*Dark Secrets - White Lies* Ellen Williamson,2011-02-10 We often live in an agony from which we wish to be free and then when the situation changes it is not as wonderful as we expected The grass is not always greener on the other side of the fence but we go to great effort to climb that fence only to realize our predicament is worse than before We go through the steps we took and then moan if only I had done it differently Darlene Hawkins finds herself in an abusive relationship and for the sake of her and her children she seeks for a way to get out She is not prepared for the unfortunate events that happen as she makes her escape nor for the heartache that follows Her heart longs for the child she left behind and then an unexpected tragedy prevents their long anticipated reunion This
