**The Prophecy and Testament** Robert L. Vincent, Consuelo M. Vincent, 2006 Calling to YOU the Brethren That these Words thereof are from He who sent me and all willingness be of thine My Most Holy That day of December 25 1983 forever changed our lives Connie had received many visions of Christ as a young girl but now as an adult something changed A new Visitation unlike any of the previous encounters with God The Vision was in the form of a Golden Book located in Heaven with small and minute in script and in delved upon Gold of the purest form The writing was on Pearl of white paper As I inquired to the Lord about the nature of the Book God revealed to us Therefore this thy Book of True Revealing be restored yet unto

Her which is to say My Jerusalem And also adhering to Gods command Neglect not the Work of Mine Hand that is upon ye For that which I have spoken shall come to pass and at this place that ye harbor shall I release The Prophecy of Written Word as that which was spoken of in Scripture as a Overture to come And so now you have it to read and Overture comes It is written in Revelation 11 3 And I will give power unto my two witnesses and they shall prophesy a thousand two hundred and three score days These have power to shut heaven that it rain not in the days of the prophecy and have power over waters to turn them into blood and smite the earth with all plagues as often as they will These Testaments reveal great earthquakes Wars and The Plague of Ephods that threatens 25% of mankind with extinction The Earth toppling on its axis as a final judgment We have no weapons no guns no poisons no armies to fight with to arrest those committing high crimes and treason against humanity As Moses was at the back of the mountain tending his sheep and was summoned to Gods Holy Mountain and there was told he must go and free God s people from bondage with only a staff so we have found ourselves in similar circumstances We have the Spirit of Prophecy Gods secret weapons to set against those wishing to oppress Israel and God s people The earth is deserving     Let's Talk Harold Heie,2021-12-10 The state of public discourse in America is dismal reflecting an extreme us versus them tribalism where me and my folks have the full truth about the contentious issue at hand and those other folks are devoid of any truth and can even be demonized as evil Rather than just cursing this darkness Harold Heie presents what he considers to be a better way for those who disagree about contentious issues to respectfully engage one another a way that is deeply informed by his Christian faith perspective a way that reflects his understanding that to listen carefully to those who disagree with you and to then talk respectfully about your disagreements is a deep expression of the love for others to which Jesus calls all those who claim to be his followers But this book is not just an abstract consideration of the nature of civil public discourse Rather drawing on his successes and failures the beautiful and the ugly in his attempts to orchestrate respectful conversations on contentious issues both online and in small group face to face meetings during the past decade Heie presents practical concrete proposals for how to talk to one another about significant disagreements particularly in Christian churches that have tragically succumbed to tribalism     **I Wish Time Could Go Back** Farah Sepanlou,2024-05-01 In a small nondescript town Sara s life takes a tragic turn when her father abandons the family leaving her with her mother and soon to be stepfather Mike Mike a man plagued by his own demons turns to alcohol for solace subjecting Sara and her mother to daily torment The situation worsens when Sara s mother falls ill and dies leaving young Sara in the clutches of her abusive stepfather Deprived of education and forced into servitude within her own home Sara s life becomes a cycle of despair As years pass Sara grows into a young woman her beauty blossoming amidst the squalor of her existence Meanwhile Mike s financial situation deteriorates as he     *Foul Seed* Pasquale De Marco,2025-04-30 Prepare yourself for a literary exploration that delves into the darkest recesses of the human soul Foul Seed is a thought provoking collection of essays that examines the sinister motivations hidden desires and unspeakable acts
