Long Shadow Of Little Rock A Memoir

Scott W. Stern

Long Shadow Of Little Rock A Memoir:

The Long Shadow of Little Rock Daisy Bates, 2007-02-01 At an event honoring Daisy Bates as 1990 s Distinguished Citizen then governor Bill Clinton called her the most distinguished Arkansas citizen of all time Her classic account of the 1957 Little Rock School Crisis The Long Shadow of Little Rock couldn t be found on most bookstore shelves in 1962 and was banned throughout the South In 1988 after the University of Arkansas Press reprinted it it won an American Book Award On September 3 1957 Gov Orval Faubus called out the National Guard to surround all white Central High School and prevent the entry of nine black students challenging the Supreme Court s 1954 order to integrate all public schools On September 25 Daisy Bates an official of the NAACP in Arkansas led the nine children into the school with the help of federal troops sent by President Eisenhower the first time in eighty one years that a president had dispatched troops to the South to protect the constitutional rights of black Americans This new edition of Bates s own story about these historic events is being issued to coincide with the fiftieth anniversary of the Little Rock School crisis in 2007

The Long Shadow of Little Rock: A Memoir ,1987 **Fearless Speech** Mary Anne Franks, 2024-10-15 A powerful debunking of First Amendment orthodoxy that critiques reckless speech which endangers vulnerable groups and elevates fearless speech which seeks to advance equality and democracy Freedom of speech has never been more important or more controversial From debates about what s permissible on social media to the politics of campus speakers and corporate advertisements the First Amendment is incessantly in the news and constantly being held up as the fundamental principle of American democracy Yet in reality it has contributed more to eroding our democracy than supporting it In Fearless Speech Dr Mary Anne Franks emphasizes the distinction between what speech a democratic society should protect and what speech a democratic society should promote While the First Amendment in theory is politically neutral in practice it has been legally deployed most visibly and effectively to promote powerful antidemocratic interests misogyny racism religious zealotry and corporate self interest in other words reckless speech Instead Franks argues we need to focus on fearless speech speakers who have risked their safety their reputations and in some cases their lives to call out injustice and hold the powerful accountable Whether it be civil rights leaders the women of the MeToo movement or pro choice advocates Franks shows us how their cases and their voices can allow us to promote a more democratic version of free speech Told through an accessible narrative and ending with a call for change that urges us to reevaluate the legal precedents and uses of the First Amendment Fearless Speech is a revelatory new argument that urges us to reimagine what our society could look like

The Little Rock Crisis R. Perry, 2015-05-06 The Little Rock Crisis frames the story of the Little Rock 1957 desegregation crisis through the lens of memory Over time those memories individual and collective have motivated Little Rockians for social and political action and engagement

There Is a Deep Brooding in Arkansas Scott W. Stern, 2025-01-28 A sweeping study of sexual assault trials in the Jim Crow South detailing the racial and economic inequities of rape law and the resistance of ordinary women In the early years

of the twentieth century Mississippi County Arkansas was a brutal and profitable place Home to starving landless farmers the county produced almost 2 percent of the entire world s cotton It was also the site of two rape trials that made national headlines an accusation that sent two Black men almost certainly innocent to death row and the case of two white men almost certainly guilty who were likewise sentenced to death but who would ultimately face a very different fate Braiding together these stories Scott W Stern examines how the Jim Crow legal system relied on selectively prosecuting rape to uphold the racial gender and economic hierarchies of the segregated unequal South But as much as rape law was a site of oppression it was also Stern shows an arena of fierce resistance Based on deep archival research this kaleidoscopic narrative includes new information about the early career of Thurgood Marshall who called one of the Mississippi County trials worse than any we have had as yet and the anti rape activism of Maya Angelou who came of age in Arkansas and whose decision to write about her own sexual assault helped shape a burgeoning movement

Human Rights Law and the Marginalized Other William Paul Simmons, 2011-09-26 This is a groundbreaking application of contemporary philosophy to human rights law that proposes significant innovations for the progressive development of human rights Drawing on the works of prominent philosophers of the Other including Emmanuel Levinas Gayatri Chakravorti Spivak Judith Butler and most centrally the Argentine philosopher of liberation Enrique Dussel this book develops an ethics based on concrete face to face relationships with the Marginalized Other It proposes that this should inspire a human rights law that is grounded in transcendental justice and framed from the perspective of marginalized groups This would continuously deconstruct the original violence found in all human rights treaties and tribunals and promote preferential treatment for the marginalized It would be especially attentive to such issues as access to justice voice representation agency and responsibility This differs markedly from more conventional theories that prioritize the autonomy of the ego state sovereignty democracy and or equality

Black Heroes: A Black History Book for Kids Arlisha Norwood, 2025-06-17 Meet extraordinary black heroes throughout history biographies for kids ages 8 to 12 You re invited to meet ancient Egyptian rulers brilliant scientists legendary musicians and civil rights activists all in the same book Black Heroes introduces you to 51 black leaders and role models from both history and modern times This black history book for kids features inspirational biographies of trailblazers from the United States Egypt Britain and more Discover where in the world they lived and what their lives were like growing up Learn about the obstacles they faced on the way to making groundbreaking accomplishments You ll find out how these inspirational figures created lasting change and paved the way for future generations Black Heroes A Black History Book for Kids features Fascinating biographies Read about famous icons like Dr Martin Luther King Jr and Harriet Tubman as well as lesser known pioneers like aviator Bessie Coleman and astronomer Benjamin Banneker Ways to learn more Every biography includes an idea for a new way to explore the person and their work like a book to read website to visit or video to watch Colorful portraits Bring the historical heroes to life in your imagination with the help of full color illustrations Black Heroes goes

beyond other black history biographies for kids to highlight people from around the world and across time Who will your new hero be

Gunfight: The Battle over the Right to Bear Arms in America Adam Winkler, 2011-09-19 A provocative history that reveals how guns not abortion race or religion are at the heart of America's cultural divide Gunfight is a timely work examining America's four centuries long political battle over gun control and the right to bear arms In this definitive and provocative history Adam Winkler reveals how guns not abortion race or religion are at the heart of America's cultural divide Using the landmark 2008 case District of Columbia v Heller which invalidated a law banning handguns in the nation's capital as a springboard Winkler brilliantly weaves together the dramatic stories of gun rights advocates and gun control lobbyists providing often unexpected insights into the venomous debate that now cleaves our nation

Julian Bond's Time to Teach Julian Bond, 2021-01-12 A masterclass in the civil rights movement from one of the legendary activists who led it Compiled from his original lecture notes Julian Bond's Time to Teach brings his invaluable teachings to a new generation of readers and provides a necessary toolkit for today's activists in the era of Black Lives Matter and MeToo Julian Bond sought to dismantle the perception of the civil rights movement as a peaceful and respectable protest that quickly garnered widespread support Through his lectures Bond detailed the ground shaking disruption the movement caused its immense unpopularity at the time and the bravery of activists some very young who chose to disturb order to pursue justice Beginning with the movement's origins in the early twentieth century Bond tackles key events such as the Montgomery bus boycott the Little Rock Nine Freedom Rides sit ins Mississippi voter registration the Sixteenth Street Baptist Church Bombing the March on Washington the Civil Rights Act Freedom Summer and Selma He explains the youth activism community ties and strategizing required to build strenuous and successful movements With these firsthand accounts of the civil rights movement and original photos from Danny Lyon Julian Bond's Time to Teach makes history come alive

The African American Experience Arvarh E. Strickland, Robert E. Weems Jr., 2000-11-30 Compared to the early decades of the 20th century when scholarly writing on African Americans was limited to a few titles on slavery Reconstruction and African American migration the last thirty years have witnessed an explosion of works on the African American experience With the Civil Rights and Black Power movements of the 1960s came an increasing demand for the study and teaching of African American history followed by the publication of increasing numbers of titles on African American life and history This volume provides a comprehensive bibliographical and analytical guide to this growing body of literature as well as an analysis of how the study of African Americans has changed

NAACP Youth and the Fight for Black Freedom, 1936-1965 Thomas Bynum, 2013-08-30 Historical studies of black youth activism have until now focused almost exclusively on the activities of the Congress of Racial Equality CORE and the Student Nonviolent Coordinating Committee SNCC However the NAACP youth councils and college chapters predate both of those organizations They initiated grassroots organizing efforts and nonviolent direct action tactics as early as the 1930s and in doing so made significant contributions to the struggle for racial equality in

the United States This deeply researched book breaks new ground in an important and compelling area of study Thomas Bynum carefully examines the activism of the NAACP youth and effectively refutes the perception of the NAACP as working strictly through the courts His research illuminates the many direct action activities undertaken by the young people of the NAACP activities that helped precipitate the breakdown of racial discrimination and segregation in America Beginning with the formal organization of the NAACP youth movement under Juanita Jackson the author traces the group s activities from their early anti lynching demonstrations through their post World War II withholding patronage campaigns to their participation in the sit in protests of the 1960s He also explores the evolution of the youth councils and college chapters including their sometime rocky relationship with the national office and shows how these groups actually provided a framework for the emergence of youth activism within CORE and SNCC The author provides a comprehensive account of the generational struggle for racial equality capturing the successes failures and challenges the NAACP youth groups experienced at the national state and local levels He firmly establishes the vital role they played in the history of the civil rights movement in the United States and in the burgeoning tradition of youth activism in the postwar decades **A**

Companion to American Women's History Nancy A. Hewitt,2008-04-15 This collection of twenty four original essays by leading scholars in American women s history highlights the most recent important scholarship on the key debates and future directions of this popular and contemporary field Covers the breadth of American Women s history including the colonial family marriage health sexuality education immigration work consumer culture and feminism Surveys and evaluates the best scholarship on every important era and topic Includes expanded bibliography of titles to guide further research At the

Dark End of the Street Danielle L. McGuire,2010-09-07 Here is the courageous groundbreaking story of Rosa Parks and Recy Taylor a story that reinterprets the history of America s civil rights movement in terms of the sexual violence committed against Black women by white men An important step to finally facing the terrible legacies of race and gender in this country The Washington Post Rosa Parks was often described as a sweet and reticent elderly woman whose tired feet caused her to defy segregation on Montgomery s city buses and whose supposedly solitary spontaneous act sparked the 1955 bus boycott that gave birth to the civil rights movement The truth of who Rosa Parks was and what really lay beneath the 1955 boycott is far different from anything previously written In this groundbreaking and important book Danielle McGuire writes about the rape in 1944 of a twenty four year old mother and sharecropper Recy Taylor who strolled toward home after an evening of singing and praying at the Rock Hill Holiness Church in Abbeville Alabama Seven white men armed with knives and shotguns ordered the young woman into their green Chevrolet raped her and left her for dead The president of the local NAACP branch office sent his best investigator and organizer Rosa Parks to Abbeville In taking on this case Parks launched a movement that exposed a ritualized history of sexual assault against Black women and added fire to the growing call for change **Southern Black Women in the Modern Civil Rights Movement** Bruce A. Glasrud,Merline Pitre,2013-03-28

Throughout the South black women were crucial to the Civil Rights Movement serving as grassroots and organizational leaders They protested participated sat in mobilized created energized led particular efforts and served as bridge builders to the rest of the community Ignored at the time by white politicians and the media alike with few exceptions they worked behind the scenes to effect the changes all in the movement sought Until relatively recently historians too have largely ignored their efforts Although African American women mobili *The Confederate Battle Flag* John M. COSKI,2009-06-30 Beautiful Minds explains how and why apes and dolphins are so distantly related yet so cognitively alike and what this teaches us about another large brained mammal Homo sapiens Noting that apes and dolphins have had no common ancestor in nearly 100 million years Bearzi and Stanford describe the parallel evolution that gave rise to their intelligence **Words of Witness** Angela A. Ards,2015 A literary and political genealogy of the last half century Words of Witness explores black feminist autobiographical narratives in particular by June Jordan Edwidge Danticat Melba Beals Rosemary Bray and Eisa Davis in the context of activism and history since the landmark 1954 segregation case Brown vs the Board of Education

The Women's Rights Movement since 1945 Christina G. Larocco,2022-11-11 Documenting the history of the American women s rights movement from 1945 through the 2016 election this reference offers a crucial and objective look at the changing strategies goals and challenges of American feminists Many aspects of women s lives in the mid twentieth century including legal subjugation to their husbands limitations in education and employment and restrictions on sexual and reproductive autonomy are unthinkable today Women s lives improved only through the concerted action of several generations of activists whose work lies at the center of this volume This book traces women s changing relationships to family work education government and sexuality from 1945 through the 2016 election The book begins with an overview essay that places the women s rights movement in its historical context This is followed by a chronology offering concise profiles of key events A series of chapters then discusses the history of the women s rights movement since 1945 and what the movement has accomplished Biographical entries profile key figures involved in the movement and a selection of primary source documents gives first hand accounts of the movement An annotated bibliography directs readers to additional sources of information *Jimi Hendrix and the Cultural Politics of Popular Music* Aaron Lefkovitz,2018-03-28 This book on Jimi Hendrix s life times visual cultural prominence and popular music with a particular emphasis on Hendrix s relationships to the cultural politics of race gender sexuality ethnicity class and nation Hendrix an itinerant Gypsy and Voodoo child whose racialized freak visual image continues to internationally circulate exploited the exoticism of his race gender and sexuality and Gypsy and Voodoo transnational political cultures and religion Aaron E Lefkovitz argues that Hendrix can be located in a legacy of black transnational popular musicians from Chuck Berry to the hip hop duo Outkast confirming while subverting established white supremacist and hetero normative codes and conventions Focusing on Hendrix s transnational biography and centrality to US and international visual cultural and popular music histories this book links Hendrix to traditions of

blackface minstrelsy international freak show spectacles black popular music s global circulation and visual cultural racial gender and sexual stereotypes while noting Hendrix s place in 1960s countercultural US exceptionalist cultural Cold War and rock histories

A Nation Can Rise No Higher Than Its Women Bayyinah S. Jeffries, 2014-04-04 *A Nation Can Rise No Higher Than Its Women* African American Muslim Women in the Movement for Black Self Determination 1950 1975 challenges traditional notions and interpretations of African American particularly women who joined the Original Nation of Islam during the Civil Rights Black Power era This book is the first major investigation of the subject that engages a wide scope of women from The Nation and utilizes a wealth of primary documents and personal interviews to reveal the importance of women in this community Jeffries reveals that women were respected in the movement and maintained a very clear and often sought after voice in the advancement of the Original Nation of Islam *A Nation Can Rise No Higher Than Its Women* replaces the typical portrait of the subservient and irrelevant African American Muslim woman with a far more accurate picture of their integral leadership and substantial contributions to the rise of Islam and black consciousness in the self determination movement in the United States and beyond during the Civil Rights Black Power era

Brown's Battleground Jill O'Connell Titus, 2011 When the U S Supreme Court handed down its decision in *Brown v Board of Education* in 1954 Prince Edward County Virginia home to one of the five cases combined by the Court under *Brown* abolished its public school system rather than inte
