World isn't happy. It's dingy and depressing. Nothing like the world that headstrong Josephine wants for herself. But when Josephine learns that her would-be next-door neighbor in Happy World was kidnapped months ago, she develops a begrudging interest in her new home. A kidnapping is exciting, and all signs point to Josephine being meant to find ten-year-old Molly. Despite her efforts to stay detached, Josephine investigates Molly's disappearance with help from the eccentric cast of characters living in Happy World. It turns out the rough edges of her community are softer and sweeter than they first seemed. And the unexpected friendships she forms might be more precious than anything she's ever owned. In her extraordinary middle-grade debut, Suzanne Supplee brings a small Tennessee town and its memorable residents to life. Perfect for daydreamers and unstoppable imaginations. Hand this beautiful bursting-with-feelings read to fans of Kate DiCamillo's Raymie Nightingale series. A Bank Street Best Children's Book of the Year. Grandmas Stories Rick Steber, Grandma grew up on a farm and at a relatively young age she fell in love and married Grandpa. They moved west, found the opportunities to their liking, and together they raised a wonderful family. Grandma was the glue that held the family together. She performed the necessary domestic tasks of making a home: caring for the children, cleaning, cooking, baking, washing, sewing, and darning. She also tended the chickens, milked the cows, and churned the cream to butter. And when necessity arose, like the time a horse rolled on Grandpa and he was laid up for nearly a year, Grandma demonstrated she could take on a man's work as well. The Grandma I remember was old. Her domain was the kitchen, a room dominated by the cheery warmth of a wood stove and the sweet aroma of baking pies. While Grandma worked, frequently pausing to wipe her calloused hands on her freshly ironed white apron, she talked, telling stories of pioneering days, tales handed down from the Indians, and interesting things that had happened to family members, friends, and neighbors. Every once in a while she lowered her voice and shared some small secret. My children will know their great grandmother because of the stories I will share with them, and from the words Grandma carefully wrote in her journal. Every evening, no matter how trying her day had been, she would take a few moments to reflect and describe things from the day that were important to her: a laughing child chasing a butterfly across the pasture, the lovely fragrance of wildflowers in bloom, a field of wheat dancing in an afternoon breeze. When Grandma finished the entries, she would lay down her pen, close her journal, blow out the candle flame, and say to herself, And so ends another glorious day. **Guitar Chord Songbook White Pages** Hal Leonard Corp., 2012-07-01.
