Productive failure Alpesh Kantilal Patel,2017-07-21 This title sets out to write new transnational South Asian art histories to make visible histories of artworks that remain marginalised within the discipline of art history However this is done through a deliberate productive failure specifically by not upholding the strictly genealogical approach that is regularly assumed for South Asian art histories For instance one chapter explores the abstract work of Cy Twombly and Natvar Bhavsar The author examines whiteness the invisible ground upon which racialized art histories often pivot as a fraught yet

productive site for writing art history This book also provides original commentary on how queer theory can deconstruct and provide new approaches for writing art history Overall this title provides methods for generating art history that acknowledge the complex web of factors within which art history is produced and the different forms of knowledge production we might count as art history **Mighty Mikko** Parker Fillmore,2020-07-20 Reproduction of the original Mighty Mikko by Parker Fillmore Oxford Dictionary of Reference and Allusion Andrew Delahunty,Sheila Dignen,2012-09-13 Allusions are a marvelous literary shorthand A miser is a Scrooge a strong man a Samson a beautiful woman a modern day Helen of Troy From classical mythology to modern movies and TV shows this revised and updated third edition explains the meanings of more than 2 000 allusions in use in modern English from Abaddon to Zorro Tartarus to Tarzan and Rambo to Rubens Based on an extensive reading program that has identified the most commonly used allusions this fascinating volume includes numerous quotations to illustrate usage drawn from sources ranging from Thomas Hardy and Charles Dickens to Bridget Jones s Diary In addition the dictionary includes a useful thematic index so that readers not only can look up Medea to find out how her name is used as an allusion but also can look up the theme of Revenge and find alongside Medea entries for other figures used to allude to revenge such as The Furies or The Count of Monte Cristo Hailed by Library Journal as wonderfully conceived and extraordinarily useful this superb reference now available in paperback will appeal to anyone who enjoys language in all its variety It is especially useful for students and writers Chambers's Edinburgh journal, conducted by W.
