## **Long Time Passing Lives Of Older Lesbians:**

Long Time Passing Marcy Adelman, 1986      **The Lives of Older Lesbians** Jane Traies, 2016-06-24 This unique book sheds new light on the most invisible members of the lesbian gay bisexual and transgender LGBT community Hidden from view by a combination of prevailing cultural assumptions and their own unwillingness to be seen older lesbians have been consistently under represented in both popular culture and research This ground breaking study based on an unprecedentedly large research sample of nearly four hundred lesbian identified women between the ages of 60 and 90 offers a fascinating insight into the lives of older lesbians in the UK Drawing on data from a comprehensive questionnaire survey and illustrated with vivid personal testimonies it explores both the diversity and the distinct collective identity of the older lesbian community arguing that understanding their past experience is crucial to providing for their needs in the future It is essential reading for scholars in the fields of women s studies and genders and sexualities and will also appeal to sociologists political scientists anthropologists social and cultural historians and experts in ageing gerontology nursing and social work      *Reader's Guide to Lesbian and Gay Studies* Timothy Murphy, 2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report      **Heavenly Love?** Gabriele Griffin, 1993      Lesbian, Gay, Bisexual, and Transgender Aging Douglas C. Kimmel, 2006 This volume fills a unique gap Gerontologists seldom focus on special concerns of gay and lesbian older adults lesbian gay bisexual and transgender aging organizations rarely address issues of aging and the mental health field has demonstrated an ability to marginalize both aging and homosexuality This book lays out the state of knowledge with respect to lesbian gay bisexual and transgender aging physical health sexuality family ties victimization and legal and financial concerns The references at the end of individual chapters and the bibliographical material at the end of the book provide an invaluable resource For any gerontologist intrigued by the interplay of historical changes and individual aging it is difficult to imagine a more powerful example than Lesbian Gay Bisexual and Transgender Aging Evolution of attitudes toward homosexuality the emergence of HIV AIDS and legal protections beginning to be afforded to same sex relationships are all part of the changing world that has shaped and been shaped by lesbian gay bisexual and transgender individuals who are now old      **Lesbian Studies: Setting an Agenda** Tamsin Wilton, 2002-09-11 Neither women s studies nor lesbian and gay studies offers an adequate theoretical or political base for lesbian scholarship Lesbian Studies Setting and Agenda aim to promote lesbian studies as an academic and political approach to both gender and the erotic and to clarify the damaging influence of heterosexism across a range of disciplines Drawing on feminism and queer theory Tamsin Wilton argues that lesbian is a theoretical position which must be widely

available in order to challenge the dominance of the heterosexual perspective Engaging with theoretical and political debates the book moves beyond its role of setting an agenda for lesbian studies into a wider role as resource and catalysts for anyone interested in gender and the erotic

**Inventing Lesbian Cultures** Ellen Lewin, 1996-12-31 This pioneering collection of essays explores some of the many and varied ways that women might use a particular idea of being lesbian to invent themselves to understand how they are connected in the world and to imagine notions of community Focused through an anthropological lens contributors explore a wide range of expressions that bind different lesbian communities together from dance club culture to lesbian wedding ceremonies from lesbian life in the 1920s to lesbian motherhood today As a whole *Inventing Lesbian Cultures in America* shows how communities and identities allow for a sense of collective meaning for lesbians today Defined in terms of culture the activities alliances and identities that make up the experience of being lesbian imbue their lives with dignity and stability *Inventing Lesbian Cultures in America* will become required reading for anyone interested in gender and sexual identity

**Gay and Lesbian Aging** Gilbert Herdt, Brian De Vries, 2003-11-17 The year 2003 marks the 30th anniversary of the landmark declassification of homosexuality as a disease by the American Psychiatric Association a watershed in the lives of gays and lesbians in the United States For the first time in history a generation of self identified lesbians gay men bisexuals and transgender individuals are approaching retirement This volume brings to the forefront important issues concerning the health mental health and concomitant special social service needs of this population and emphasizes the need for more research on aging sexual minorities Based on empirical and qualitative research methods chapters focus on the myriad issues of aging for lesbians and gay men including Social and Cultural Considerations about HIV Among Midlife and Older Gay Men Psychological Well Being in Midlife Older Gay Men Well Being Among Middle Aged and Older Single Gay Men Lesbian Friendships at and Beyond Midlife Contributors include Judith Barker Jacqueline Weinstock Bertram Cohler and Doug Kimmel among others

*Coming Out Under Fire* Allan Bérubé, 2010-09-07 During World War II as the United States called on its citizens to serve in unprecedented numbers the presence of gay Americans in the armed forces increasingly conflicted with the expanding antihomosexual policies and procedures of the military In *Coming Out Under Fire* Allan Bérubé examines in depth and detail these social and political confrontation not as a story of how the military victimized homosexuals but as a story of how a dynamic power relationship developed between gay citizens and their government transforming them both Drawing on GI's wartime letters extensive interviews with gay veterans and declassified military documents Bérubé thoughtfully constructs a startling history of the two wars gay military men and women fought one for America and another as homosexuals within the military Bérubé's book the inspiration for the 1995 Peabody Award winning documentary film of the same name has become a classic since it was published in 1990 just three years prior to the controversial don't ask don't tell policy which has continued to serve as an uneasy compromise between gays and the military With a new foreword by historians John D Emilio and Estelle B Freedman

this book remains a valuable contribution to the history of World War II as well as to the ongoing debate regarding the role of gays in the U S military

**Feminism, Sexuality, and Politics** Estelle B. Freedman, 2006 One of a small group of feminist pioneers in the historical profession Estelle B Freedman teaches and writes about women s history with a passion informed by her feminist values Over the past thirty years she has produced a body of work in which schol

**Lesbian Texts and Contexts** Karla Jay, Joanne Glasgow, 1990-06 Lesbian writers include some of the most innovative and adventurous writers of this century but only recently have they been given their due attention in terms of critical study This book is the first anthology to discuss the subject of lesbianism as it relates to the critical interaction among readers writers and literary critics It explores lesbian texts in terms of identification meaning and interpretation and examines the complex entanglements of identity voice intersubjectivity textualities and sexualities A wonderful exploration of the varieties of life choices lesbians can and do make This book once again proves that telling the truth about yourself is a revolutionary act Rita Mae Brown They will probably drum Karla Jay and Joanne Glasgow out of the academy for this one A college text that is witty literate interesting and can be read for fun What s the world coming to Lesbian Texts and Contexts dry title wonderful book Barbara Grier Editor Naiad Press To call this collection much needed or eagerly awaited would be the understatement of the year It s thrilling ot think of the new readings of classic texts the new directions for theory and maybe best of all the new range of literary encounters in the classroom that will be enabled by this radical intervention on the critical scene Eve Kosofsky Sedgwick Duke University Excellent challenging sexy never boring Outweek

**Women's Sexuality Across the Life Span** Judith C. Daniluk, 2003-06-09 Moving beyond a traditional focus on sexual functioning this book emphasizes the complex interaction of psychological social cultural and biological influences on womens s sense of themselves as sexual beings Written for practitioners and educators its goal is to challenge contradictory messages and meanings that cause many women to feel disconnected from their bodies and from their needs and desires Themes explored include the development of sexual awareness and sexuality in childhood and adolescence the critical sexual choices of young adulthood and the multiple transitions characterizing the middle and later years of life The book features creative exercises and interventions to help girls and women construct more affirming sexual meanings

Learning to Be Old Margaret Cruikshank, 2009-01-16 What does it mean to grow old in America today Is successful aging our responsibility What will happen if we fail to grow old gracefully Especially for women the onus on the aging population in the United States is growing rather than diminishing Gender race and sexual orientation have been reinterpreted as socially constructed phenomena yet aging is still seen through physically constructed lenses The second edition of Margaret Cruikshank s Learning to Be Old helps put aging in a new light neither romanticizing nor demonizing it Featuring new research and analysis expanded sections on gay lesbian bisexual transgender aging and critical gerontology

and an updated chapter on feminist gerontology the second edition even more thoroughly than the first looks at the variety of different forces affecting the progress of aging Cruikshank pays special attention to the fears and taboos multicultural traditions and the medicalization and politicization of natural processes that inform our understanding of age Through it all we learn a better way to inhabit our age whatever it is      *Gay, Lesbian, Bisexual, and Transgender Aging* Tarynn M. Witten,A. Evan Eyler,2012-06-01 The graying of the U S population draws increasing focus to historically unattended segments of society including sexual and gender minorities In this first comprehensive volume to address the challenges of aging in the gay lesbian bisexual transgender and intersex populations this text presents what is currently known about aging GLBT individuals and what services are needed to support them The editors first provide an introductory overview comparing caregiving in GLBT and normative aging communities In chapters devoted to the issues of each alternative sexuality and gender identity community top experts in the field discuss biomedical psychological social sexual spiritual socioeconomic and service topics related to that community s aging needs GLBT populations face unique challenges as they age Despite the often severe difficulties they encounter many live out their final years with the dignity and grace that all of us deserve With a combination of the latest biological and social science research moving case studies and first person accounts practical advice for health professionals and research literature citations this book represents a major step forward in addressing concerns of aging GLBT populations Integrating research practice and policy this text is for students and professionals in gerontology medicine social work psychology nursing public health and related fields who wish to learn more about the life experiences and concerns of sexual and gender minority identified older patients      *Coming Out of the Classroom Closet* Karen M Harbeck,2014-03-05 This landmark book empowers educators to become visible positive influences and role models for gay and lesbian students in their classrooms and schools As most homosexual educators and even students remain invisible due to possible hostilities of coming out this eye opening book presents recent research to help gay and lesbian teachers break their silence It encourages them to speak out on issues of homosexuality where curricula civil rights personal freedoms and social entitlements are concerned It promotes the development of school based intervention for gay lesbian and bisexual students While the controversy over education and homosexuality is one of the most personally threatening in this nation s history the timely research presented in *Coming Out of the Classroom Closet* will hearten gay and lesbian educators to continue to strive for fair treatment as peers and for equal representation in educational materials Pointing to reports of greater social support and legal protection than is assumed by most in the educational system this book should be required reading for all persons concerned about continuing to provide high quality education at all levels college and university secondary and even elementary Chapters of *Coming Out of the Classroom Closet* look closely at many issues surrounding the issue of homosexuality in schools including a history of treatment of gay and lesbian educators and their legal rights effects of internalized homophobia on homosexual educators gay and lesbian student

s perceptions of their counselors and teachers ability to understand and help beliefs lack of knowledge and lack of training of counselors and teachers about the needs of gay and lesbian youth images of gays and lesbians in sexuality and health textbooks important AIDS education and the issue of homophobia      The Changing of the Guard Dana Rosenfeld,2003 One of the first books to link identity age and gender The Changing of the Guard offers a significant meditation on the politics of older lesbians and gays Combining interviews and sustained critical thought Rosenfeld links the development of lesbian and gay elders identity with the key moments in the 20th century reinvention of homosexuality In doing so she bridges the gap between history and interaction that has characterized and constrained previous studies of identity Rosenfeld first summarizes the meaning of homosexuality that prevailed when her subjects came of age and the radical changes it underwent during their middle years She uses these changes to trace the paths they took toward one of two homosexual identities a discreditable one adopted before the advent of gay liberation or an accredited one adopted during and through those momentous years She theorizes that there is the existence of two distinct identity cohorts shaped by a willingness or resistance to accept the historical forces at work on lesbian and gay identity Such decisions on identities Rosenfeld argues strongly shaped her subjects in later life specifically their understanding of th      *Gay Midlife and Maturity* John Alan Lee,1991 Aging is stressful for anyone in youth oriented Western societies Elderly people encounter difficulties and discrimination sometimes because of reduced income transportation and housing problems and failing health but often due to the persistent negative stereotypes that color others attitudes and behavior toward old people Gay men and lesbians experience these stresses as well as the numerous additional problems associated with their sexual orientation *Gay Midlife and Maturity* is a dynamic and positive volume that challenges the long held stereotype of the sad and lonely old homosexual A growing body of international literature much of which is featured in this book rejects this myth and illustrates that older gay men and lesbians cope well with the aging process and are comparable to younger homosexuals in social and psychological adjustment A much needed and major contribution *Gay Midlife and Maturity* contains an enormous amount of information for readers interested in gerontology and homosexuality Experts for the first time examine the relationship between the adjustment of gay people to later life and the age and sequence of the resolution of these typically early developmental processes raising many questions about traditional theories of gay development The existing contradictions and debates about gay men and accelerated aging are addressed Other valuable chapters focus on a theory of successful aging a comparison of the traditional gay community pre Stonewall versus the organized gay community the vital role of communication in gay relationships the sexual attitudes and behaviors of older gay men and much more Additional interesting and worthwhile chapters of this thought provoking new book include an in depth interview with Don Bachardy about his 33 year relationship Christopher Isherwood a renowned English writer who was 30 years his senior and a review of the growing literature on gay aging      *Fundamentals of Feminist Gerontology* J Dianne Garner,2014-01-21 Explore feminist
