Silly Ghost Stories for Kids Denis Hayes, 2013-08-23 The Ghosts that haunt Highfields Tower are spooky wild and fearsome but very entertaining In fact that is their job to scare and entertain the visitors The Reliable Ghost has become bored and boring He successfully decides to liven up his act The Absent Minded Ghost is headless and in trouble He usually carries his head tucked underneath his arm but when he puts it down he forgets where he left it The head can see but can't move and the body can move but can't see Their rows spill over into the Great Hall The Chained Woman doesn't sympathise at all with the Crying Lady until they form a double act They are so convincing as Ghosts that spectators think they are actors When they are shown that the Ghosts are real there is a panic The Necrodominator is a terrible Ghoul He doesn't just haunt he terrifies One day he goes too far and has to be found another job The Silent Lady haunts the Special Room She tempts those brave enough to stay in the room to follow her She always disappears through a door that was never there Calamity is a clumsy Ghost He cannot do ghostly things He scares no one until one day something unusual happens The Usurper just appears one day uninvited and unannounced Why he is there is a mystery until he fights to get attention and puts right what he thinks is wrong Then he disappears never to return The Invisible Ghost of course finds it difficult to convince anyone he is actually there because he is invisible He finds dramatic and startling ways to impress people The Adventures of the Man who walked through the Door that wasn't there tells the thrilling story of the man who did just that and finally found his way back after many dangerous encounters

"The First Resurrection"—Who Will Be in It? Or, the Main Purpose for Human Life! Richard Kenney, 2017-08-16 This book started out as a thirty twopage 8 5 x 11 Bible study article about ten years ago approximately 2006 which I wrote and printed up myself at home for the various groups I was teaching at the time I inserted each of the pages into clear plastic page

protectors and then mounted them into standard loose leaf binders Then as time passed I started telling myself Theres so much more to this study thats not in this writing So I went about to write another study article of fifteen 8 5 x 11 pages concerning the time right close to the time Jesus Christ would actually return then subsequently this full length book This book is about the main subject Christ told his followers to teach to the whole worldthe Gospel of the kingdom of God and the many aspects pertaining to it There are many questions When will Christ return Will we go to heaven or stay here on earth Will the dead really be resurrected Were living in the very last days now Events will happen thatll affect everyone There will be such calamities that will affect the sun moon and stars Where will the battle of Armageddon be staged This book has the answers to these questions and more We need to stay close to God now more than ever The best way to be prepared is to educate yourself by reading this book
