

I love how you hold me. I love how you tell me I'm beautiful. I love how you look at me funny when I say something stupid. I love how you make me happy. I love how you smile when I see you. I love how you laugh when I say something random, or stupid. I love the face you make when I snort when I laugh. I love how you ask me if I'm alright when I cant stop laughing. I love how you make me feel. I love how you tell me I look cute.

I love how you like my pajamas. I love how you talk about music for hours. I love how you say sweet things to me. I love how you whisper in my ear when it's really quiet. I love how you squeeze me so hard when I hug you. I love how I can talk to you for hours about anything, and you listen, and I listen. I love how we call each other as soon as we wake up. I love how you sound when I wake you up. I love how my dog has more sex with you than I do, just kidding. I love how you want to spend every day with me. I love how you squeeze my hand. I love how you rub my back, and kiss my neck. I love how you lay next to me, and tell me that everything's perfect. I love how everything is perfect. I love how you see the person I really am. I love how you say we are perfect for each other. I love how you make me cry, but not because I'm upset or sad, or you hurt me, but because you made me the happiest person ever. I love how I wake up in the morning for you. I love how I anticipate seeing you. I love how you kiss me. I love how I look at the empty space in my bed, and wish you were filling it. I love how I get nervous when I see you, but feel more comfortable with you than I do with anyone else. I love how my parents love you. I love how you deal with my picky eating habits. I love how you worry about me, and take care of me. I love how you pay for me when we go places. I love how you insist everything will be alright, and make me feel at ease. I love how you keep me warm when I'm cold. I love how you give me weird looks at awkward moments. I love how you stop everything for me. I love how I'm important to you. I love how I make you happy. I love how you make me happy. I love how you make sure I stay in line. I love how I only want to be with you. I love how I only think about you. I love how I stop everything because I get distracted and have to call you. I love how you get jealous. I love how you are when you are with your family. I love being with your family. I love how I can see myself with you forever. I love how we talk about being together forever. I love how you think I have cute feet. I love how you tickle me. I love how you get mad when someone says something to upset me. I love everything about you.

The last two decades have seen unprecedented increases in health care costs and at the same time encouraging progress in psychotherapy research On the one hand accountability cost effectiveness and efficiency have now become commonplace terms for providers of mental health services whereas on the other hand an increasingly voluminous literature has emerged supporting the effectiveness of a number of types of psychotherapies There now exists the possibility for the design and delivery of mental health services that drawing upon this literature more closely approximate empirically established data concerning the appropriateness and effectiveness of psychotherapy The Handbook of the Brief Psychotherapies is intended to capture one major thrust of this movement the development of a group of empirically grounded time limited therapies all sharing a common interest in the clinical utilization of a structured focus and an emphasis on time and action For many years professional self interest competing theoretical paradigms and the vagaries of practice wisdom and clinical myth have influenced the practice of psychotherapy A critical questioning of the resulting predominantly nondirective open ended and global therapies has led to a growing emphasis on action oriented problem focused time limited therapies Yet ironically this interest in the brief psychotherapies has not so much involved a radical departure from traditional therapeutic modalities as it has emphasized a new pragmatism about how time action and structure operate in life as well as in therapy

Long Long Love: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. Long Long Love : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Long Long Love : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
