

Grant, we pray, O Lord,
that, as promised by your Son,
the Holy Spirit may reveal to us more
abundantly
the hidden mystery of this sacrifice
and graciously lead us into all truth.
Through Christ our Lord.

ALL: Amen.

Ciftci, 2024-04-17 Should religion and politics be kept apart What should be the relationship between the church and the state M Y Ciftci answers these questions by studying the most important event in the recent history of the Catholic Church The Second Vatican Council 1962 65 The book provides a new interpretation of the Council s teaching on church state relations to better appreciate its flaws and need for reform By paying attention to the often overlooked importance given by the Council to the lay apostolate it reveals how the Council did not reform as is often thought but retained a flawed conception of the laity s role in politics It then proposes a new framework for understanding church state relations using the ressourcement method of returning to scripture and tradition and by a critical dialogue with Oliver O Donovan and various Protestant biblical scholars of the Powers in the New Testament Ciftci shows how fruitful an self consciously ecumenical approach can be for political theology As most ressourcement theologians have overlooked political issues and since ecumenical theology rarely touches on issues of church state relations this work makes an original contribution to the ressourcement project and to ecumenism *The Gathering of Vidyadharas* Jigme Lingpa, Patrul Rinpoche, Khenpo Chemchok, 2017-09-26 One of the most important sadhana cycles in the Nyingma school of Tibetan Buddhism the Rigdzin D
