Seeds of Faith Kaari Ward,2003 *An Autobiography of Healings from God Through Faith - Triumph - Victory* Elder Rev. Minnie Charleston D. D.,2016-08-29 An Autobiography of Healings from God Though Faith Triumph Victory By Elder Rev Minnie Charleston D D We are God s witnesses Acts 1 8 tells us But ye shall receive power after that the Holy Ghost is come upon you and ye shall be witnesses unto me both in Jerusalem and in all Judaea and in Samaria and unto the uttermost part of the earth Elder Rev Minnie Charleston D D was healed of cancer tuberculosis arthritis a knot on her head plus she received a complete recovery from a nervous breakdown She is a living witness that God keeps His promises We are winners though faith Jesus said in St John 14 12 He that believeth on me the works that I do shall he do also There have been many people healed through her prayers and she thanks God for using her for His glory So why must she tell her story So that others will believe All over this world people are sick and hurting Through faith God will do what He says Elder Minnie has been preaching for over thirty eight years and is going strong today while in her nineties **Faith of a Mustard Seed** Paul Karanick,2012-06-01 Pursue a life led by faith rather than fear Once you read Faith of a Mustard Seed you will have a better understanding of how faith can change your outlook on every aspect of your life Too many people are making life changing decisions due to fear rather than faith Allow faith to guide your steps in life instead of fear Start with a little faith and watch how it strengthens within your life Paul Karanick and his wife Christina experienced what it means to have the faith of a mustard seed The term is used by Christ to explain the power that one can have if we just have a little faith Paul looks back on his life and ministry to reveal how God strengthens our faith and forms us into an effective part of the body of Christ Recalling the steps of how God led him his family and ministry Paul highlights how God equips the ones He calls by Calling all people to have faith Confirming that God is calling Walking through fear Building a stronger faith Infecting others with faith Paul uses his own life as an example of the faith process These illustrations will prepare believers for the typical steps involved in building a stronger faith relationship with Christ Paul openly admits that he was not qualified to take on the task that God had placed upon him but God would soon reveal to Paul that no one is truly qualified without the power of Christ God reshaped Paul and led him into a ministry that continuously depended upon faith A true visionary and gifted in faith he began to trust less in his own abilities and more upon Gods abilities Knowing that without faith it is impossible to please God Paul teaches of using faith to get as close to God as you can Pauls unshakable faith became contagious within his ministry as lifes worries and fears were lessened due to the faith that God provides *Breaking the Chains of Poverty* Demetrius Sandridge,2019-07-08 Ronald L Godbee Sr calls it the book that will liberate you and activate you to live from the position that Christ established for you on the cross While many think that the difference between poverty and wealth is defined by the car one drives the size of the house one lives in and the amount of money in one s bank account the truth of the matter is those things are results or lack thereof not definitions In this candid debut book Breaking the Chains of Poverty The Secret to

Having a Wealthy Healthy and Wholesome Life author Demetrius Sandridge helps readers recognize those moments God affords us the opportunity to prosper and come up higher in every aspect of our lives and how we can maximize those opportunities Chronicling his story from rags to riches and riches back to rags Sandridge ignites a sense of excitement and urgency which catapults readers out of a poverty mindset into a millionaire mentality with every turn of the page In this book you will be challenged to Transform your mindset to that of a millionaire Learn to use money as a tool not a motivator of dreams and goals Apply simplistic practical approaches to go from your current reality to dream fulfillment How to apply action to your faith and faith to your actions Encourage others to adopt your new way of thinking And more Wow very powerful my friend Congratulations Chris C Klebba Read this book and I guarantee wisdom will come alive in you Pastor Eddie Williams This book is a fundamental treatise that empowers the reader to understand that though life at times may seem intractable and untenable it can also be liberating and instructive Bishop Edgar L Vann II This book taps into millions of people s minds souls and spirits like none other Mary Jackson My Journey Mike Steward,2025-09-16 This book titled My Journey into Mid Acts Dispensationalism is a true story of an Independent Baptist s spiritual journey to a new understanding of the Bible God s Word For some people the words dispensation and dispensationalism are foreign words to them They have no idea what a dispensation is let alone how it connects with Bible doctrine and how it is taught affects their belief system More than one has said they had to look the word up in a dictionary The author was schooled and trained as an Acts 2 dispensationalist Most churching Christian people were trained the same way But is that what the Bible teaches If that teaching is wrong how would that change your theology This is a story of how the author was introduced to mid Acts Bible doctrine and what he came to believe because of that **Molly McGolly and Mother Nature: An Earth Day Story** Virginia Marie Capps,2016-12-15 Molly McGolly is a little ten year old Irish Catholic girl who attends public school She decides this is the year to teach her classmates to become green like her family Recycle reduce reuse and along the way repent Molly discovers trying to change people is a much bigger task than she ever imagined Catholics are reminded of the truths of the Catholic faith scripture passages sacraments prayers Ten Commandments divine mercy Eucharistic adoration etc throughout the book as the humorous story of the McGolly family unfolds So laugh cry get angry or whatever it takes to get your attention and wake up God does not change Into the Darkness You Shine Curtis Rice,2012-06 Do you feel like you are bound to your past Do you feel like your future is paralyzed Do you doubt that God is real If you answered yes to either of these questions then this book is for you Into the Darkness You Shine is a powerful tool for spiritual teaching and direction In this book Curtis Rice opens up about his own personal fears and doubts and shares about his overnight transformation through the power of God But there s more Also in the book he shares about his encounters with God angels and even demons Finally he reveals how God has helped him to forgive himself and others Into the Darkness You Shine will renew your mind help you put the past where it belongs and help you enlarge your vision for the future It will empower you

Campbell Morgan,2010-05-01 G Campbell Morgan Reprint Series Foreword If it is true that the measure of a person's greatness is their influence not only on his own time but on future generations G Campbell Morgan must be regarded as a great person His greatness is seen not only in the wide impact of his ministry on both sides of the Atlantic but in the fact that his books are still read and studied sixty five years after his death Named one of the ten greatest preachers of the twentieth century by the contributing board of Preaching magazine Morgan made the Bible a new and living book not only to the congregations who listened to him but the vast multitude of persons who read his books For sixty seven years Morgan preached and taught the Scriptures and served churches in England and the United States What is remarkable is that his commentaries and expositions of the Bible still speak to persons of a new millennium There have been many changes in the world since he faithfully preached and taught the Scriptures but the wide appeal of his books testify to the timelessness of his message Although he held pastorates in the Congregational and Presbyterian denominations he had an ecumenical appeal to persons of all denominations and traditions The mystic Thomas Kempis once wrote He to whom the eternal word speaks is delivered from many opinions In one of his sermons he referred to the words of Amos that there would be a famine for hearing the word of God Amos 8 11 The timeless work of G Campbell Morgan addresses that hunger as his books enable his readers to get beyond opinions to the living Word Wipf and Stock Publishers have rendered a great gift to the religious world in reprinting dozens of Morgan's books This growing collection makes his books more available so that readers have an option other than searching the internet for used and often expensive copies Among this collection is the classic *The Great Physician* and commentaries on the Gospel of Matthew and John Persons seeking a living faith and a meaningful encounter with God would profit from reading any of these Morgan books Near the end of his ministry in a sermon entitled But One Thing Morgan commented on how Portugal changed the words of a coin after Christopher Columbus discovered America No longer did the inscription say Ne Plus Ultra nothing more beyond but Plus Ultra more beyond It is the hope of the G Campbell Morgan Trust that the reprinting of these books will bring readers to the more beyond and an even deeper encounter with the Word in Scripture The Morgan Trust Richard L Morgan Howard C Morgan John C Morgan

with self image Manifest Your Dream Life in Jesus Dr. Lynn C. Chang, 2025-02-05 Do you long for a life of purpose fulfillment and peace Manifest Your Dream Life in Jesus 100 More Devotions offers a powerful collection of devotions designed to help you manifest your dreams and fulfill the deepest longings of your heart This book will guide you in understanding God's grace and His perfect will for your life It is God's will for you to prosper as you root yourself in His Word As Psalm 123 declares He is like a tree planted by streams of water that yields its fruit in its season and its leaf does not wither In all that he does he prospers Jesus said I have come that they may have life and have it to the full John 10:10 With God all things are possible Matthew 19:26 As you follow Jesus you will experience His healing provision and abundant blessings Each step will bring you closer to a life filled with love joy and peace just as He intends for you Faith is Stranger Than Fiction Steve Halliday, 2001 A fascinating collection of true stories proving the omnipotence and immutability of God He calls His people to live by faith placing full trust in Him In practice this often means that our Lord wants us to take a step away from actions that the world considers logical and prudent and instead trust Him to work things out in unexpected ways that better glorify Him Our God cannot be placed in a little box always doing what we want Him to do or acting exactly the way we want Him to act He is sovereign and will respond in His own way That's part of the awesome magnificence of God Job said that God does great things past finding out and wonders without number Steve Halliday says the same thing through these stories After reading you will agree that truly Faith Is Stranger Than Fiction *Longing for More* Blake S. Hart, 2025-06-25 Why do people long for more Why in an age of progress and endless possibilities do so many feel restless fragmented and unfulfilled Longing for More Man's Quest for Meaning and the Hope of Christ explores humanity's enduring search for purpose in a world increasingly marked by disillusionment Blake S Hart masterfully weaves intellectual history philosophy and theology to trace the unraveling of meaning in modernity from the optimism of scientific progress to the existential despair of postmodernism and New Atheism Through the insights of profound thinkers like Dostoevsky Eliot and Frankl readers will grapple with life's deepest questions Voices of restoration such as Chesterton Lewis and Tolkien illuminate the way forward revealing how beauty imagination and faith rekindle meaning in an age of doubt This book is a call to reclaim purpose through faith community and the Christian narrative With practical wisdom and inspiring clarity Longing for More invites readers to rediscover the joy and hope found in Christ equipping them to live as restorers in a world longing for meaning It is an invitation to the greatest journey of all **Mustard Seed Faith** Bethanee Syversen, 2019-05-21 After seven miscarriages and three failed adoptions where do you find the strength to pursue your dream of parenthood Bethanee Syversen's deeply personal debut Mustard Seed Faith A Journey through Infertility Miscarriages Adoption and Faith is a story of believing in a God who is powerful enough and generous enough to do the impossible Bethanee always wanted to be a parent When the doctors gave their prognosis she had to decide where her strength would come from She and her husband chose to trust in God Each negative pregnancy test each unexpected loss and each adoption delay would test

her heart's resolve. However, through every blow Bethanee discovered that God doesn't give up. He never goes away. And He never leaves His children unrestored. Now a mother of six, Bethanee has experienced the hardship and joy of becoming a mom through birth and through adoption. Much of Mustard Seed Faith comes from Bethanee's blog, which captured the raw emotion of her story as it unfolded. In part one, Bethanee confronts the heartbreak of infertility and the private grief of multiple miscarriages. In part two, she recounts the physical toll and emotional extremes of adopting. For many, Bethanee's fourteen-year journey is all too familiar, but it is her uncommon faith in God's good and sovereign plan that inspires readers to keep hoping, keep praying, and keep believing.

Disorganized Christianity Keith H. McIntosh, 2023-06-30. Some simple and exact beliefs organized religion has about an apple, a whale, three wise men at Jesus's birth, why Noah was the best man God could have chosen to repopulate the earth after the global flood, the treatment of women, slaves, Blacks, and homosexuals, along with many other false dogmas, will be exposed in this book. Disorganized Christianity will also address some lesser-known events like angels having sex with Eve's daughters, what the origin of the Antichrist's number 666 could be, that Eve NEVER sinned in the Garden of Eden, and the Biblical fact that Jesus CANNOT BE the Messiah. I had a falling out with my local church pastor. One week I was singing Amazing Grace, and the next week I wasn't even allowed in HIS building. I decided very quickly to reread the Bible with a different set of eyes and a different heart and determine for myself if organized religion was correct in its damnation of my soul. Organized religion was not even close to being able to defend its damning position against me. I taught them scriptures, and in the process, recaptured my soul. I created a little study guide for others to fend off the relentless attacks on their souls by mean-spirited and intolerant Christians. The study guide grew into this book, Disorganized Christianity. We converted non-Christians, now see the real darkness of organized religion's dogma, and we are no longer bound by its condemnation.

Made in His Image Diane Wiedemann, 2025-09-24. My first therapist told me I needed a witness, and here on this date, 25 September 2022, the Lord spoke unto me that He was in fact the first witness to my story, and He then witnessed my story back unto me. He then did compel me to write first for the healing of myself and then for the healing of others so they in turn can witness to others the power and healing contained within God therapy that was first given unto me and is now available for all who have need, which means you, for that's how much He loves all of us to His glory.
