Houston, 2022-02-17 These essays in this book are pastoral and scholarly to encourage parents to nurture and foster Christian family life by learning from scripture and history The Bible in both testaments offers us stories that provide moral and spiritual substance to the nurture of the child and the family Beginning with the mythopoetic story of Adam and Eve and the fratricide of Abel by the envy of Cain the stories of the sacrifices parents made then moving on to the stories of Abraham and Isaac Ruth and her mother in law Hannah and her son Samuel Jeremiah the child prophet these stories form our moral imaginations Further for Christians they all augur the promise of the Incarnation with the birth of Jesus to Mary and Joseph Then through the history of the Church the role of the Child is further unfolded It begins with Jesus teaching that to be as one of his disciples is to be a child This is so radical that the subsequent churches have found it hard to follow Perhaps one symbolic attempt was that of the monks' cowl which is a child's garment and still worn in their monasteries The book even explores the way that Christian maturity is one of childlikeness Hagar, Sarah, And Their Children Letty M. Russell, In different ways Judaism Christianity and Islam all trace their beginnings to Abraham His wives Hagar and Sarah though also pivotal in the story have received far less attention In this book however noted Jewish Christian and Muslim scholars focus on Hagar Sarah and their children from Ishmael and Isaac to their many descendants through the centuries Moving from ancient and medieval sources to contemporary appropriations of the Sarah and Hagar story the authors begin with an overview of the three religions from their scriptural beginnings to their contemporary questions They then explore how the story was developed after its canonization in rabbinic interpretations in the stories of Islam and in the teachings of the early

church fathers They also present contemporary womanist and feminist perspectives Timely relevant and provocative this book provides an entree into interreligious discussion and understanding *Annual Reunion, the Reynolds Family*

Sonship, Faith and Vision Martin Reén,2024-06-04 The motivation of

the Father in everything that He is doing is love and He wants to fill us with His love When that happens our hearts will be transformed and we will start to look at reality through the eyes of God and dream His dreams This will cause us to be possibility thinkers that tap into the full creativity of heaven That is the only way that we can find new creative ways to reach the world with the gospel and to extend the Kingdom of God on this earth As sons and daughters who are growing into the full inheritance of our Father we will be part of spreading His love all over the world That is what this book is all about As we learn to abide in His love as a lifestyle we will be renewed and transformed This will create a longing within our hearts to break out of religious limitations and meaningless traditions that have held us back so that we instead can pursue the visions and purposes of the Father by becoming more conformed into the image of Jesus everyday *The Child of Promise, Or, The*

VERSE BY VERSE COMMENTARY OF THE BOOK OF JUBILEES DR. PAUL CRAWFORD,2025-10-01 Introduction to the Verse by Verse Commentary of the Book of Jubilees The Book of Jubilees sometimes called The Little Genesis is one of the most significant writings of ancient Jewish tradition It retells the story of Genesis and the early chapters of Exodus but it does so with a unique perspective history is divided into fixed units of time called jubilees periods of forty nine years Through this sacred calendar the book presents the world s story as carefully structured by God showing that history itself is ordered according to His will Unlike Genesis and Exodus which focus primarily on the unfolding narrative Jubilees adds interpretation explanation and detail It expands on familiar events provides background not found elsewhere and emphasizes God s covenant law and holy times In this way it bridges the gap between biblical narrative and Jewish tradition offering insight into how ancient believers understood God s dealings with humanity The heart of Jubilees is covenant faithfulness The book emphasizes obedience to God s commands especially the Sabbath the appointed festivals and the covenant sign of circumcision It warns of idolatry compromise with the nations and rebellion against God s law At the same time it shines with hope God will not abandon His people even when they fall into sin and exile He promises restoration forgiveness and His eternal dwelling with them This verse by verse commentary is designed to guide readers carefully through Jubilees uncovering its meaning and applying its lessons Each verse is followed by a clear explanation drawing out key themes historical background and theological significance Cross references are noted where Jubilees echoes or expands upon the canonical Scriptures By reading Jubilees in this way you will see 1 God s Sovereign Order of Time History is not random but directed by the hand of the Creator 2 The Centrality of God s Law The Sabbath feasts and covenant commands are signs of belonging to God 3 The Reality of Human Rebellion Sin leads to judgment exile and sorrow 4 The Promise of Restoration Repentance leads to forgiveness cleansing and renewed relationship

with God 5 The Hope of Eternity Jubilees closes with the vision of a renewed creation the glory of God s sanctuary and His eternal presence with His people For Christians today the Book of Jubilees serves as a window into the faith of Israel during the centuries before Christ and it provides rich context for understanding the New Testament The themes of covenant obedience rebellion restoration and eternal hope resonate with the message of the Gospel and point us to Jesus Christ the fulfillment of God s promises As you begin this commentary approach the text with humility and expectation Listen to its warnings Rejoice in its promises Above all see in it the faithfulness of God who orders time redeems His people and will one day renew all creation

Genesis R. Kent Hughes,2004-10-26 The book of Genesis contains some of the most beautiful and well known stories in the Bible the garden the flood the tower of Babel and the lives of the patriarchs But these are more than just good stories They lay the groundwork for God s relationship with humanity and for his plan for our salvation making Genesis foundational to understanding everything else that happens in the Bible Genesis reveals much about human nature and the nature of God From the actions of the first man and woman we see where our rebellious sinful nature originates And through the whole book we see the hand of a sovereign God who is loving and merciful but also just and holy Time and again in Genesis God showers his grace upon undeserving humanity giving us our first tastes of God s enduring faithfulness that shines throughout the entire Bible R Kent Hughes respected pastor and author of many
