Johannine Portrayal of Jesus Yan Ma,2024-12-02 This book introduces a new methodological framework based on the theory of Systemic Functional Linguistics which can examine the linguistic features of the New Testament text By applying a two step discourse analysis model that includes a functional semantic analysis and a rhetorical relational analysis this book argues that the twenty eight occurrences of I am in Jesus's utterances throughout the Gospel of John reinforce John's portrayal of Jesus's divinity In the light of John's construing of Jesus's divinity this new analysis of the Johannine I am phrases demonstrates how Johannine Christology is expressed through the narrative of John's Gospel with various textual characteristics

The Doctrine of Salvation; A Beginner's Guide to Understanding Biblical Theology: What Does Biblical Salvation Really Mean Michael Southard,2017-01-25 Have you ever just wanted to sit down and read something about God or Jesus just to get closer to him to know him more intimately or to expand your understanding of his creation and plan for you So you find a book that advertises just the subject matter you are interested in then you open it and begin to read but before long you realize you have to run and get the dictionary Then you may have to purchase a dictionary of theology then maybe an encyclopedia of Christian apologetics just to understand what you are reading When this happens readers often give up on the book and never finish it and may never buy another one It can get discouraging when confronted with terminology like infralapsarianism hamartiology and demythologization and that doesn't include the hundreds of nontheological words rarely used in common communication today Authors write this way to keep the book from becoming the size of an encyclopedia However I did buy all those books and persevered in study because of my great hunger for the deeper things of God Now you can too because this book conveys these wonderful biblical thoughts and great theologians' writings into plain common language The Doctrine of Salvation takes deep theological concepts and brings their

understanding down to a street level as it were This book describes on a practical level how these doctrines are to be applied to our lives and how we can relate them to others I refrain from using thirteen letter words but if they are needed I will use them and then immediately clarify their meaning so the reader will not lose their train of thought Enjoy reading about the wonders of God again in greater depth

Jesus Becoming Jesus, Volume 3 Thomas G. Weinandy, 2022-09-28 Jesus Becoming Jesus Volume 3 follows upon the previous two volumes of this series entitled Jesus Becoming Jesus Volume 1 was a theological interpretation of the Gospels of Matthew Mark and Luke and volume 2 was a theological interpretation of the Prologue and Book of Signs of John's Gospel chapters 1-12 Unlike many conventional biblical commentaries Weinandy concentrates on the theological content contained within John's Gospel This is accomplished through a close reading of John's Gospel theologically interpreting each chapter of the Gospel sequentially In so doing he also takes into account the Johannine corpus as a whole He also relates John's Gospel to relevant material found within the Synoptic Gospels the Pauline Corpus and other New Testament writings In this present volume Weinandy's original theological interpretation focuses first on the Evangelist's narrative of the Last Supper which includes Jesus washing of his disciples feet followed upon his lengthy farewell address and his ensuing High Priestly Prayer chapter 13-17 Although Jesus speaks of his leaving his disciples yet their hearts should not be troubled for he is going to prepare a place for them in his Father's house and he will also send them another Counselor the Holy Spirit The Holy Spirit will not only convict the world sin but he will also empower the disciples to profess their faith in Jesus as the Father's Son even in the midst of persecution All that Jesus tells his disciple in his final discourse he then prays that his Father will accomplish through his forthcoming death and resurrection above all that his disciples will share in the same oneness of love that he and his Father possess Weinandy masterfully treats John's Passion and Resurrection Narratives He not only theologically interprets the uniqueness of the Evangelist's narratives but also how his narratives intersect with the Synoptic accounts Moreover Weinandy's theological reading of Jesus crucifixion and resurrection weaves together John's soteriology ecclesiology and sacramentality all of which are founded upon the Incarnation that Jesus is the Father's Spirit-filled incarnate Son As the title suggests Jesus being named Jesus in his death and resurrection definitively enacts his name and so becoming who he is YHWH Saves
