Davies,2016-01-06 The decade since Beckett's death has seen new interests in the erotic sweeping through our culture acting in uneasy counterpoint to its established humanistic infrastructure and opening new questions about the significance of sexuality Surprisingly or not Beckett has startlingly further light to throw on the erotic phenomenon variously but insistently recognised in our time This book is the first to propose a mythopoetics of sex with which to explore Beckett's work as a whole **Yearning** Kate Belle,2013-04-01 It's 1978 in an Australian country town and a dreamy teenaged girl's world is turned upside down by the arrival of the substitute English teacher Solomon Andrews is beautiful inspiring and she wants him like nothing else she's wanted in her short life Charismatic and unconventional Solomon easily wins the hearts and minds of his third form English class He notices the attention of one girl his new neighbour who has taken to watching him from her upstairs window He assumes it is a harmless teenage crush until the erotic love notes begin to arrive Solomon knows he must resist but her sensual words stir him He has longings of his own although they have nothing to do with love or so he believes One afternoon as he stands reading her latest offering in his driveway she turns up unannounced And what happens next will torment them forever in ways neither can imagine Surprised by Faith Joy McBride,Daryl McCarthy,Bob VanderVennen,2009-03-26 Surprised by Faith celebrates the 75th anniversary of C S Lewis kicking and screaming his way into Christianity his 1931 conversion Lewis described himself as the most dejected and reluctant convert in all England But a convert nonetheless surprised by joy This volume was inspired by Lewis's autobiographical account of the life events which led to his coming to faith an event that had a profound effect on his work and his relationships In Surprised by Faith Lewis's conversion is explored as both a rational quest for truth and a romantic quest for meaning This collection of essays commemorates Lewis's conversion but also celebrates examines and discusses what conversion means to us as scholars academicians and most importantly as human beings It's a kind of conversation about conversion The conversation's participants are individuals from a variety of backgrounds who themselves have been converted in the classic Christian sense Surprised by Faith hopefully will challenge the reader to think more deeply biblically and theologically about the transformation that takes place in each life that embraces Christ and moves from unbelief to belief The essays look at the influence of conversion on perspectives as they relate to various disciplines such as anthropology poetry psychology education philosophy and culture Canadian Books in Print Marian Butler,2000 *The Works of Alexander Pope, Esq; ...
