Secrets Of The Mormon Church:

Best Kept Secrets of the Gospel of Jesus Christ Lawrence D. Gardner, 2006-02-28 I had a religion professor at Brigham Young University who often asked What is the best kept secret of The Mormon Church After declaring all answers amiss he would make this statement The best kept secret of The Mormon Church is the Gospel of Jesus Christ Over the years of teaching gospel doctrine I have found his statement to be all too true Despite their best study efforts and the abundance of scriptural resources many members do not understand some fundamental and extremely important doctrines I invite you to feast with me upon the meat of more exalted concepts **Secrets Mormons Don't Want You to Know** Richard

Benson, Cindy Benson, 2011 Most Christians only see the public face of Mormonism thanks to their persuasive PR campaigns clean faced young people parents committed to family values and spectacular temples But what do Mormons really believe In this revealing book you ll learn their shocking doctrines like It s good to lie to protect the church There are millions of gods God was once a man and became a god We can become gods too Jesus and Lucifer were spirit brothers We all have an Eternal Mother God is a polygamist The Jesus of the Bible was a polygamist The Jesus of Christianity is NOT the Jesus of Mormonism Sins are forgiven through good works Salvation by faith in Jesus is utter nonsense Black people were cursed by God A group of gods helped Jesus form the earth Some sins require the shedding of your own blood You ll also read the moving testimony of former Mormon Cindy Benson She reveals from personal experience the ugly hidden side of Mormonism She was only eleven years old when her 53 year old father announced that a 15 year old girl must become his second wife Once you know what Mormons really believe you will be better equipped to witness to them Here is what Mormon leaders really taught their members and what the Bible has to say about it We believe this book will help you create burning questions instead of a burning in the bosom for Mormons you know And the Bible verses are right there to give you the answer **Secrets of the Mormon Church** Donald Ray Haney, 2005-05-09 The church founded by Joseph Smith is today an

organization more controlling and subjugating than any church on the face of the earth The LDS Church has written much about their history The church historians have written much about the accomplishments of the LDS Church and its leaders but altogether omit anything pertaining to the Secrets of the Mormon Church All too often LDS Church leaders are presented as infallible men who should be obeyed and never questioned At last a Mormon with insider s knowledge of the secrets of the church has come forward to expose those things that the LDS Church has held secret for generations At last someone with the courage to observe the LDS teachings past history practices standards and beliefs objectively has come forward to reveal his discoveries Finally there is someone with the audacity to reveal the truth and tell it like it is The writer plainly and objectively presents information considered taboo for members to even discuss among themselves He uses an uncanny logic and wit in his presentation and at times just plain gives a shot at past and sometimes present church doctrine and practices His common sense approach and plain talk is refreshing Mormons outside the inner circle will learn what the insiders know

Others will learn what otherwise never would have been revealed to them A knowledgeable member of the church after twenty years of research tells all and reveals all The Secrets of the Mormon Church have now been exposed **Secrets Mormons Don't Want You to Know** Richard Benson (Missionary), Cindy Benson, 2011 An expose of the bizarre beliefs of the Mormon Church and former Mormon Cindy Benson's personal experiences with the church *The Mormon Cult* Jack B.
