Long Patrol:

The Long Patrol Brian Jacques, 2004-09-09 Barradum Barradum Barrabubbitybubbityboom Tamello De Fformelo Tussock wants more than anything to join the Long Patrol those staunch and stalwart hare warriors who make their home at the top of Salamandastron Mountain But Tammo as he is called is too young and inexperienced Or is he Guided by the nomad squirrel Russa Tammo makes his way to Redwall where the Long Patrol has gathered to protect their beloved Abbey from the great rat Rapsallions And as the mighty rats rear their ugly heads and ancient Redwall warriors fall young Tammo learns what life death and honor really mean as a new generation of Redwall heroes comes to the fore to save their home from evil

The Long Patrol Michael Kozlowski, 2013-04-30 After a patrol lasting 139 years the Confederate States Submarine H L Hunley has returned home The Long Patrol describes how the world's first operational submarine was designed and built As this part of the story is methodically unveiled the characters of Horace Lawson Hunley and the Confederate military officers who backed him come to life and step off the pages of the book On another level this book is an indispensable social history of the Confederacy during its slow death It concludes with a description of the burial of the crew of the H L Hunley In his discussion of the likely causes for the loss of the Hunley Mike Kozlowski's description of exhaustion exposure cold ever decreasing oxygen levels and the multiplying factors of ill health concussion and long term malnutrition all strike a resonant chord His is the most likely and well substantiated explanation for the loss of the Hunley and one that fits well with information gained during the recovery of the sunken submarine

The Long Patrol Brian Jacques, 2012-10-31 The tenth book in the beloved bestselling Redwall saga soon to be a major Netflix movie Tammo dreams of joining the Long Patrol the legendary army of fighting hares who serve Lady Cregga Rose Eyes ruler of Salamandastron And with Damug Warfang's mighty battalion of savage vermin on the rampage young Tammo's dream is about to become a brutal reality

The Long Patrol Roy Bainton, 2011-10-14 When the Allies occupied Germany at the end of the Second World War there were two million men present to witness the devastating end of the Third Reich Few of them could have imagined just how long this occupation was going to last right up to the fall of the Berlin Wall in 1989 and well into its aftermath Today some 17 000 British troops remain in Germany But over the past four and a half decades tens of thousands of British men and women have lived and worked in British Zone as members of the British Army of the Rhine BAOR some for relatively short periods many for much longer Long enough though for the experience to have a profound effect on their lives and on their attitudes THE LONG PATROL reveals what life has been like in the British Zone for those men and women and their families As the post war worlds of Britain and Germany had little in common they had to find their own identity often suspended between the two And what did the Germans make of the British How did they react when whole streets sometimes whole districts were requisitioned and occupied What were the psychological effects of a foreign army taking over the barracks of what had been until so recently the homes of the warriors of the 1 000 Year Reich Eventually the British became more and more insulated

against the culture around them building their own camps their own cinemas In major centres like Berlin they lived a separate life whilst all around them Germany got on with the massive task of reconstruction In the background there lurked the ever present spectre of a possible Third World War Based largely on interviews and information culled from personal diaries and letters **THE LONG PATROL** is primarily an oral history of the British in Germany It also analyses and interprets experiences in an attempt to begin to make sense of an unusual and still significant part of British history in the twentieth century Funny tragic bizarre and poignant in equal parts **THE LONG PATROL** is an important contribution to the social history of post war Britain and Germany

The Long Patrol Brian Jacques, 1997-07

The Long Range Desert Group in Action 1940-1943 Brendan O'Carroll, 2020-12-30 This first pictorial history of the LRDG covers all aspects of its work and the vehicles and weapons they used in their devastating raids Beating Tsundoku The Long Range Desert Group has a strong claim to the first Special Forces unit in the British Army This superb illustrated history follows the LRDG from its July 1940 formation as the Long Range Patrol in North Africa tasked with intelligence gathering mapping and reconnaissance deep behind enemy lines Manned initially by New Zealanders in 1940 the unit became the LRDG with members drawn from British Guards and Yeomanry regiments and Rhodesians So successful were the LRDG patrols that when the Special Air Service was formed it often relied on their navigational and tactical skills to achieve their missions After victory in North Africa the LRDG relocated to Lebanon before being sent on the ill fated mission to the Dodecanese Islands in the Aegean Serving independently when the Germans overwhelmed and captured the British garrisons many LRDG personnel escaped using their well honed skills Many images in this the first pictorial history of the LRDG were taken unofficially by serving members The result is a superb record of the LRDG's achievements the personalities their weapons and vehicles which will delight laymen and specialists alike Well written The photographs brought together here are a stunning selection despite the various quality as it shows the men and machines living the war they fought in Armorama A must read page turner Richard Gough military author and historian Informative and full of exciting detailed accounts of operations that occurred throughout the LRDG's reign of terror on the Axis forces during the war **AMPS**

The Long Patrol Brian Jacques, 1997 Tammo a daring young hare hungry for adventure is sent with Russa Nodrey the wandering red squirrel to join the Long Patrol and defend Salamandastron against the Rapsallion horde

Guadalcanal Campaign, *Long Time Passing* Myra MacPherson, 2009-04-20 This new edition of a classic book on the impact of the Vietnam War on Americans reintroduces the haunted voices of the Vietnam era to a new generation of readers Based on more than 500 interviews *Long Time Passing* is journalist Myra MacPherson's acclaimed exploration of the wounds pride and guilt of those who fought and those who refused to fight the war that continues to envelop the psyche of this nation In a new introduction Myra MacPherson reflects on what has changed and what hasn't in the years since these interviews were conducted explains the key points of reference from the 1980s that feature prominently in them and brings the stories of her principal characters up to date A haunting

chorus of voices a moving deeply disturbing evocation of an era San Francisco Chronicle A brilliant and necessary book this stunning depiction of Vietnam's bitter fruit is calculated to agitate even the most complacent American Philadelphia Inquirer There have been many books on the Vietnam War but few have captured its second life as memory better than Long Time Passing Washington Post Book World Enthralling reading full of deep and strong emotions New York Times Gregory Owen, 2006 Recalls the experiences of Karl Baumann who joined the German Merchant Marine as a cabin boy at the age of fourteen in 1939 Baumann enlisted in the German Navy or Kriegsmarine in 1941 and served as an anti aircraft gunner in the submarine service until his surrender to American forces in 1944 Describes Baumann's internment at the prisoner of war camp at Lyndhurst Virginia his repatriation to Germany and his subsequent emigration to Virginia in 1951 True Stories of World War 1, Complete Various, 2016-02-19 World War I WWI or WW1 also known as the First World War or the Great War was a global war centred in Europe that began on 28 July 1914 and lasted until 11 November 1918 More than 70 million military personnel including 60 million Europeans were mobilised in one of the largest wars in history Over 9 million combatants and 7 million civilians died as a result of the war including the victims of a number of genocides a casualty rate exacerbated by the belligerents technological and industrial sophistication and the tactical stalemate caused by trench warfare a grueling form of warfare in which the defender held the advantage It was one of the deadliest conflicts in history and paved the way for major political changes including revolutions in many of the nations involved The war drew in all the world's economic great powers assembled in two opposing alliances the Allies based on the Triple Entente of the United Kingdom British Empire France and the Russian Empire versus the Central Powers of Germany and Austria Hungary Although Italy was a member of the Triple Alliance alongside Germany and Austria Hungary it did not join the Central Powers as Austria Hungary had taken the offensive against the terms of the alliance These alliances were reorganised and expanded as more nations entered the war Italy Japan and the United States joined the Allies while the Ottoman Empire and Bulgaria joined the Central Powers The trigger for the war was the assassination of Archduke Franz Ferdinand of Austria heir to the throne of Austria Hungary by Yugoslav nationalist Gavrilo Princip in Sarajevo on 28 June 1914 This set off a diplomatic crisis when Austria Hungary delivered an ultimatum to the Kingdom of Serbia and entangled international alliances formed over the previous decades were invoked Within weeks the major powers were at war and the conflict soon spread around the world On 28 July the Austro Hungarians declared war on Serbia and subsequently invaded As Russia mobilised in support of Serbia Germany invaded neutral Belgium and Luxembourg before moving towards France leading the United Kingdom to declare war on Germany After the German march on Paris was halted what became known as the Western Front settled into a battle of attrition with a trench line that would change little until 1917 Meanwhile on the Eastern Front the Russian army was successful against the Austro Hungarians but was stopped in its invasion of East Prussia by the Germans In November 1914 the Ottoman Empire joined the Central Powers opening fronts in the Caucasus Mesopotamia and

the Sinai Italy joined the Allies in 1915 and Bulgaria joined the Central Powers in the same year while Romania joined the Allies in 1916 followed by United States in 1917 The Russian government collapsed in March 1917 and a subsequent revolution in November brought the Russians to terms with the Central Powers via the Treaty of Brest Litovsk which constituted a massive German victory After a stunning German offensive along the Western Front in the spring of 1918 the Allies rallied and drove back the Germans in a series of successful offensives On 4 November 1918 the Austro Hungarian empire agreed to an armistice and Germany which had its own trouble with revolutionaries agreed to an armistice on 11 November 1918 ending the war in victory for the Allies By the end of the war the German Empire Russian Empire Austro Hungarian Empire and the Ottoman Empire had ceased to exist National borders were redrawn with several independent nations restored or created and Germany's colonies were parceled out among the winners During the Paris Peace Conference of 1919 the Big Four Britain France the United States and Italy imposed their terms in a series of treaties The League of Nations was formed with the aim of preventing any repetition of such a conflict This however failed with economic depression renewed European nationalism weakened member states and the German feeling of humiliation contributing to the rise of Nazism These conditions eventually contributed to World War II

An Analytical Guide to Television's Battlestar Galactica John Kenneth Muir, 2015-09-15 When the space drama Battlestar Galactica debuted on ABC in 1978 it was expected to be the most popular new program of the year Instead it was attacked as a Star Wars rip off and canceled after a mere 17 stories The author acknowledges the show was full of dramatic cliches and scientific inaccuracies but despite these shortcomings Battlestar Galactica was a dramatically resonant series full of unique and individual characters such as Commander Adama Lorne Greene and ace warrior Captain Apollo Richard Hatch The author contends that Battlestar Galactica was a memorable attempt to make science fiction accessible to mainstream television audiences The brilliant work of artist John Dykstra brought a new world of special effects to network television Battlestar Galactica also skillfully exploited legends and names from both the Bible and ancient mythology which added a layer of depth and maturity to the weekly drama
