A Long undressing ... James Broughton, 1971 **An Open Map** Robert J. Bertholf, Dale M. Smith, 2017-12-15 The correspondence of Robert Duncan and Charles Olson is one of the foundational literary exchanges of twentieth century American poetry The 130 letters collected in this volume begin in 1947 just after the two poets first meet in Berkeley California and continue to Olson's death in January 1970 Both men initiated a novel stance toward poetry and they matched each other with huge accomplishments an enquiring declarative intelligence wide ranging interests in history and occult literature and the urgent demand to be a poet More than a literary correspondence *An Open Map* gives insight into an essential period of poetic advancement in cultural history *Imagining Persons* Robert J. Bertholf, Dale M. Smith, 2017-12-15 Robert Duncan's nine lectures on Charles Olson delivered intermittently from 1961 to 1983 explore the modernist literary background and influences of Olson's influential 1950 essay *Projective Verse* These transcribed talks pay tribute to Olson and expand our knowledge of Duncan's vision of modernist writing *The Queer Encyclopedia of Film and Television* Claude Summers, 2012-04-24 From Hollywood films to TV soap operas from Vegas extravaganzas to Broadway theater to haute couture this comprehensive encyclopedia contains over 200 entries and 200 photos that document the irrepressible impact of queer creative artists on popular culture How did Liberace's costumes almost kill him Which lesbian comedian spent her high school years as the best white cheerleader in Detroit For these answers and more fans can dip into *The Queer Encyclopedia of Film Theater and Popular Culture* Drawn from the fascinating online encyclopedia of queer arts and culture www.glbtc.com which the Advocate dubbed the Encyclopedia Britanniqueer this may be the only reference book in which RuPaul and Jean Cocteau jostle for space From the porn industry to the Sisters of Perpetual Indulgence from bodybuilding to Dorothy Arzner it's a queer queer world and *The Queer Encyclopedia* is the indispensable guide readable authoritative and concise And perfect to read by candelabra The answers to the two questions above from the dry cleaning fumes Lily Tomlin

Contemporary Gay American Poets and Playwrights Emmanuel S. Nelson, 2003-06-30 Gay presence is nothing new to American verse and theater Homoerotic themes are discernible in American poetry as early as the 19th century and identifiably gay characters appeared on the American stage more than 70 years ago But aside from a few notable exceptions gay artists of earlier generations felt compelled to avoid sexual candor in their writings Conversely most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work This reference is a guide to their creative achievements Alphabetically arranged entries present 62 contemporary gay American poets and dramatists While the majority of included writers are younger artists who came of age in the post Stonewall U S some are older authors whose work has continued or persisted into recent decades A number of these writers are well known including Edward Albee Harvey Fierstein and Allen Ginsberg Others such as Alan Bowne Timothy Liu and Robert O'Hara merit wider recognition Each entry is written by an expert contributor and includes a biography a discussion of major works and themes

an overview of the author's critical reception and primary and secondary bibliographies

Shy of the Squirrel's Foot Andy Martrich, 2024-11-11 The Jargon Society a boundary pushing publisher of poetry and experimental writing was founded by Jonathan Williams 1929 2008 in 1951 Jargon quickly gained a reputation as the home of the poetic and literary avant garde including noted midcentury poets like Charles Olson and Lorine Niedecker Williams himself looms large in this story as the publisher at Jargon until his death making this book as much about his life and work as the press he founded which today operates through the Black Mountain College Museum in Asheville North Carolina Andy Martrich authors this story in a manner befitting Jargon's ethos of literary experimentation by focusing on the books the Society cataloged but never published While it's not uncommon for a small press to plan for books that don't make it to publication Martrich argues that Jargon's incessant financial difficulties coupled with Williams's impressive network makes its trail of unfinished projects unique and an ideal way to chronicle the press itself Using archival research interviews with volunteers at Jargon and more Martrich gives readers not only an intimate look into a Southern press and publisher but also an important history of modern and experimental literature in twentieth century America *Shy of the Squirrel's Foot* includes an epilogue by Anne Midgette an afterword by Nicole Raziya Fong and Jargon's complete annotated bibliography which details every book the press published compiled in one place for the first time
