

A man with short dark hair and a beard is shown in profile, looking out of a window. His hands are clasped together in a prayerful or contemplative gesture. The room is dimly lit, with the primary light source being numerous lit candles that line the windowsill and the floor. The light from the candles and the window creates a warm, golden glow. The man is wearing a light-colored, possibly white, shirt. The overall mood is one of quiet reflection and seeking wisdom.

Traces of God Neil Gillman, 2006 A Probing and Powerful Look at the Role You Play in Shaping Your Relationship with God No matter how hard we look the God of Israel cannot be seen Looking is not seeing and seeing God is not like seeing an apple It is much more like making a medical diagnosis on the basis of looking at a complex set of symptoms Each of the symptoms is a dot We can look at the dots and still miss the pattern from Part I The

Torah is replete with references to hearing God but precious few references to seeing God. Seeing is complicated. What we look for and see are traces of God's presence in the world and in history but not God. In order to identify those traces as reflections of divine presence we need to re-examine how we see what we see and how we interpret that information. In this challenging and inspiring look at the dynamics of the religious experience, award-winning author and theologian Neil Gillman guides you into a new way of seeing the complex patterns in the Bible, history and everyday experiences and helps you interpret what those patterns mean to you and your relationship with God. Examining faith and doubt, revelation and law, suffering and redemption, Gillman candidly deconstructs familiar biblical moments in order to help you develop and refine your own spiritual vision so that you are able to discern the presence of God in unanticipated ways. *Quest for Spiritual Community* Angela H. Discussions: Philosophical Robert Lewis Dabney, 1892. **God and the Big Bang (1st Edition)** Daniel C. Matt, 2011-11-23. Mysticism and science: What do they have in common? How can one enlighten the other? By drawing on modern cosmology and ancient Kabbalah, Matt shows how science and religion can together enrich our spiritual awareness and help us recover a sense of wonder and find our place in the universe. Drawing on the insights of physics and Jewish mysticism, Daniel Matt uncovers the sense of wonder and oneness that connects us with the universe and God. He describes in understandable terms the parallels between modern cosmology and ancient Kabbalah. He shows how science and religion together can enrich our spiritual understanding. We embody the energy of the big bang, writes Matt. Furthermore, God is not somewhere else hidden from us; God is right here, hidden from us. To discover the presence of God, Matt draws on both science and theology, fact and belief, and on the truths embodied in Buddhism, Hinduism, Islam, and Christianity, as well as Judaism. A rich dialogue between the physical and the spiritual, *God the Big Bang* takes us on a deeply personal, thoughtful and inspiring journey that helps us find our place in the universe and the universe in ourselves. God's Holiness vs. Man's Lawlessness Carl Barrett, 2023-09-19. We will always obey our Lord at all costs. This is the opposite of the spirit of lawlessness, which despises authority and cultivates chaos, division and destruction. And there is no doubt that lawless and unrighteous acts are on the rise throughout this country. In a time when unholiness is rampant in our homes, schools, communities, churches and abroad, there are alarming concerns about these escalating acts. If we're not students of God's word, growing in his grace and love as believers, we can find ourselves vulnerable to the rise of unholiness because it can distort our minds, heart and attitude. It's important that God's children are on the front line in pursuing God's most divine nature of holiness and living as intentional followers of Christ. Because make no mistake, God the Father, Christ the Son and the Holy Spirit are not pleased with all the unholy practices saturating our lives. They are calling believers to intercede in the gap and bridge God's holiness in people's lives. As devout Christians, we are needed more than ever because an intense battle of spiritual warfare is spreading where evil is trying to take over and we cannot allow this to happen. *Angels, Demons and the*
