

La femme dans “la Tentation de l'Occident”

La femme est un objet assez digne d'intérêt, susceptible, comme l'œuvre d'art, de beauté, et destinée à l'accomplissement de certains devoirs. Qu'elle soit féconde et fidèle, si elle doit être épouse ; belle, si elle doit être concubine ; experte, si elle doit être courtisane. Lascive, cela n'est point désirable ; il suffit qu'elle soit habile à servir son mari ou à dispenser à son amant des divertissements agréables variés. L'idée que nous avons d'elle nous empêche de lui prêter une personnalité particulière.

The Sacred Embrace of Jesus and Mary Jean-Yves Leloup, 2006-02-24 An examination of how the teachings of Jesus reveal the essential role of sexuality in spiritual growth and transformation Shows that Jesus did not come to redeem humanity from the life of the flesh but to honor it as a spiritual path Uses Hebrew gnostic and early Christian source texts to reveal the true context of the words attributed to Jesus Explores the spiritual and physical relationship shared by Jesus and Mary Magdalene Of all the major religions Christianity is the only one that has utterly rejected sexuality as one of the many paths that can lead to enlightenment and salvation But if Jesus was indeed the Word made flesh and serious consideration is given to the mystery of his Incarnation is it reasonable that physical love would have been prohibited to him Drawing from the canonical and apocryphal gospels the Hebrew esoteric tradition and gnosticism Jean Yves Leloup shows that Jesus did not come to save humanity from the life of the flesh but to save the life of the flesh so that it would truly transfigure all people Leloup explains that when Saint Paul said it was good to be without women he did not cite any words of Jesus in support of this contention In fact Paul's statement utterly contradicts the words of God in Genesis It is not good that man should be alone Leloup argues that the elimination of the divine feminine and sacred sexuality set in motion by Paul's words does not reflect the true teachings of Christ and that the transformation of Jesus into a celibate is the true heresy His research restores Christ's true human sexuality and shows it to be a vital part of humanity's spirituality Leloup contends that by understanding the sacred nature of the embrace shared by man and woman as a true reflection of humanity made in God's image Christianity can again become the powerful path of transfiguration Christ intended

Malraux Olivier Todd, 2007-12-18 Writer publisher war hero French government minister Andr Malraux was renowned as a Renaissance man of the twentieth century Now Olivier Todd author of the acclaimed biography Albert Camus gives us this life in which fact competes dramatically with his subject's previously little known mythomania We see the adventurous young Malraux move from 1920s literary Paris to colonial Cambodia Cochinchina and Spain in its civil war Todd charts the thrilling exploits that would inspire such novels as *Man's Fate* but just as fascinating he also traces Malraux's lifelong pattern of lies claiming friendship with Mao he was called to tutor Nixon despite having met the Great Helmsman only once a minor injury becomes in recollections a near mortal battlefield wound stories of heroism in the French Resistance omit to mention that Malraux joined up just a few weeks before the Allied landings With meticulous research Todd separates myth from reality to throw light on a brilliant con man who would become a national hero but he also lets us see Malraux's

La morale ne régit pas sa conduite, seulement ses discours. Le soir, les maris laissent leurs femmes, les enfants se masturbent. Mais les contre leurs sociaux hygiénistes, médecins, pédagogues s'indignent en cadence, portent parole d'une société qui substitue l'opinion au sacré et le dehors la vérité.
