a newfound compassion for herself and a growing love for her country Strangers opened their hearts to her and in turn she opened her heart to herself And her questions began to change and mirror things many Americans are asking themselves today How can I be okay in my own skin What does it mean to be enough How do I satisfy my desire to travel without harming the planet What does it mean to love America For many young people it is a rite of passage to light out on an adventure to see the world and expose themselves to new experiences but we don t often talk about how Americans seeing America can open us to the diversity awe and wonder available right here in our nation Heidi Across America offers a journey to self love empathy consideration for others and respect for the spirit of place as pathways to find connection and home
