combat and played war games in his youth War is not a game Combat wasn't this fantasy for him in real life This book tells the story of a Kansas boy who grew up quickly serving as a combat platoon leader in the Vietnam War It shares his exploits with A Company 4 503 173 Airborne Brigade His platoon was very unlucky in the June November 1967 campaign as the Fire Brigade took on the NVA in Dak To His actions are reported in at least two documentary books dealing with individual firefights in the Central Highlands during that period This is the unpolished truth about the brutal war and how really futile it was to go toe to toe against a better prepared army and survive The author gives unembellished reports of what his unit experienced and backs it up with the Battalion After Action Reports He acknowledges he is alive today only because of superior tactical air support and artillery firepower This book gives an entirely different viewpoint than most books authored by Vietnam veterans While his observations may be controversial to some vets it reflects the author's objective opinion of what he experienced there **East to West across Russia: The Long Journey Home** Daniel C.A.
