Long Night Of Francisco Sanctis:

The Long Night of Francisco Sanctis Humberto Costantini, 1985 During the military dictatorship of Argentina in 1977 office clerk Francisco Sanctis his wife and children lead a quiet life in Buenos Aires But one day an old friend calls him after 20 years asking him to sign something When they meet she explains that she actually wants him to warn two of her friends that are about to be kidnapped by the army and Francisco must decide if he wants to risk everything for two strangers

The Long Night of Francisco Sanctis Humberto Costantini, 1987-01 Buenos Aires Jason Wilson, 2007 The most European of South American cities Buenos Aires evokes exile and nostalgia A nineteenth century replica of Paris or Madrid set adrift in an alien continent its identity is neither of the Old World nor the New The city's rootlessness has famously found expression in the melancholy of tango and more recently in a vogue for psycho analysis even more widespread than New York's Jewish Writers of Latin America Darrell B. Lockhart, 2013-08-21 Jewish writing has only recently begun to be recognized as a major cultural phenomenon in Latin American literature Nevertheless the majority of students and even Latin American literary specialists remain uninformed about this significant body of writing This Dictionary is the first comprehensive bibliographical and critical source book on Latin American Jewish literature It represents the research efforts of 50 scholars from the United States Latin America and Israel who are dedicated to the advancement of Latin American Jewish studies An introduction by the editor is followed by entries on 118 authors that provide both biographical information and a critical summary of works Argentina Brazil and Mexico home to the largest Jewish communities in Latin America are the countries with the greatest representation but there are essays on writers from Venezuela Chile Uruguay Peru Colombia Costa Rica and Cuba **Historical Dictionary of the Dirty Wars** David Kohut, Olga Vilella, 2010-02-18 Unlike a conventional war waged against a standing army a dirty war is waged against individuals groups or ideas considered subversive Originally associated with Argentina's military regime from 1976 1983 the term has since been applied to neighboring dictatorships during the period Indeed it has become a byword for state sponsored repression anywhere in the world The first edition of this reference illustrated the concept by describing the regimes of Argentina Chile 1973 1990 and Uruguay 1973 1985 which tortured murdered and disappeared thousands of people in the name of anticommunism while thousands more were driven into exile The second edition expands the scope to include Bolivia 1971 1982 Brazil 1964 1985 and Paraguay 1954 1989 Includes a chronology an introductory essay a bibliography and over 400 cross referenced dictionary entries on the countries guerrilla and political movements prominent guerrilla human rights military and political figures local regional and international human rights organizations and artistic figures filmmakers novelists and playwrights whose works attempt to represent or resist the period of repression Publisher **Historical Dictionary of the "dirty Wars"** David R. Kohut, Olga Vilella, Beatrice Julian, 2003 During the 1970s and 1980s national security regimes in Argentina Chile and Uruguay declared war on suspected subversives carrying out campaigns of mass human rights violations The

Historical Dictionary of the Dirty Wars describes the period including the background and aftermath

The Columbia Guide to the Latin American Novel Since 1945 Raymond L. Williams, 2007 In this expertly crafted richly detailed guide Raymond Leslie Williams explores the cultural political and historical events that have shaped the Latin American and Caribbean novel since the end of World War II In addition to works originally composed in English Williams covers novels written in Spanish Portuguese French Dutch and Haitian Creole and traces the profound influence of modernization revolution and democratization on the writing of this era Beginning in 1945 Williams introduces major trends by region including the Caribbean and U S Latino novel the Mexican and Central American novel the Andean novel the Southern Cone novel and the novel of Brazil He discusses the rise of the modernist novel in the 1940s led by Jorge Luis Borges s reaffirmation of the right of invention and covers the advent of the postmodern generation of the 1990s in Brazil the Generation of the Crack in Mexico and the McOndo generation in other parts of Latin America An alphabetical guide offers biographies of authors coverage of major topics and brief introductions to individual novels It also addresses such areas as women s writing Afro Latin American writing and magic realism The guide s final section includes an annotated bibliography of introductory studies on the Latin American and Caribbean novel national literary traditions and the work of individual authors From early attempts to synthesize postcolonial concerns with modernist aesthetics to the current focus on urban violence and globalization *The Columbia Guide to the Latin American Novel Since 1945* presents a comprehensive accessible portrait of a thoroughly diverse and complex branch of world literature

Asia-Pacific Film Co-productions Dal Yong Jin, Wendy Su, 2019-11-20 This book examines cross regional film collaboration within the Asia Pacific region Through a mixed methods approach of political economy industry and market as well as textual analysis the book contributes to the understanding of the global fusion of cultural products and the reconfiguration of geographic political economic and cultural relations Issues covered include cultural globalization and Asian regionalization identity regionalism and industry practices and inter Asian and transpacific co production practices among the U S A China South Korea Japan India Hong Kong Taiwan Argentina Australia and New Zealand

The Human Tradition in Latin America William H. Beezley, Judith Ewell, 1987 This unique collection emphasizes the human element in the study of Latin American history by focusing on the lives of twenty three men women and children Though they differ widely from each other in background and circumstance these individuals share a common experience all are caught up in some way by the profound sometimes devastating changes that accompany the modernization of a traditional society Their stories bring vividly to life the impact that revolution economic upheaval urbanization destruction of community life and the disruption of family and gender roles have on ordinary people These studies also bring out the various ways often creative and courageous in which Latin Americans have coped with the fortunes and vicissitudes of progress

Odd Jobs John Updike, 2012-12-04 To complement his work as a fiction writer John Updike accepted any number of odd jobs book reviews and introductions speeches and tributes a few paragraphs on baseball or beauty or Borges

and saw each as an opportunity to learn something or to extract from within some unsuspected wisdom In this his largest collection of assorted prose he brings generosity and insight to the works and lives of William Dean Howells George Bernard Shaw Philip Roth Muriel Spark and dozens more Novels from outposts of postmodernism like Turkey Albania Israel and Nigeria are reviewed as are biographies of Cleopatra and Dorothy Parker The more than a hundred considerations of books are flanked on one side by short stories a playlet and personal essays and on the other by essays on his own oeuvre Updike's odd jobs would be any other writer's chief work **Fiction and Truth in Transition** Oscar Hemer, 2012 What can fiction tell us about the world that journalism and science cannot This simple yet vast question is the starting point for an interrogation of the relationship between literary fiction and society's dramatic transformation in South Africa and Argentina over the past several decades The resulting discursive text borders on both journalism and literature incorporating reportage essay and memoir Series Freiburg Studies in Social Anthropology Vol 34 Choice, 1986 Contemporary World Fiction Juris Dilevko, Keren Dali, Glenda Garbutt, 2011-03-17 This much needed guide to translated literature offers readers the opportunity to hear from learn about and perhaps better understand our shrinking world from the perspective of insiders from many cultures and traditions In a globalized world knowledge about non North American societies and cultures is a must Contemporary World Fiction A Guide to Literature in Translation provides an overview of the tremendous range and scope of translated world fiction available in English In so doing it will help readers get a sense of the vast world beyond North America that is conveyed by fiction titles from dozens of countries and language traditions Within the guide approximately 1 000 contemporary non English language fiction titles are fully annotated and thousands of others are listed Organization is primarily by language as language often reflects cultural cohesion better than national borders or geographies but also by country and culture In addition to contemporary titles each chapter features a brief overview of earlier translated fiction from the group The guide also provides in depth bibliographic essays for each chapter that will enable librarians and library users to further explore the literature of numerous languages and cultural traditions

Spanish American Writing Since 1941 George R. McMurray, 1987 Going to the Tigers Robert Cohen, 2022-08-16 In this funny and perceptive collection novelist and essayist Robert Cohen shares his thoughts on the writing process and then puts these prescriptions into practice from how to rant effectively as an essayist and novelist The Piano Has Been Drinking how to achieve your own style naming characters and creating them how one manages one's own identity with being a writer in time and space to the use of reference and allusion in one's work Cohen is a deft weaver of allusion himself In lieu of telling the reader how to master the elements of writing fiction he shows them through the work of the writers who most influenced his own development including Roth Ellison Kafka and Robinson Rooted in his own experiences this collection of essays shows readers how to use their influences and experiences to create bold personal and individual work While the first part of the book teaches writing the essays in the second part show how these elements come together

Globalization and Latin American Cinema Sophia A. McClennen, 2018-05-25 Studying the case of Latin American cinema this book analyzes one of the most public and most exportable forms of postcolonial national culture to argue that millennial era globalization demands entirely new frameworks for thinking about the relationship between politics culture and economic policies Concerns that globalization would bring the downfall of national culture were common in the 1990s as economies across the globe began implementing neoliberal free market policies and abolishing state protections for culture industries Simultaneously new technologies and the increased mobility of people and information caused others to see globalization as an era of heightened connectivity and progressive contact Twenty five years later we are now able to examine the actual impact of globalization on local and regional cultures especially those of postcolonial societies Tracing the full life cycle of films and studying blockbusters like City of God Motorcycle Diaries and Children of Men this book argues that neoliberal globalization has created a highly ambivalent space for cultural expression one willing to market against itself as long as the stories sell The result is an innovative and ground breaking text suited to scholars interested in globalization studies Latin American studies and film studies Postcolonial literature and the biblical call for justice, 1994 These writers from postcolonial lands express readings of individual biblical texts as well as theoretical discussion of such issues as the challenge biblical justice makes to poststructuralism the tensions in synthesizing Christianity and indigenous cultures and the ethical dilemmas faced by writers opposing injustice **Collisions with History** Frederick M. Nunn, 2001 These collisions occurred only because of El Boom thus making Latin America's greatest literary movement a historical phenomenon as well Frederick M Nunn discusses the cataclysmic view of history conveyed in Boom novels and examines the thought and self perception of selected authors whose political activism enhanced the appeal of their works historical and otherwise Alejo Carpentier Carlos Fuentes Gabriel Garcia Marquez and Augusto Roa Bastos Julio Cortazar Isabel Allende Mario Vargas Llosa and Darcy Ribeiro **The Cinematic Art of Eliseo Subiela, Argentine Filmmaker** Nancy J. Membrez, 2007 This book consists of critical studies dealing in considerable analytical depth with the work of Argentine filmmaker Eliseo Subiela his principle filmic texts overarching cinematic motifs and literary cultural influences following a variety of approaches and styles such as theoretical mythological Jungian historical philosophical and literary modes Also included in this work is an in depth interview with the filmmaker in English Literature and the Bible David Bevan, 2023-12-18
