this book will lead the reader along an exciting journey of written self awareness **Dead Data** Jack S. Martin,2025-09-28
This book is an investigation into the digital ghosts that haunt our modern world the forgotten accounts abandoned profiles
and deleted data that never truly disappear It s a journey into the shadows of our digital lives exploring how this dead data
quietly shapes our present through algorithms phantom profiles that judge our creditworthiness and a vast invisible archive
where the past is never truly past The book asserts that what we have lost online is still here and continues to control us
