introduction to the field of Teaching Teachers with special reference to language teaching By taking a decidedly Sociocultural perspective the book addresses the main role of the Teacher of Teachers ToT as that of scaffolding the professional learning of aspiring teachers Each of the eight chapters deals with a particular view of this scaffolding process from understanding and reviewing the learning needs of aspiring teachers to designing and delivering courses and materials observing teachers teaching online and engaging in continuous professional development Authoritatively written though accessible to newcomers to the field this book will prove to be an invaluable addition to the library whether you are a seasoned teacher educator a new coordinator director of studies supervisor or teacher trainer *FIGHTING FOR*

*FAIRNESS* Greg Lewis, Sometimes we have to battle through barriers to achieve our dreams These are the stories of men and women who fought for fairness From the first black footballer to appear for Wales to the first Welsh woman to become a doctor and the slave s daughter who worked to help others Inspiring stories of people who followed their hearts and made life better not only for themselves but for others The book features a bonus section on Wales connections with slavery helping teachers to tackle this difficult and important subject Teacher Feedback We used Eric Ngalle s story to explain some of the reasons why people come to Wales from all around the world and to show what migration and asylum mean It helped our children understand the experiences of some of their classmates The section on Wales and slavery was very helpful Recommended I linked the Chapter on Frances Batty Shand to the ebook Sweet Clara and the Freedom Quilt as part of planning on an Expressive Arts Topic I took the class to the Picton Reframed Exhibition in the National Museum in Cardiff We were able to touch on enslavement in a way which was appropriate but did not shy away from the realities and the learners responded with passion and emotion to the story I think there is huge potential for delving even deeper into these difficult topics with the help of books like these **Pragmatic Thinking and Learning** Andy Hunt,2008-10-28 Printed in
